WALKING GRADES AND OPTIONS

Trip suitability

Our Discovery holidays give you the opportunity to immerse yourself in the culture of the local area through **active sightseeing**.

On each Discovery day, you will be walking throughout the course of the day as you explore the venues and locations we visit. You'll also be hopping on and off the coach throughout – you should expect to spend the majority of the day on your feet. Most of this walking will be at attractions but some may be across country tracks or footpaths so be sure to **bring sturdy shoes**. There will also be stairs to climb in the majority of the venues you visit, though other more accessible options may be available. At some venues, there may also be uneven surfaces, such as cobbles or rocky paths.

ITINERARY – ITINERARY

Day 1 Arrival Day

Check-in at the hotel is available from 16:00. If you are a member you can arrive at the house from 14:00. Enjoy a complimentary cream tea at 16:30 and meet other guests.

Day 2 North East Wight

Spend time learning about the fascinating history of modern Quarr Abbey before heading to Ryde for the opportunity to travel on both the Island Line and the Isle of Wight Steam Railway (railway tickets included). We then take the scenic route to Bembridge to visit its lifeboat station before rounding off the afternoon with the option of visiting the fascinating Brading Roman Villa (entrance included).

Day 3 Isle of Wight Villages & Gardens

Be charmed by the pretty village of Brighthstone before exploring the peaceful gardens at Mottistone which surround an Elizabethan manor. Located in a sheltered valley, these enchanting gardens enjoy their own micro-climate, meaning the flowering season of familiar favourites is extended and plants usually associated with the Mediterranean region thrive. In the afternoon, it's time to head for the popular village of Godshill with its delightful medieval church, charming, thatched cottages, and a winding main street lined with traditional tearooms and craft shops, as well as the nostalgic Model Village (entrance fee included).

Entrance to Mottistone Manor has not been included as many of you are National Trust members and will be able to access the site free if you show your membership card.

Day 4 Cowes & Osborne House

Today's focus is on the island's royal connections. We first head to Cowes, home to the oldest and biggest sailing regatta in the world and the Royal Yacht Squadron based at the Cowes Castle. There'll be time to stroll along the Parade to Egypt Point, where Queen Victoria herself enjoyed panoramic views of the Solent. Or you may wish to explore the historic town with its independent shops and maritime connections. The afternoon is spent at the island's premier visitor attraction – Osborne House – Queen Victoria's family home. Enjoy its opulent interiors, such as the Indian-style Durbar Room, and extensive grounds including walled gardens and its own private beach.

Entrance to Osbourne House has not been included as many of you are English Heritage members and will be able to access the site free if you show your membership card.

Day 5 Departure Day

Enjoy a leisurely breakfast before making your way home.

Accommodation

Freshwater Bay House

Chalky white cliffs and eyebrow-arching sea views set the tone for the delights that follow at this county house on the Isle of Wight – Queen Victoria's favourite island that's just a ferry hop from the South Coast. The location is as gorgeous as it gets; to the south of the village of Freshwater, within pebble-throwing distance of its namesake bay, and just a skip from Tennyson Down. You'll also be within easy reach of the area's showstoppers, including the imposing Stag and Mermaid rocks, the multi-coloured sands of Alum Bay, the remarkable Ventnor Botanic Gardens, and the 125-million-year-old dinosaur footprints at Compton Bay. And then, of course, there's the Needles Old Battery for the ubiquitous photo opportunity and the best views of The Needles.

About your stay

A warm welcome

We want you to feel comfortable from the moment you arrive. You'll find a welcome pack in your room with guest registration forms, menus, order forms for dinners and picnic lunches, the Wi-Fi password, and the front door code. Our houses are locked at night, so we recommend noting the Duty Manager's number on arrival in case of an emergency (or getting locked out).

Evening entertainment

While evening entertainment varies from house to house, HF Holidays Inter-House Quiz night held after dinner on Wednesdays is a weekly staple. Your HF Holidays leader may be around for tips on guided and self-guided walking routes as well as visit-worthy local attractions.

Walks talks

Our HF Holidays walk leaders host guided walking information briefings before dinner on guided walking holiday arrival days. This is followed by a group Walks Talk for information on the following day's guided walks (held before dinner every evening). Self-guided walking guests are, of course, welcome.

The walking day

Prior to setting off on guided walks, your HF Holidays Leader will run you through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure you have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.

Local Area

Whether you're enjoying a guided or self-guided walking holiday, there's always the opportunity to linger for longer. Here's our pick of the very best things to see and do within easy travelling distance of Freshwater Bay House.

Freshwater Bay

Just a skip away from Freshwater Bay House, this semi-circular namesake bay surrounded by gleaming white cliffs is a magical spot for rock pooling, watersports, swimming, boating, walking, and more. While mostly pebbles, there are some sandy parts on its eastern side.

The Needles

Named for their pointy shape, this iconic trio of brilliant white chalk rocks are located on the island's western tip. They lead out to what is easily Britain's most photographed lighthouse – a red-and-white-striped tower built in 1859 on the outermost of the chalk rocks.

Yarmouth

An hour's walk away, this historic seaside town is set at the mouth of the River Yar. The highlight is the 16th century Yarmouth Castle – one of Henry VIII's most sophisticated coastal fortresses built to guard the western entrance to the Solent.

Osborne House

Just a 40-minute drive away, this former royal retreat was purchased by Queen Victoria and Prince Albert in 1845 and used to escape court life. Now managed by English Heritage, it charms with glorious gardens and rooms filled with original furniture and works of art.

Carisbrooke Castle

What was once an artillery fortress, king's prison, and royal summer residence is located near Newport in the heart of the island. Not-to-be-missed attractions at this medieval stunner include King Charles I's bowling green and the lovely Princess Beatrice Garden.

Alum Bay

Cherished for its multi-coloured sands and stunning views across the Solent, Alum Bay delights with crystal-clear waters that are perfect for swimming and paddling. Don't leave without buying a souvenir filled with this world-famous sand that comes in 21 shades.

Isle of Wight Steam Railway

Following a five-mile countryside route Smallbrook Junction to Wootton, this lovingly restored vintage steam train is an award-winning attraction. Hop off at the rural stations and learn about 150 years of railways history at the Train Story Discovery Centre.

Blackgang Chine

Perfect for those with children in tow, this family-run fantasy theme park dating back to 1843 is the oldest in the UK. Highlights include life-sized pirate ships, fairy castles, an underwater kingdom, and a cowboy town where kids can choose to be a outlaw or sheriff.

Ventnor Botanic Gardens

A 30-minute drive away, this botanical wonderland is home to around 6000 species of rare and exotic plants and trees in 22 acres. The warm climate attracts some amazing wildlife, including wall lizards, slow worms, and even Iberian ants.

Bembridge Windmill

Built in the early 1700s and closed in 1913, the last surviving windmill on the island was famously featured in a 1795 watercolour by JMW Turner. This much-loved local landmark was donated to the National Trust in 1961 still has most of its original machinery intact.
