ACCOMMODATION

The Peveril Of The Peak

The Peveril of the Peak, named after Sir Walter Scott's novel, stands proudly in the Peak District countryside, close to the village of Thorpe. Backed by the cone of Thorpe Cloud, which guards the entrance to Dovedale Gorge and the famous stepping stones at the entrance to the gorge, it's an ideal base for people hoping to explore the Derbyshire countryside. Surrounded by extensive grounds and rolling countryside, it's a picturesque retreat with 46 rooms, large shared spaces and a pleasant bar. Stride out from the house to find Dovedale's wooded ravine, cave-like Dove Holes and of course stepping stones. Upstream lie the heights nicknamed the Dovedale Castle and the Twelve Apostles, best viewed from the grassy spur called Lovers' Leap. While the Peak bit of the area name refers to small English hills rather than great summits, there's superb walking to be had on the Roaches and the gritstone escarpment of Stanage Edge, while Chatsworth, Tissington and Bakewell make attractive places to explore too.

Important Covid-19 Steps We Have Taken For Guest Safety: Please Read

We are continuing to take extra steps to keep our guests leaders, and staff safe in our HF country houses. We ask all our guests to respect the measures put in place.

The English, Scottish and Welsh governments are not in sync, so measures in our country houses will vary between the nations. With the relaxation of social distancing in England, from 19 July we will be allowing larger groups to dine and relax in the bar together. However, we will still give guests space e.g. we will seat 6 people at a table where pre-pandemic we may have seated 8. We will ensure our public rooms are well ventilated by opening doors and windows wherever possible. If you have any concerns about distancing, please speak to the House Manager. The government recommendation for England is to wear face coverings in crowded areas. You must wear a face covering by law in public areas in hotels in Scotland. This is mandatory in public spaces; however, face coverings will not be required whilst eating and drinking in the restaurant and bar areas or whilst you are outside our houses. In Wales face coverings will remain a legal requirement indoors, with the exception of hospitality premises.

As a temporary measure, we will not be servicing rooms during a stay. Extra tea, coffee, milk, and toiletries will be made available on request for all guests. It is recommended that guests bring their own toiletries for the duration of their stay. We will though be increasing the frequency of cleaning in our public areas providing particular attention to frequently touched items including door handles and handrails.

Menus for the week will be available in your room on arrival. A self-service breakfast will be served from 7.45am – 9am. Picnic lunches will now be pre-ordered the night before from an order form in the room. Evening meals will be table service. A dinner order form will be available in each room for completion. Dinner is served at either 7.15pm or 7.30pm. Please check at the house for details. The bar will be open. We will be offering a table service but guests can also come to the bar to order (depending on local restrictions).

Join our team after dinner on Wednesday evenings for the HF Big Pub Quiz. There will be one other evening of entertainment at the start of the week, which will vary depending on the country house that you are staying at. Our Walk Leaders will also be on hand in the bar or lounge for individual or small group walks talks briefings, which allow guests to talk through the following day's walk options and ask any questions. Swimming pools will be operated in line with maximum capacities.

For more information and to see all the steps taken, [visit our page on how house stays will be adapted](#).
