Day 2–3 Navigation Days

Our days will be spent working through a range of practical indoor and outdoor exercises that will help us cover the Bronze Navigator Award Syllabus:

- Navigate using a variety of maps and scales.
- Use 4 and 6 figure grid references with worded descriptions to define the position of a map feature and to locate a feature on the ground.
- Orientate the map using handrails, obvious point features and major landforms.
- Use linear features (e.g. paths, tracks, clear boundaries) as handrails in simple navigation exercises.
- Relate prominent landforms such as large hills and valleys to corresponding contour information on the map.
- Orientate the map by aligning a compass needle against grid north and be aware that magnetic variation causes an inaccuracy.
- Use an orientated map to confirm the direction of travel.

- Use clearly identifiable features to confirm position along the route and to recognise when the target has been overshoot.
- Measure horizontal distance on the map and estimate distance on the ground using timing, pacing and simple visual judgements e.g.100m.
- Plan and implement simple routes and navigation strategies based on the above skills.
- Recognise a navigation error within a few minutes and apply simple relocation techniques using handrails and prominent features.
- Be aware of the use of mobile phone location apps as a back up to map and compass and in emergencies.
- Demonstrate an awareness of local and national access issues, access legislation, personal responsibilities, the Countryside Code and sustainability.
- Demonstrate appropriate knowledge of walking equipment, safety equipment and emergency procedures.

About your stay

A warm welcome

We want you to feel comfortable from the moment you arrive. You'll find a welcome pack in your room with guest registration forms, menus, order forms for dinners and picnic lunches, the Wi-Fi password, and the front door code. Our houses are locked at night, so we recommend noting the Duty Manager's number on arrival in case of an emergency (or getting locked out).

Evening entertainment

While evening entertainment varies from house to house, HF Holidays Inter-House Quiz night held after dinner on Wednesdays is a weekly staple. Your HF Holidays leader may be around for tips on guided and self-guided walking routes as well as visit-worthy local attractions.

Walks talks

Our HF Holidays walk leaders host guided walking information briefings before dinner on guided walking holiday arrival days. This is followed by a group Walks Talk for information on the following day's guided walks (held before dinner every evening). Self-guided walking guests are, of course, welcome.

The walking day

Prior to setting off on guided walks, your HF Holidays Leader will run you through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure you have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.

Useful Holiday Information

“There’s no such thing as bad weather, just the wrong type of clothing!” goes the adage. Come prepared for all eventualities and you’ll walk in comfort as well as safety. Britain’s famous for its changeable weather, so here’s our advice on what to wear and bring.

 - Rucksack
 - Water bottle (at least 1 litre capacity)
 - A small torch (everywhere in winter, year round in mountains)
 - Compass – any compass is fine but if you plan on completing your Silver award in the future we recommend a compass which has a baseplate, 360 degree protractor, map measuring features, plus scales of 1:25k and 1:50k. An example compass is the Silva Expedition 4.
 - Sun hat and sunscreen
 - Several layers of clothing, which can be added or removed
- Denim jeans and waterproof capes are not suitable on any walks.*

Recommended

- Specialist walking socks to avoid blisters.
- A first aid kit inc plasters– your leader’s first aid kit doesn’t contain any medication

You might also want

- Walking poles, particularly useful for descents.

- Flask for hot drinks
- Rigid lunch box
