ITINERARY - ITINERARY 2026

Day 1 **Arrival Day**

Check-in at the hotel is available from 16:00. If you are a member you can arrive at the house from 14:00. Enjoy a complimentary cream tea at 16:30 and meet other guests.

Day 2 **West Dean to the Weald & Downland Living Museum**

Distance: 4.25 miles (6.75 km)

Total ascent: 575 feet (175m)

Today's walk begins at West Dean Gardens and takes the Monarch's Way gently uphill around West Dean Park's wooded perimeter. We then make our way over St Roche's Hill passing the Trundle – an Iron Age hill fort – enjoying wonderful views of the coast to the south and rising downland to the north. From here we walk downhill through fields to reach the village of Singleton and the opportunity to spend time exploring the extensive Weald and Downland Living Museum.

Day 3 **Amberley Village and Parham House**

Distance: 4 miles (6km)

Total ascent: 650 feet (200m)

We start our walk in the picturesque village of Amberley, with its village pottery and castle (now a hotel). We then head up onto the Downs, to Rackham Hill, for superb views all round. The ascent out of Amberley, and the descent down from Rackham Hill is steep, but we take it slowly. Any extra effort on this walk is more than rewarded by the superb far-reaching views which greet us; views over the Arun Valley one side and over Littlehampton to the English Channel on the other. Our walk then takes us on to the beautiful Elizabethan Parham House & Gardens (also visible from the top of Rackham Hill), leaving us plenty of time to explore. The house is surrounded by a large deer park which is home to around 350 fallow deer.

Day 4 Free Day - South Downs

Discover more about Abingworth Hall and the local area for ideas on how to make the most of your free day.

Day 5 Arundel and the Park

Distance: 3 miles (4.5km)

Total ascent: 330 feet (100m)

A day spent in and around Arundel with a chance to visit the spectacular Arundel Castle, home of the Dukes of Norfolk for nearly 1,000 years. We start by visiting the cathedral as we make our way to Arundel Park. We have a leisurely walk through the beautiful park passing Swanbourne Lake and the Wetlands Centre on a circular loop that takes us back into the town. We've left plenty of time for a visit to the castle with its exquisite collections of furniture, tapestries and paintings, and its wonderful gardens, or the chance to explore the shops and tea rooms.

Day 6 Bosham and Fishbourne Roman Palace

Distance: 4½ miles (7km)

Total ascent: minimal

We begin with a walk taking us to the picturesque winding streets and quaint cottages of the pretty harbour village of Bosham, a honeypot for arts and crafts shops. Leaving Bosham our walk takes us across fields to the Fishbourne Channel estuary of Chichester Harbour. Following the estuary inland we reach Fishbourne and the impressive Roman Palace, with its museum and gardens. There's time to discover the reconstructed Roman gardens and probably the best collection of Roman mosaics in the country, plus there's a good tea shop too!

Day 7 Halfway Bridge, Petworth Park and Petworth House

Distance: 4 miles (6.5km)

Total ascent: 450 feet (140m)

We begin our walk near the village of Lodsworth, taking us through rolling countryside to Upperton, where we enter Petworth Park. Created by Capability Brown, we take one of the various routes through this beautiful park, looking out for fallow deer as we make our way to magnificent Petworth House.

Day 8 Departure Day

Enjoy a leisurely breakfast before making your way home.

DAILY WALK OPTIONS

Gentle walking grade 3

Slightly longer walks, mostly on well-trodden paths, with some gentle gradients plus stiles and steps possible. Typically, 5-6 miles (8-10km) with around 650ft (200m) of ascent.

ACCOMMODATION

Abingworth Hall, Thakeham

Country living just got cosier at this former farmhouse. Abingworth Hall is just a skip away from the village of Thakeham at the foot of the South Downs – a landscape of ancient woodland, hidden valleys, chalky cliffs, and high-backed hills so deserving of its national park status finally bestowed in 2010. While the views from the doorstep are as wow-worthy as you'd expect, the walking opportunities around the sightseeing greats such as Devil's Dyke, Seven Sisters Country Park, Kingley Vale, Parham House, and the Clayton Windmills (known locally as Jack and Jill) are equally standout. You'll also be within easy driving distance of several historic towns and cities, most fabulously Arundel, Chichester, and Brighton.

Then & now

Some 800 years of history are encapsulated within Abingworth Hall's walls. Parish records reference Roger of Abingworth in 1231, but this was very much a working farm until the 19th century (the 1861 census citied farmer Edward Upperland as the owner of 'Abingworth Place'). Later converted into a three-storey residence complete with an ornamental lake, it was advertised in 1905 as 'a residential estate with pleasure grounds, agricultural buildings, dwelling house, eight cottages, fertile meadow, arable lands, orchards, and market gardens'. Following a fire, the house was completely rebuilt in 1910 by new owner, Charles Stanley Peach – an architect most famous for designing the Centre Court stadium at Wimbledon in 1921. In 1913, ownership transferred to Sir Oswald Ernald Mosley, grandfather of notorious fascist Oswald Mosley, and later to Captain Frank Elliot Stobart whose wife, Faith, landscaped the gardens that remain today. In 1945, the estate was purchased by mushroom-growers AG Lingfield and the house renamed Abingworth Hall. It has been part of our HF Holidays line-up since 1994.

Nowadays, there's 27 well-appointed guest rooms in two categories (Classic and Premium), a dining room for a range of dishes made with fresh and seasonal ingredients, and three comfortable lounges – the largest of which opens onto an attractive conservatory and a licensed bar. There's also a ballroom, books and games to borrow during your stay, a handy boot and drying room, and a Discovery Point offering a wide range of local area maps, route guides, and easy-to-follow information for self-guided walks. Elsewhere, there's eight acres of lovely gardens and an outdoor heated pool (open from May to September*).

Helping you enjoy the Great Outdoors - A natural focus on walks

Walks talks and Discovery Points
Our founder, country pastor turned social innovator, Thomas Arthur Leonard, was passionate about encouraging people to explore the countryside. His legacy continues in HF's continued focus on walking. Many guests choose to travel with us on guided or self-guided walking holidays, and as such, evenings at our houses are often busy with walk leaders hosting various briefings and talks. On guided walking holiday arrival days, there are walking information briefings before dinner, and for the duration of any guided walking holiday there will be a Walks Talk before (or on occasion after dinner), to go through the following day's walk options. Self-guided walking guests, and those on special interest holidays (where there is free time to explore independently), are of course welcome to also join in these Walks Talks - please talk to the team locally if you have any queries. Our Discovery Points are filled with handy maps and route notes, designed to ensure everyone, not just those booked on a guided walking holiday, can enjoy the beautiful countryside settings that our HF houses enjoy.

The walking day
Prior to setting off on guided walks, our HF Holidays Leaders run through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure walkers have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.
