## Local Area

Whether you're enjoying a guided or self-guided walking holiday, there's always the opportunity to linger for longer. Here's our pick of the very best things to see and do within easy travelling distance of Larpool Hall.

### Whitby

Just a 1.5 mile downhill walk away, the former fishing town of Whitby is best known for its fish and chips, quaint harbour, and Dracula connections (Irish author Bram Stoker drew his inspiration for his Gothic novel when holidaying here in 1890).

### Whitby Abbey

As one of the most atmospheric attractions along the Yorkshire coastline, this looming clifftop landmark was founded by the Saxon King of Northumbria in AD657. It can be reached by climbing the famous 199 steps and it's well worth the effort for the views.

### Whitby Harbour West Lighthouse

Of the two lighthouses at the mouth of the River Esk, this taller of the towers was built in 1831. Open to the public during the summer and warmer months only, there's 81 steps leading all the way up to the lantern room. A small entrance fee applies.

### Whitby Whalebone Arch

As a nod to Whitby's whaling industry heritage in the 18th and 19th centuries, a huge whale bone arch was erected on West Cliff in 1853. Nowadays, it's an irresistible photo opportunity although this version is not the original and dates from 1963.

### Staites

Only a 20-minute drive away, this pretty fishing village was the home of Royal Navy captain and explorer, Captain James Cook. Must-dos include exploring the cobbled streets, spending time at Staites Gallery, and taking a stroll down to the scenic harbour.

### North Yorkshire Moors Railway

Running for 24 miles from Pickering to Whitby, this scenic route takes just under two hours. The historic stations are well worth a visit, especially Goathland which was transformed into Hogsmeade Station in Harry Potter and the Philosopher's Stone.

### Scarborough & Stephen Joseph Theatre

As Britain's very first theatre in the round, this iconic performance space was established by stage director Stephen Joseph in 1955 and moved to its current home in 1976. The building has two auditoria: the 404-seater Round and the 165-seater McCarthy.

---

## Rydale Folk Museum

This open-air museum is set in over six acres in Hutton le Hole – a pretty village just under an hour's drive away. There's approximately 40,000 objects on display in over 20 rescued and restored buildings, all of which relate to historic North Yorkshire life.

## Castle Howard

Probably best known as the location for the TV series *Brideshead Revisited*, building on this grand stately home started in 1699 and took 100 years to complete. Highlights include the year-round exhibitions and the sumptuous gardens with ponds and fountains.

## York

A 90-minute drive away, this historic walled city is most famous for its York Minster, National Railway Museum, Jorvik Viking Centre, and York Dungeon. Don't miss the Yorkshire Museum & Gardens for some of Europe's finest archaeological and geological finds.

## Safety on your holiday

### Walking safety
