Menorca has an impressive collection of ancient Talayotic sites. Both groups have a short visit to Trepucó – the ruins of a village which dates back to the Megalithic period. Distance: 8 miles (13km)

A short walk leads to Calas Fonts with its attractive harbour before we join the Cami de Cavalls en route to Cala de St Esteve. From this point we follow the easier group route to arrive in Punta Prima.

Highlight: Walk along the peaceful coastline with views out to sea.

Day 10: Ciutadella Sightseeing

Today we'll visit Ciutadella, the second largest town on the island situated at the western end. Originally settled by the Moors, this was formerly the island's capital until this was switched to Mahon by the British. The historic centre is clustered around its narrow harbour and contains a maze of narrow alleys and Moorish buildings. We continue to Monte Toro, the highest peak of the island, to enjoy the view before visiting Fornells, a picturesque fishing village on the north coast.

Day 11: Along The Coast To Es Grau

Today we'll travel to the north of Mahon to enjoy walks along the east coast. We'll pass delightful beaches taking in views over the coastal village of Es Grau and beyond to the island of Colom. Our journey takes us to a protected nature reserve which overlooks the S'Albufera Lake before reaching the village of Es Grau.

Option 1 - Es Grau And Albufera Des Grau

Distance: 5 miles (8km)

Total ascent: 500 feet (150m)

In summary: From Es Grau, our walk takes us north along the beach to meet the Cami de Cavalls which we follow passing secluded beaches, only accessible on foot, to reach the boathouse at Cala de Sa Toretta. Here we can enjoy lunch before retracing our steps to Es Grau beach. At this point the route visits S'Alburfera Lake, an important site for migrating birds; we can spend time here or relax in the local bars.

Option 2 - Cami De Cavalls And Cap Favartix

Distance: 8 miles (13km)

Total ascent: 800 feet (240m)

In summary: The walk follows the Cami de Cavalls leading to Cap Favartix lighthouse. In just a couple of kilometres the landscape changes dramatically from lush countryside to a lunar landscape. After a visit to the lighthouse our route turns south to follow the east coast to Es Grau. We pass secluded beaches and Bassa de Morella Nature Reserve before reaching Cala de Sa Toretta. The walk then joins the easier route to Es Grau

and its inviting bars, beach and nature reserve.

Highlight: Pass Bassa de Morella, a lagoon rich in wildlife.

Day 12: Free Day

Each week there is a free day when no guided walks are offered. This is an ideal opportunity to relax around the hotel, walk independently or visit local places of interest. Some options for your free day may include:

Mahon: A 10 minute walk from the hotel will take you to the centre of Mahon. With a population of around 25,000, this is the island's capital and it has a good selection of shops, cafés and facilities. The city's great harbour has long been recognised for its strategic importance and over the years has been a base for the British and Spanish fleets. Boat trips around the harbour depart from the main quayside and are a great way to see its full scale. The city's main historic sites, including the cathedral, can be found on the hill just above the harbour and display a variety of different influences from the island's various rulers.

La Mola Fortress: The immense fortress of La Mola was built between 1848 and 1875 to guard the entrance to Mahon Harbour. This is the most impressive historic site on Menorca and a visit lasts about 2½ hours. It is best reached by taxi or hire car. Please check with hotel reception for opening hours and possible guided tours.

Local information website: For information on Menorca please visit www.spain.info

Day 13: Cliffs And Coves Of The Southwest Coast

Today's walks head to southwest Menorca for some particularly attractive coastal walks. Both walks visit sandy beaches before finishing in the resort of Cala Galdana, a popular resort with sandy beaches, pine clad headlands and plenty of bars to relax in after a day's walking.

Option 1 - Santa Galdana And Cala Mitjana, Azure Coves

Distance: 6 miles (9½km)

Total ascent: 400 feet (120m)

In summary: The day begins with a choice – Lithica stone quarry for an hour's visit or stay on the coach to Son Xoriguer where the harder walk starts. Best described as a butterfly walk, the easier route visits two coves local to Cala Galdana. The first, to the east of Cala Galdana is Cala Mitijana. After returning to Cala Galdana you may decide to explore its facilities whilst the group visits the second cove, Cala Macarella to the west. We then return to Cala Galdana for our transport to Mahon.

Highlight: Explore the two beautiful coves on this delightful walk.

Option 2 - Southwest Coast Path, Son Xoriguer To Cala Galdana

Distance: 9 miles (14½km)

Total ascent: 700 feet (210m)

In summary: Our journey to Son Xoriguer takes about an hour. The walk follows the Cami de Cavalls coastal path with sections of limestone paths, woodland, low cliff tops, beaches and coves. We will pass this generally natural coast of remote and deserted caves and several tempting beaches. The walk finishes in Cala Galdana with its many facilities.

Highlight: A fantastic coastal walk.

Day 14: Limestone Valley And Sandy Beaches

On the final day we head to the south for walks which combine both inland and coastal scenery. A limestone

valley descends from Es Mighorn Gran to the sea and is well known for an enormous cave, Cova des Coloms (cave of the pigeons), said to be large enough to accommodate a cathedral. Both groups visit this impressive site.

Option 1 - Leisure And Legend, Cova Des Coloms

Distance: 6 miles (9½km)

Total ascent: 600 feet (180m)

In summary: We follow the track from the village to Barranco de Binigaus, where the path becomes more rugged and descends via the Cova des Coloms to reach the beach at Binigaus. There is the option to visit a small bar for lunch in St Thomas. After lunch we continue to return to Es Mighorn Gran.

Highlight: A beautiful coastal walk.

Option 2 - Two Cathedrals, Son Bou To Es Mighorn Gran

Distance: 9 miles (14½km)

Total ascent: 900 feet (270m)

In summary: Our walk starts in Son Bou, and follows the new routing of the Cami de Cavalls which heads to the marshland of Sant Jaume. The route turns south to the sea and then west of St Thomas. It may be tempting to stay for lunch or a swim before continuing to Binigaus and its barranco. The rugged path ascends close to Cova des Coloms, our second "cathedral" of the day before returning to Es Mighorn Gran.

Highlight: A walk of great variety from coast to lush countryside.

Day 15: Departure Day

We hope to see you again soon.

USEFUL HOLIDAY INFORMATION

Essential Information

Passport Requirements

You may need to renew your British passport if you're travelling from 1 January 2021.

On the day you travel, you'll need your passport to both:

- have at least 6 months left
- be less than 10 years old (even if it has 6 months or more left)

Use the [government website](#) to see if your passport is valid for this holiday

EHIC Cards

The UK government has officially launched the Global Health Insurance Card (GHIC), which will replace the European Health Insurance Card (EHIC). UK residents can now apply for one of the GHIC cards, which will gradually replace the EHIC cards as they reach their expiry dates. Every family member travelling requires a GHIC. You can make an application for yourself and on behalf of your partner and any dependent children under the age of 16. Both cards will offer equivalent protection for emergency and medically necessary healthcare needs when in the EU on a temporary stay, which includes holiday, study and business travel. Necessary healthcare includes things like

- emergency treatment and visits to A&E
- treatment for long-term or pre-existing medical conditions
- routine medical care for pre-existing conditions that need monitoring
- oxygen and kidney dialysis

The public only need to apply for their free GHIC cards when their current EHIC expires. The process is likely to take two weeks. For more information visit <https://www.nhs.uk/using-the-nhs/healthcare-abroad/apply-for-a-free-uk-global-health-insurance-card-ghic/>.

The GHIC is not an alternative to travel insurance. We advise all holidaymakers to also invest in travel insurance that covers healthcare, so they are covered for other issues that may arise, as well as cancellations and lost luggage.
