About your stay

A warm welcome

We want you to feel comfortable from the moment you arrive. You'll find a welcome pack in your room with guest registration forms, menus, order forms for dinners and picnic lunches, the Wi-Fi password, and the front door code. Our houses are locked at night, so we recommend noting the Duty Manager's number on arrival in case of an emergency (or getting locked out).

Evening entertainment

While evening entertainment varies from house to house, HF Holidays Inter-House Quiz night held after dinner on Wednesdays is a weekly staple. Your HF Holidays leader may be around for tips on guided and self-guided walking routes as well as visit-worthy local attractions.

Walks talks

Our HF Holidays walk leaders host guided walking information briefings before dinner on guided walking holiday arrival days. This is followed by a group Walks Talk for information on the following day's guided walks (held before dinner every evening). Self-guided walking guests are, of course, welcome.

The walking day

Prior to setting off on guided walks, your HF Holidays Leader will run you through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure you have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.

Local Area

Whether you're enjoying a guided or self-guided walking holiday, there's always the opportunity to linger for longer. Here's our pick of the very best things to see and do within easy travelling distance of The Peveril of the Peak.

Dovedale

Less than a mile away, the limestone valley of Dovedale steals the limelight as one of the best-loved – and most visited – beauty spots in the Peak District National Park. Don't miss the famous stepping stones located about half a mile from the car park.

Ashbourne

Approximately three miles away, this market town charms with cobbled streets, interesting Tudor and Georgian buildings, lovely shops and cafés, and the spectacular St. Oswald's Church – one of Derbyshire's loveliest famed for its 212-foot spire.

Chatsworth House

Home of the Duke and Duchess of Devonshire, this magnificent 17th century mansion is set in over 1,000 acres of stunning parkland and formal gardens. Inside, there's over 30 rooms to explore, including the State Rooms, Sculpture Gallery, and Painted Hall.

Crich Tramway Village

Just a 45-minute drive away, this recreated Edwardian-style village and home to the National Tramway Museum is located near the village of Crich. Highlights include the woodland walk, sculpture trail, and collection of over 60 trams built between 1873 and 1982.

Buxton

As England's highest market spa town at 1,000 feet above sea level, there's more to this place than water. Must-see sights include the Devonshire Dome building, the Edwardian Opera House, and Poole's Cavern – a two-million-year-old natural limestone cave.

Castleton

Located at the head of the Hope Valley in the heart of the Peak District National Park, this beautiful village is as famous for its semi-precious stone, Blue John, as for its show cave superstars: Peak Cavern, Blue John Cavern, Speedwell Cavern, and Treak Cliff Cavern.

Bakewell

There's more to this market town on the banks of the River Wye than jam-filled pastry. The best attractions include the honey-coloured stone houses, specialist markets, Lovelock Bridge, and the famous summer carnival reputed as the biggest in Derbyshire.

Alton Towers

Just a 25-minute drive away, this Staffordshire theme park is perfect for those with adventurous and excitable kids in tow. Thrillseekers can enjoy over 40 rides (including 10 rollercoasters) as well as a water park. There's entertainment for younger children, too.

Cromford Mills

Part of the UNESCO-listed Derwent Valley Mills, the world's first water-powered cotton spinning mill developed by Richard Arkwright in 1771 is known as the birthplace of the modern factory system. The mill museum and visitor centre are both visit-worthy.

Haddon Hall

Overlooking the River Wye, this fairytale-like manor house with its fortified exterior dates from the 12th century. Every part of the property is steeped in history, but the banqueting hall, chapel, and kitchens are particularly worth exploring.
