LOCAL AREA

Whether you're enjoying a guided or self-guided walking holiday, there's always the opportunity to linger for longer. Here's our pick of the very best things to see and do within easy travelling distance of Freshwater Bay House.

Freshwater Bay

Just a skip away from Freshwater Bay House, this semi-circular namesake bay surrounded by gleaming white cliffs is a magical spot for rock pooling, watersports, swimming, boating, walking, and more. While mostly pebbles, there are some sandy parts on its eastern side.

The Needles

Named for their pointy shape, this iconic trio of brilliant white chalk rocks are located on the island's western tip. They lead out to what is easily Britain's most photographed lighthouse – a red-and-white-striped tower built in 1859 on the outermost of the chalk rocks.

Yarmouth

An hour's walk away, this historic seaside town is set at the mouth of the River Yar. The highlight is the 16th century Yarmouth Castle – one of Henry VIII's most sophisticated coastal fortresses built to guard the western entrance to the Solent.

Osborne House

Just a 40-minute drive away, this former royal retreat was purchased by Queen Victoria and Prince Albert in 1845 and used to escape court life. Now managed by English Heritage, it charms with glorious gardens and rooms filled with original furniture and works of art.

Carisbrooke Castle

What was once an artillery fortress, king's prison, and royal summer residence is located near Newport in the heart of the island. Not-to-be-missed attractions at this medieval stunner include King Charles I's bowling green and the lovely Princess Beatrice Garden.

Alum Bay

Cherished for its multi-coloured sands and stunning views across the Solent, Alum Bay delights with crystal-clear waters that are perfect for swimming and paddling. Don't leave without buying a souvenir filled with this world-famous sand that comes in 21 shades.

Isle Of Wight Steam Railway

Following a five-mile countryside route Smallbrook Junction to Wootton, this lovingly restored vintage steam train is an award-winning attraction. Hop off at the rural stations and learn about 150 years of railways history at the Train Story Discovery Centre.

Blackgang Chine

Perfect for those with children in tow, this family-run fantasy theme park dating back to 1843 is the oldest in the UK. Highlights include life-sized pirate ships, fairy castles, an underwater kingdom, and a cowboy town where kids can choose to be an outlaw or sheriff.

Ventnor Botanic Gardens

A 30-minute drive away, this botanical wonderland is home to around 6000 species of rare and exotic plants and trees in 22 acres. The warm climate attracts some amazing wildlife, including wall lizards, slow worms, and even Iberian ants.

Bembridge Windmill

Built in the early 1700s and closed in 1913, the last surviving windmill on the island was famously featured in a 1795 watercolour by JMW Turner. This much-loved local landmark was donated to the National Trust in 1961 still has most of its original machinery intact.
