ITINERARY - ITINERARY

Day 1 **Arrival Day**

Check-in at the hotel is available from 16:00. If you are a member you can arrive at the house from 14:00. Enjoy a complimentary cream tea at 16:30 and meet other guests.

Day 2 **North East Wight**

Spend time learning about the fascinating history of modern Quarr Abbey before heading to Ryde for the opportunity to travel on both the Island Line and the Isle of Wight Steam Railway (railway tickets included). We then take the scenic route to Bembridge to visit its lifeboat station before rounding off the afternoon with the option of visiting the fascinating Brading Roman Villa (entrance included).

Day 3 **Isle of Wight Villages & Gardens**

Be charmed by the pretty village of Brighstone before exploring the peaceful gardens at Mottistone which surround an Elizabethan manor. Located in a sheltered valley, these enchanting gardens enjoy their own micro-climate, meaning the flowering season of familiar favourites is extended and plants usually associated with the Mediterranean region thrive. In the afternoon, it's time to head for the popular village of Godshill with its delightful medieval church, charming, thatched cottages, and a winding main street lined with traditional tearooms and craft shops, as well as the nostalgic Model Village (entrance fee included).

Entrance to Mottistone Manor has not been included as many of you are National Trust members and will be able to access the site free if you show your membership card.

Day 4 **Cowes & Osborne House**

Today's focus is on the island's royal connections. We first head to Cowes, home to the oldest and biggest sailing regatta in the world and the Royal Yacht Squadron based at the Cowes Castle. There'll be time to stroll along the Parade to Egypt Point, where Queen Victoria herself enjoyed panoramic views of the Solent. Or you may wish to explore the historic town with its independent shops and maritime connections. The afternoon is spent at the island's premier visitor attraction – Osborne House – Queen Victoria's family home. Enjoy its opulent interiors, such as the Indian-style Durbar Room, and extensive grounds including walled gardens and its own private beach.

Entrance to Osbourne House has not been included as many of you are English Heritage members and will be able to access the site free if you show your membership card.

Day 5 Departure Day

Enjoy a leisurely breakfast before making your way home.

ACCOMMODATION

Freshwater Bay House

Chalky white cliffs and eyebrow-arching sea views set the tone for the delights that follow at this county house on the Isle of Wight - Queen Victoria's favourite island that's just a ferry hop from the South Coast. The location is as gorgeous as it gets; to the south of the village of Freshwater, within pebble-throwing distance of its namesake bay, and just a skip from Tennyson Down. You'll also be within easy reach of the area's showstoppers, including the imposing Stag and Mermaid rocks, the multi-coloured sands of Alum Bay, the remarkable Ventnor Botanic Gardens, and the 125-million-year-old dinosaur footprints at Compton Bay. And then, of course, there's the Needles Old Battery for the ubiquitous photo opportunity and the best views of The Needles.

Then & now

Little is known about the history of Freshwater Bay House, yet records show it was a purpose-built hotel owned by Charles Plumley in 1824. Prior to this, it was known as The George Inn and visited by London-born artist George Morland in 1799. He earned a living on the island by painting inn signs and undertaking local portrait commissions, although it's thought he sought refuge here to dodge his creditors. By the 1850s, the hotel was known as Plumley's Post House before later changing its name to the Freshwater Bay Hotel and Posting Establishment (it was around this time that playwright George Bernard Shaw visited with his new wife). It was then bought by William T Lambert who renamed it Lambert's Hotel – and this name stuck until the beginning of the 20th century. Over the years, the rather famous roll call of guests included Lewis Carroll, Anthony Trollope, and Lord Tennyson. It has been part of our HF Holidays line-up since 1956.

Nowadays, Freshwater Bay House has 43 well-appointed guest rooms in three categories (Classic, Premium, and Superior), three cosy lounges (one has a grand piano), a licensed bar, and a light-filled restaurant for a wide range of dishes made with fresh and seasonal ingredients. There's a handy boot and drying room, books and games to borrow during your stay, and a Discovery Point offering a wide range of local area maps, route guides, and easy-to-follow information for self-guided walks. Equally fabulous is the putting green, and lovely gardens with paths leading down to the beach in one direction and Tennyson Down in the other. For sunny days, there's an outdoor heated pool (open from May to September*) with a seating area and far-reaching sea views.

ABOUT YOUR STAY

A warm welcome
We want you to feel comfortable from the moment you arrive. You'll find a welcome pack in your room with guest registration forms, menus, order forms for dinners and picnic lunches, the Wi-Fi password, and the front door code. Our houses are locked at night, so we recommend noting the Duty Manager's number on arrival in case of an emergency (or getting locked out).

Evening entertainment

While evening entertainment varies from house to house, HF Holidays Inter-House Quiz night held after dinner on Wednesdays is a weekly staple. Your HF Holidays leader may be around for tips on guided and self-guided waking routes as well as visit-worthy local attractions.

Helping you enjoy the Great Outdoors - A natural focus on walks

Walks talks and Discovery Points
Our founder, country pastor turned social innovator, Thomas Arthur Leonard, was passionate about encouraging people to explore the countryside. His legacy continues in HF's continued focus on walking. Many guests choose to travel with us on guided or self-guided walking holidays, and as such, evenings at our houses are often busy with walk leaders hosting various briefings and talks. On guided walking holiday arrival days, there are walking information briefings before dinner, and for the duration of any guided walking holiday there will be a Walks Talk before (or on occasion after dinner), to go through the following day's walk options. Self-guided walking guests, and those on special interest holidays (where there is free time to explore independently), are of course welcome to also join in these Walks Talks - please talk to the team locally if you have any queries. Our Discovery Points are filled with handy maps and route notes, designed to ensure everyone, not just those booked on a guided walking holiday, can enjoy the beautiful countryside settings that our HF houses enjoy.

The walking day
Prior to setting off on guided walks, our HF Holidays Leaders run through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure walkers have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.

The Needles

Named for their pointy shape, this iconic trio of brilliant white chalk rocks are located on the island's western tip. They lead out to what is easily Britain's most photographed lighthouse – a red-and-white-striped tower built in 1859 on the outermost of the chalk rocks.

Following a five-mile countryside route Smallbrook Junction to Wootton, this lovingly restored vintage steam train is an award-winning attraction. Hop off at the rural stations and learn about 150 years of railways history at the Train Story Discovery Centre.

Blackgang Chine

Perfect for those with children in tow, this family-run fantasy theme park dating back to 1843 is the oldest in the UK. Highlights include life-sized pirate ships, fairy castles, an underwater kingdom, and a cowboy town where kids can choose to be chose to be an outlaw or sheriff.

Built in the early 1700s and closed in 1913, the last surviving windmill on the island was famously featured in a 1795 watercolour by JMW Turner. This much-loved local landmark was donated to the National Trust in 1961 still has most of its original machinery intact.
