ACCOMMODATION

Derwent Bank

Close to Keswick and situated slap bang on the shore of Derwentwater, with the glassy lake on one side and the razor-edged ridges, humpbacked fells and muscular mountains of the Lake District on the other, beautiful Derwent Bank has been entrancing walkers since 1785. Extensive refurbishment and investment have seen this established walkers' retreat transformed into a beautiful country house hotel perfect for people looking to explore the great outdoors. It's also perfect for drinking in the views over a glass of something chilled on the terrace. With 41 bedrooms across the main house and garden rooms as well as a rustic 'pod' to sleep in, there's plenty of space, along with a pretty orangery, large lounge and relaxed vibe. The lakeside land encompasses a formal garden, extensive lawns and mature trees. The emphasis is on enjoying the great outdoors and it's all made super easy with walkers' facilities from an inspiration point equipped with maps and route ideas to a boot room and drying space – this is the Lakes, after all. With views of Cat Bells and Grizedale Pike, the inspiration for adventure is never far away. Venture out from the house to head to the high peaks such as Scafell Pike, Blencathra and Helvellyn or stick to the lower slopes and lakes; Ullswater, arguably the most beautiful of the Cumbrian lakes, Borrowdale and Buttermere are all within easy reach.

Important Covid-19 Steps We Have Taken For Guest Safety: Please Read

Following the relaxation in government guidance on 19 July, we are continuing to take extra steps to keep our guests leaders, and staff safe in our HF country houses. We ask all our guests to respect the measures put in place.

The English, Scottish and Welsh governments are not in sync, so measures in our country houses will vary between the nations. With the relaxation of social distancing in England, from 19 July we will be allowing larger groups to dine and relax in the bar together. However, we will still give guests space e.g. we will seat 6 people at a table where pre-pandemic we may have seated 8. We will ensure our public rooms are well ventilated by opening doors and windows wherever possible. If you have any concerns about distancing, please speak to the House Manager. The government recommendation for England is to wear face coverings in crowded areas. You must wear a face covering by law in public areas in hotels in Scotland. This is mandatory in public spaces; however, face coverings will not be required whilst eating and drinking in the restaurant and bar areas

or whilst you are outside our houses. In Wales face coverings will remain a legal requirement indoors, with the exception of hospitality premises.

As a temporary measure, we will not be servicing rooms during a stay. Extra tea, coffee, milk, and toiletries will be made available on request for all guests. It is recommended that guests bring their own toiletries for the duration of their stay. We will though be increasing the frequency of cleaning in our public areas providing particular attention to frequently touched items including door handles and handrails.

Menus for the week will be available in your room on arrival. A self-service breakfast will be served from 7.45am – 9am. Picnic lunches will now be pre-ordered the night before from an order form in the room. Evening meals will be table service. A dinner order form will be available in each room for completion. Dinner is served at either 7.15pm or 7.30pm. Please check at the house for details. The bar will be open. We will be offering a table service but guests can also come to the bar to order (depending on local restrictions).

Join our team after dinner on Wednesday evenings for the HF Big Pub Quiz. There will be one other evening of entertainment at the start of the week, which will vary depending on the country house that you are staying at. Our Walk Leaders will also be on hand in the bar or lounge for individual or small group walks talks briefings, which allow guests to talk through the following day's walk options and ask any questions. All of our swimming pools are open, except for Glen Coe, which will not re-open this year. Swimming Pools will be operated in line with maximum capacities.

For more information and to see all the steps taken, [visit our page on how house stays will be adapted](#).

Rooms

Tea & coffee-making facilities, TV, Hairdryer, Toiletries, Wi-Fi

Stay in one of the main building's beautifully presented rooms or in the stylish outhouse where there are eight garden rooms with exceptional views for stylish, laid-back Lake District accommodation. In the main house, we'd pick room 12 for the extra space and stunning views over the gardens and Derwentwater. Alternatively, ask for rooms 46, 47, 48 and 49 in the outhouse, all first-floor garden bedrooms with their own glass balcony looking over the ornate formal garden and with views of the lake. There's easy access to the boot room and orangery too, making these rooms a must to stay in. If you're after somewhere a little more unusual to stay overnight, there's a 'pod' in the garden that offers extra privacy, sleeps up to four and gives you a great story to take away!

All 'Classic' rooms are ensuite and furnished to a high standard. There are also several 'Premium' and 'Superior' Rooms that are either larger or have a desirable view, a more luxurious mattress and larger television – upgrade your stay for just an extra £15-25 per person per night. You can choose a specific room for an extra £30 per room, subject to availability. Upgrade supplements still apply.

Facilities

Free Wi-Fi, boot room and drying room, formal garden, extensive garden, putting green, orangery, lounge and board games to borrow

After a day exploring the Lake District, settle in at our country house. Walk the pretty gardens, pause on the pier that juts out in to Derwentwater and look for the boats and ferry that sail on the lake. Try your hand on the putting green or at croquet. Grab a drink and sit on the terrace above the sloping lawns. Indoors, the spectacular orangery with its superb views, is the ideal setting for a bit of peace and quiet, or sink into the sofas in the large, comfortable lounge. Head to the bar for a great local ale and a cracking conversation with fellow guests.

Food & Drink

As at all our country houses, holidays are full board, from afternoon tea and cakes served as a welcome treat through that evening's meal to a hearty breakfast on the day of departure. Food at Derwent Bank is varied with a strong emphasis on the use of seasonal British produce. Our experienced chefs create each dish using

only the freshest ingredients and, when in season, use home grown herbs and vegetables taken from our own gardens to give a true taste of the local area.
