ACCOMMODATION

Dolserau Hall

We're delighted to share that Dolserau Hall has now reopened following a significant investment in this much-loved

Welsh HF Country House. With beautifully updated social spaces, refreshed bedrooms, and thoughtful enhancements throughout, it's the perfect moment to rediscover this special spot in southern Eryri (Snowdonia). Read more. Dolserau Hall enjoys arresting countryside views at this Victorian manor house at the southern end of Snowdonia (Eryri) National Park. The location is idyllic; think ancient woods and craggy uplands in all directions (parts of the park served as the inspiration for Middle Earth in JRR Tolkien's The Lord of the Rings). There's no shortage of things to do, either, including following the Mawddach Trail along the edge of the Mawddach Estuary, discovering the compact range of hills known as the Rhinogs, and climbing the rugged foothills of Cader Idris – the highest mountain in southern Snowdonia (Eryri) at 893 metres. You'll also be close to Dolgellau, the small market town best known for its once flourishing woollen industry (ruins of the Pandy fulling mills used to remove fats and grease from the wool cloth can still be seen along the Afon Aran River). With only 21 rooms, it's one of HF Holidays' smaller country houses and 40% of it's rooms are reserved for singles, making it easier than ever to have your own space.

Then & now

It was at Dolserau Hall (meaning 'meadow of the stars') where Robert Owen lived with this wife Jane before boarding the Vine – the ship carrying Welsh Quakers from Merionethshire to Pennsylvania in 1684. While the house remained in the family thereafter, it was destroyed by a fire and subsequently rebuilt. No remains of the old house are visible, but the foundations were uncovered during an excavation at a nearby mill site a few years ago. The present Dolserau Hall was built in 1863 for Charles Edwards, a Justice of the Peace who was MP for Windsor and later High Sherriff of Meirionnydd. His design brief was one of Victorian glamour, resulting in the porticoed entrance, large galleried hall, impressive staircase, and stained glass windows with coats of arms. The house was used as a private residence for various occupants over the years, including Sir Eric Ommanney Skaife, brigadier and patron of Welsh culture, who lived here during the 1940s. It opened as a hotel in 1972 and has been part of our HF Holidays line-up since 2011.

Today, Dolserau Hall has benefited from a light refresh of the communal areas and has 21 well-appointed guest rooms in two categories (Classic and Premium) spread across the main house and the converted coach house. You'll also find a comfortable main lounge, a licensed bar, a dining room for a wide range of dishes made with fresh and seasonal ingredients, and a smaller room that's perfect for light lunches, snacks, and evening activities. Elsewhere, there's a handy boot and drying room, books and games to borrow during your stay, and a Discovery Point offering a wide range of local area maps, route guides, and easy-to-follow information for self-guided walks. Also worthy of your attention are the five acres of gardens and grounds offering views across to the valley to the summit of Cadair Idris.

Check-In & Check-Out

You are welcome to check in from 4pm at the earliest. HF Members can check in earlier, from 2pm. On arrival, you'll enjoy a complimentary cream tea and get to meet your fellow guests, our HF Holidays Leaders, and the rest of the friendly team. Check out 10am.

ABOUT YOUR STAY

A warm welcome
We want you to feel comfortable from the moment you arrive. You'll find a welcome pack in your room with guest registration forms, menus, order forms for dinners and picnic lunches, the Wi-Fi password, and the front door code. Our houses are locked at night, so we recommend noting the Duty Manager's number on arrival in case of an emergency (or getting locked out).

Evening entertainment

While evening entertainment varies from house to house, HF Holidays Inter-House Quiz night held after dinner on Wednesdays is a weekly staple. Your HF Holidays leader may be around for tips on guided and self-guided waking routes as well as visit-worthy local attractions.

Helping you enjoy the Great Outdoors - A natural focus on walks

Walks talks and Discovery Points
Our founder, country pastor turned social innovator, Thomas Arthur Leonard, was passionate about encouraging people to explore the countryside. His legacy continues in HF's continued focus on walking. Many guests choose to travel with us on guided or self-guided walking holidays, and as such, evenings at our houses are often busy with walk leaders hosting various briefings and talks. On guided walking holiday arrival days, there are walking information briefings before dinner, and for the duration of any guided walking holiday there will be a Walks Talk before (or on occasion after dinner), to go through the following day's walk options. Self-guided walking guests, and those on special interest holidays (where there is free time to explore independently), are of course welcome to also join in these Walks Talks - please talk to the team locally if you have any queries. Our Discovery Points are filled with handy maps and route notes, designed to ensure everyone, not just those booked on a guided walking holiday, can enjoy the beautiful countryside settings that our HF houses enjoy.

The walking day
Prior to setting off on guided walks, our HF Holidays Leaders run through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure walkers have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.
