In the event of a fire a very loud continuous alarm sounds and emergency lighting comes on. We have portable Deaf guard fire alarm system for those who are hard of hearing. This consists of a vibrating pad to go under the pillow and a bright strobe light. The Deaf guard is triggered when main alarm is activated.
- In the case of evacuation there are fire exits in every function room, bar and restaurant as well as the main front entrance. On the first, second and third floors there are fire exits at either end of the corridors which open to an emergency fire escape stairwell.
- Please advise reception on check in if you think you would require assistance in the event of an emergency. Door hangers are available in the rooms which can be used to indicate a need for assistance. Fire extinguishers are found throughout the building, as are fire call points. ### **Ironbridge Gorge**

A little further afield, about 45 minutes' drive from Church Stretton, are the many excellent museums of Ironbridge Gorge.
