Ilam

Distance: 4 miles (6.5km)

Ascent: 400ft (120m)

We'll walk from the house around the iconic Thorpe Cloud, then cross the bridge over the River Dove towards the village of Ilam. We'll return by the river on Manifold Way and climb back to Thorpe on an old coaching track now known as the Limestone Way.

What your kids will love: Roaming the grounds of Ilam Hall and discovering the picturesque village of Ilam with its alpine-style cottages.

Day 3 Character Building

The second workshop of the week focuses on building characters. Again, there'll be time for one-to-one sessions, but the afternoon and evening are yours to use as you choose. Write, explore, chat with your fellow guests, or simply relax.

Day 4 Free Day

The day has been left free for you to relax or explore the local area.

Day 5 Crafting a Story

This morning's workshop is dedicated to carefully crafting the plot and structure. The afternoon offers another opportunity to enjoy a guided walk in the inspirational landscapes of the Cotswolds. In the evening, join your writing tutor for another reading from their works.

Tissington Circular

Distance: 4½ miles (7km)

Ascent: 400 feet (120m)

In summary: We walk to Tissington on grassland, through the gates and along the tree lined Avenue. After time to look round the village the walk returns on the Tissington Trail (former London and North Western railway) to the site of Thorpe station

Highlight: The charming estate village of Tissington, home of the FitzHerbert family for over 500 years.

Day 6 Setting

Today we turn our attention to the settings that your characters call home and the world your readers temporarily occupy. Free time is provided in the afternoon so you can further develop your writing or explore the local area independently using the easy-to-follow maps, routes, and information available in our Discovery Point. After dinner, the evening is relaxed and open for you to partake in any house activities or take a well-earned break from the creative process over a drink.

Day 7 Dialogue

Our final workshop focuses on the dialogue and interactions present in your writing and builds on everything we have discussed so far. In the afternoon, you'll have the option of a short, guided walk from the house with your HF Holidays Leader. On our final evening together, there's the opportunity for you to share a short snippet from your own writing with the group. Guests are asked to keep their readings to approximately 500 words to ensure everyone gets an opportunity.

Dovedale and Lover's Leap

Distance: 3 miles (5km)

Ascent: 450 feet (140m)

Enjoy views of Thorpe Cloud as we walk down Lindale to the famous Dovedale stepping stones. We'll follow the beautiful River Dove to fossil-covered steps that lead up to Lover's Leap before returning by reversing the route.

Day 8 Departure Day

Enjoy a leisurely breakfast before making your way home.

Daily Walk Options

Easier Walks

Walk at a relaxed pace, often spending time at places of interest en-route. Walking experience isn't necessary as distances are quite short and gradients generally easy.

About your stay

A warm welcome

We want you to feel comfortable from the moment you arrive. You'll find a welcome pack in your room with guest registration forms, menus, order forms for dinners and picnic lunches, the Wi-Fi password, and the front door code. Our houses are locked at night, so we recommend noting the Duty Manager's number on arrival in case of an emergency (or getting locked out).

Evening entertainment

While evening entertainment varies from house to house, HF Holidays Inter-House Quiz night held after dinner on Wednesdays is a weekly staple. Your HF Holidays leader may be around for tips on guided and self-guided walking routes as well as visit-worthy local attractions.

Walks talks

Our HF Holidays walk leaders host guided walking information briefings before dinner on guided walking holiday arrival days. This is followed by a group Walks Talk for information on the following day's guided walks (held before dinner every evening). Self-guided walking guests are, of course, welcome.

The walking day

Prior to setting off on guided walks, your HF Holidays Leader will run you through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure you have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.

Local Area

Whether you're enjoying a guided or self-guided walking holiday, there's always the opportunity to linger for longer. Here's our pick of the very best things to see and do within easy travelling distance of The Peveril of the Peak.

Dovedale

Less than a mile away, the limestone valley of Dovedale steals the limelight as one of the best-loved – and most visited – beauty spots in the Peak District National Park. Don't miss the famous stepping stones located about half a mile from the car park.

Ashbourne

Approximately three miles away, this market town charms with cobbled streets, interesting Tudor and Georgian buildings, lovely shops and cafés, and the spectacular St. Oswald's Church – one of Derbyshire's loveliest famed for its 212-foot spire.

Chatsworth House

Home of the Duke and Duchess of Devonshire, this magnificent 17th century mansion is set in over 1,000 acres of stunning parkland and formal gardens. Inside, there's over 30 rooms to explore, including the State Rooms, Sculpture Gallery, and Painted Hall.

Crich Tramway Village

Just a 45-minute drive away, this recreated Edwardian-style village and home to the National Tramway Museum is located near the village of Crich. Highlights include the woodland walk, sculpture trail, and collection of over 60 trams built between 1873 and 1982.

Buxton

As England's highest market spa town at 1,000 feet above sea level, there's more to this place than water. Must-see sights include the Devonshire Dome building, the Edwardian Opera House, and Poole's Cavern – a two-million-year-old natural limestone cave.

Castleton

Located at the head of the Hope Valley in the heart of the Peak District National Park, this beautiful village is as famous for its semi-precious stone, Blue John, as for its show cave superstars: Peak Cavern, Blue John Cavern, Speedwell Cavern, and Treak Cliff Cavern.

Bakewell

There's more to this market town on the banks of the River Wye than jam-filled pastry. The best attractions include the honey-coloured stone houses, specialist markets, Lovelock Bridge, and the famous summer carnival reputed as the biggest in Derbyshire.

Alton Towers

Just a 25-minute drive away, this Staffordshire theme park is perfect for those with adventurous and excitable kids in tow. Thrillseekers can enjoy over 40 rides (including 10 rollercoasters) as well as a water park. There's entertainment for younger children, too.

Cromford Mills

Part of the UNESCO-listed Derwent Valley Mills, the world's first water-powered cotton spinning mill developed by Richard Arkwright in 1771 is known as the birthplace of the modern factory system. The mill museum and visitor centre are both visit-worthy.

Haddon Hall

Overlooking the River Wye, this fairytale-like manor house with its fortified exterior dates from the 12th century. Every part of the property is steeped in history, but the banqueting hall, chapel, and kitchens are particularly worth exploring.
