ITINERARY

Day 1: Arrival Day

On arrival, meet your local leader and transfer from Málaga airport to Grazales and our hotel. The rest of the day is then at leisure, giving you a chance to relax before our welcome dinner this evening.

Day 2: Natural Park Of Sierra De Grazales & A Taste Of Andalucía

We travel by coach to the nearby village of Benamahoma. From here we begin our first walk of the day along the Río Majaceite and through a landscape of waterfalls and typical riverside vegetation to the town of El Bosque.

Here, we'll visit two local food producers: a flour mill which makes bread in the traditional manner, and a producer of artisanal cheeses, for which the Grazales region is well known. We'll enjoy lunch here, sampling these local delights. Distance: 3 miles (5 km) with negligible ascent.

This afternoon, we continue walking and follow a more challenging circular loop trail through the valley, called Llanos del Endrinal. There is then some time to enjoy a stroll around the pretty town of Grazales before we return to the hotel. Distance: 1½ miles (2½km) with 750 feet (230m) of ascent.

Day 3: Seville

Today we'll enjoy a full day excursion to Seville. Enroute, there'll be a stop in the mountain town of Zahara de la Sierra.

Our guided walk in Seville will trace the connections between Spain and its former colonies in the Americas via the 1929 Iberoamerican Expo, and the legacy of its singular architecture. We'll conclude our morning exploration at the Hotel Alfonso XIII, where you can buy a drink if you wish, before enjoying free time for lunch.

In the afternoon, we'll experience Seville from upon high. We'll walk through the commercial centre of the city with a local guide, who'll then show us the city as seen from atop two of its landmark buildings: the Giralda spire of the 14th century cathedral and the walkways of the avant-garde 21st century Metropol Parasol building, known locally as 'Las Setas' ('the mushrooms').

We'll round off our visit to this stunning city with a tapas dinner before we return by coach to our hotel.

Day 4: Ronda

We depart for Ronda and the Guadiaro River valley. Our first walk traces a section of the long-distance path GR-249 between the stations of Benaolán and Jimera de Líbar, from where we'll take the train to Ronda along one of Spain's most scenic railway lines. Distance: 5 miles (8km) with negligible ascent.

We'll explore the enchanting town of Ronda, passing its most distinctive monuments, such as the 18th century bull ring and 'New Bridge'. Enjoy free time to explore further and have lunch before we reconvene for our afternoon walk.

Descending from the Old Town, we walk to the Guadalevín River valley and on through farmlands and vineyards to the winery, Bodegas Descalzos Viejos, set in a beautiful restored 16th century Trinitarian convent.

Here we'll learn the fascinating story behind the business from the owner and taste a selection of the wines. We return from here to the hotel, where any remaining time today is at leisure before dinner. Distance: 2 miles (3km) with 320 feet (100m) of descent.

Day 5: To Priego De Córdoba

As we travel from Grazalema to Priego de Córdoba, we'll stop at a unique and special place: the salt lagoon of Fuente de Piedra.

Here, guided by a botanist, we'll learn more about the large breeding colony of flamingos – a species of bird more commonly associated with Africa than mainland Europe. In this lovely landscape, there'll be time for you to enjoy your picnic lunch.

We continue our journey to our second hotel. This evening, we'll take a gentle guided stroll through the attractive and historic quarter of nearby Priego de Córdoba, 'La Villa', before we enjoy dinner in a local restaurant.

Day 6: Natural Park Sierra Subbética.

We travel to the town of Cabra, where we'll enjoy a short stroll through its streets and see the sword used by 'El Cid' in the battle of Cabra in 1079 between the Islamic states of Granada and Seville. We continue to the Natural Park of Sierra Subbética: here we'll walk from below a hermitage, which sits on a knoll overlooking the surrounding countryside, through varying landscapes to the captivating white village of Zuheros, stopping along the way to enjoy our picnic lunch. This walk is of medium difficulty, although our route is mostly a gradual descent. Distance: 7½ miles (12km) with negligible ascent.

There's some time in Zuheros to enjoy a drink before we return to the hotel, where you'll have time to relax and enjoy the hotel's facilities before dinner in the hotel this evening.

Day 7: Córdoba

Today we'll discover the history and character of the city of Córdoba on a walk through the historic centre with a local guide. From the palace of the Viana noble family to the San Basilio district, admire the floral patios

– an essential element of city life, and the focus of an annual Festival of Patios – as we explore the charm of this ancient city.

After time for lunch, our exploration of the city continues with an insight into the rich history of the Muslims and Jews who lived here in the medieval period, with guided visits to the Great Mosque and a small, intimate Synagogue – both monuments which evoke the city's fascinating and varied heritage.

We conclude our day with an insight into the region's 'liquid gold': extra virgin olive oil. In the world's largest area of olive production, we'll learn more from a resident of Zuheros, Antonio Zafra, on his one-hectare small holding, where he grows 12 different olive varieties. The activity is rounded off by a home-produced dinner in the village which makes use of the oil and olives from Antonio's trees, and is a wonderful and fun way to bring our Andalusian experience to a close.

Day 8: Departure Day

After breakfast we'll transfer by coach to Málaga International Airport for our return flight.

Essential Information

Passport Requirements

You may need to renew your British passport if you're travelling from 1 January 2021.

On the day you travel, you'll need your passport to both:

- have at least 6 months left
- be less than 10 years old (even if it has 6 months or more left)

Use the [government website](#) to see if your passport is valid for this holiday

EHIC Cards

The UK government has officially launched the Global Health Insurance Card (GHIC), which will replace the European Health Insurance Card (EHIC). UK residents can now apply for one of the GHIC cards, which will gradually replace the EHIC cards as they reach their expiry dates. Every family member travelling requires a GHIC. You can make an application for yourself and on behalf of your partner and any dependent children under the age of 16. Both cards will offer equivalent protection for emergency and medically necessary healthcare needs when in the EU on a temporary stay, which includes holiday, study and business travel. Necessary healthcare includes things like

- emergency treatment and visits to A&E
- treatment for long-term or pre-existing medical conditions
- routine medical care for pre-existing conditions that need monitoring
- oxygen and kidney dialysis

The public only need to apply for their free GHIC cards when their current EHIC expires. The process is likely to take two weeks. For more information visit <https://www.nhs.uk/using-the-nhs/healthcare-abroad/apply-for-a-free-uk-global-health-insurance-card-ghic/>.

The GHIC is not an alternative to travel insurance. We advise all holidaymakers to also invest in travel insurance that covers healthcare, so they are covered for other issues that may arise, as well as cancellations and lost luggage.

Essential Equipment

To enjoy walking/hiking comfortably and safely, footwear, clothing and equipment needs to be suitable for the conditions. Safety and comfort are our priorities, so our advice is to come prepared for all eventualities.

- Footwear with a good grip on the sole (e.g. Vibram sole) is the key to avoiding accidents.
- Walking/hiking boots providing ankle support and good grip are recommended (ideally worn in), and specialist walking socks to avoid blisters.
- Several layers of clothing, which can be added or removed, are better than a single layer (include spares).
- Fabrics (lightweight and fast drying) designed for the outdoors are recommended.
- Waterproof jacket and waterproof over trousers.
- Warm hat and gloves.
- Denim jeans and capes are not suitable on any walks.
- Rucksack with a waterproof liner.
- Thermos flask for hot drink.
- Water bottle (at least 2 litre).

Useful Information

Baggage Allowance

1 piece of checked-in luggage (max 23kg). Please check details of your airline's baggage allowance, as shown on your e-ticket. Remember to also check any connecting flights you may have booked.

Lost/Damaged Luggage

If your bag or its contents are damaged or lost while in the airline's care, this should be reported to the baggage service agents at the airport on arrival. They will assess the damage; in some cases, the airline may decide to settle your claim immediately.

You will be given a reference to quote to your insurance company if an immediate settlement is not possible - in many cases, baggage claims can only be accepted in writing. A baggage claim form must be obtained from the airport.

Once you have made your booking, you will receive a pre-holiday questionnaire where we ask for details of next of kin and insurance details. **You must complete and return this to us - we need to have this from you at least 10 weeks before travel.**

Please also inform us of any medical situation which may affect your enjoyment of the holiday. This is important because our leaders must consider both group and individual safety at all times.

Whilst out with the group, we respectfully request that you:

- Please listen to any safety instructions from the leader
- Keep group members in view, especially if weather or visibility is poor
- Please stay where you are if you become separated from the group. The leader will retrace their steps to find you.

Each leader carries a first aid kit but is not allowed to supply any medication including aspirin, paracetamol, antihistamines and antiseptic cream. You may wish to bring these items with you in your own kit (see Suggested Kit List).

In the unlikely event that your leader is incapacitated, please use any emergency kit in their rucksack and call emergency services on 112. Please then call our emergency number and let us know there is a problem
