## ITINERARY

### Day 1: To Banff

We arrive in Calgary, meet our local leader and transfer to our accommodation in Banff, our base for three days, where we'll enjoy walking amidst spectacular Rockies scenery. Our accommodation in this popular resort town is well situated for walks to the stunning Lake Minnewanka and in the Bow Valley Parkway for wildlife watching.

### Day 2 - 3: Banff

Our first day begins with a tour of the Cave and Basin National Historic site, birthplace of Canada's National Park system, followed by a group picnic. This afternoon we enjoy short walks around the Johnston Lake area and the old town site of Bankhead, a thriving coal mine community from the turn of the century. Walk possibilities: Johnston Lake – 2½ miles (4km) with minimal ascent; Bankhead – 1½ miles (2½km) with minimal ascent.

On our second day in Banff, we'll spend time exploring Banff on an historical town tour, including visits to local museums before we enjoy lunch, either alongside the Bow River or on top of Tunnel Mountain, depending on

your choice of walk. Our walk choices today include the Bow Falls and Tunnel Mountain via the Banff Center for the Arts. The Bow Falls is one of the most popular attractions in Banff and is a comfortable walk from the town and our accommodation. Tunnel Mountain is Banff's satellite peak, and a short one-hour walk to its summit provides a central vantage point for us to enjoy great views over the famous Fairmont Banff Springs hotel and the Bow Valley. Walk possibilities: Bow Falls – 2 miles (3km) round trip with no ascent; Tunnel Mountain – 3 miles (5km) with 800 feet (250m) of ascent.

#### **Day 4: Lake Louise**

One of Canada's UNESCO World Heritage sites, chosen for its unrivalled natural beauty, Lake Louise is the birthplace of mountain walking in North America. Here we'll experience classic walking on paths built by Swiss guides for turn of the century railway tourists. We also visit the world-famous Chateau Lake Louise, a gemstone in the original Canadian Railway hotel chain.

Walk possibilities: Eiffel Lake – 6 miles (10km) with 1,250 feet (370m) of ascent; Lake Agnes - 6 miles (9km) with 1,300 feet (400m) of ascent; Larch Valley (and Sentinel pass) – 5 to 6 miles (8 to 10km) with 1,400 feet (450m) of ascent (or option with 2,400 feet (740m) of ascent option); Big Beehive - 6 miles (10km) with 1,800 feet (550m) of ascent.

#### **Day 5: Kootenay National Park**

Kootenay National Park was created in 1920 and lies on the western side of the Continental Divide in British Columbia. Walk possibilities: Inkpots - 7 miles (11km) with 700 feet (210m) of ascent; Marble Canyon - 1 mile (1½km) with 200 feet (60m) of ascent; Stanley Glacier - 6 miles (9½km) with 1,200 feet (370m) of ascent.

#### **Day 6: Jasper National Park**

On our transfer to Jasper National Park we are greeted by numerous glaciated peaks, cascading waterfalls and impressive mountain vistas along the spectacular Icefields Parkway. Jasper National Park is part of a protected area of nearly 23,000km<sup>2</sup>, the Canadian Rocky Mountain Parks UNESCO World Heritage Site. During our stay here, we may spot black bear, grizzly bear, elk, moose, beaver, bighorn sheep, mountain goats, black tail deer, chipmunks and ground squirrels. En route to Jasper we'll enjoy a guided walk towards Wilcox Pass, overlooking the Columbia Icefield and Athabasca Glacier. With good weather we'll enjoy spectacular views of seven of the highest peaks in the Rockies from the flower-filled pass. For lower level walkers not wanting the elevation involved in the Wilcox Pass walk, enjoy a guided walk to Boundary Lake where you'll enjoy views of the original ascent route up the mountain. Walk possibilities: Wilcox Pass – 5 miles (8km) with 1,100 feet (335m) of ascent; Boundary Lake – 3 miles (5km) with 100 feet (30m) of ascent.

#### **Day 7 - 9: Edith Cavell And The Maligne Valley And Miette**

The Maligne Valley, its famous lake and the high alpine valley of Mount Edith Cavell will be our destinations for the first two days of our stay here. Walk possibilities: Path of the Glacier trail - 1 mile (1½km), with 100 feet (30m) of ascent; Edith Cavell Meadows - 5 miles (8km), with 1,250 feet (380m) of ascent; Valley of Five Lakes to Old Fort Point - 8 miles (13km) with 450 feet (140m) of ascent; Bald Hills - 7 miles (11km) with 1,600 feet (480m) of ascent, with the option to go further if suitable. The Whistling Marmot, which can be found on the mountains above the treeline, ptarmigan, ground squirrels and pika are all inhabitants of the area and are often seen too in the high country above Maligne Lake and Edith Cavell. The Miette region on the eastern edge of the park offers quiet times, human history and spectacular vistas of Jasper's Front Range peaks and valleys including the sand dunes of Jasper Lake. Walk possibilities include Pocahontas – 2 miles (4km) with no ascent; the Sulphur Skyline – 5 miles (8km) with 2300ft. (700m) of ascent and the Hot pools historical trail 2 miles (4 km) and 100ft. (30m.) of ascent.

#### **Day 10: Athabasca Valley**

The immediate Jasper area is also popular for classic linear walking through the aspen forests of the Athabasca valley. On our final day here, we'll enjoy excursions to Lake Country with walk choices around Jasper, including Pyramid Lake, Patricia Lake, Lake Annette and Lake Edith. Walk possibilities: Pyramid and

Patricia Lake circuit – 3 miles (5 km) with 100 feet (30m) of ascent; Lake Annette and Lake Edith circuit – 3 miles (5km) with no ascent.

## Day 11: Kananaskis Country

Today, we head south to the pristine wilderness of Kananaskis – or K-Country – one of the Rockies' hidden gems. We break up the journey with a visit to Canmore for a walk in the Bow Valley Provincial Park, visiting ancient aboriginal rock paintings and some beautiful tarns. World-class vistas of the Canadian Rockies southern Front Ranges abound en route to Kananaskis. Walk possibilities: Grassi Lakes – 2½ miles (4km) with 800 feet (250m) of ascent; Heart Creek - 1½ miles (2½km) with 300 feet (100m) of ascent; Hai Ling Peak - 2½ miles (4km) with 2,300 feet (700m) of ascent.

## Day 12 - 14: Kananaskis Provincial Park & Peter Lougheed Provincial Park

Quieter than its national park neighbours, Kananaskis Provincial Park affords us possible sightings of moose, grizzly bear, hoary marmots and Rocky Mountain bighorn sheep en route to trailheads. White tail deer and wapiti (elk) are often seen wandering through the lush aspen forest surrounding our accommodation. Harder hike options include the high and remote flower filled Burstall Pass, high above the treeline. Low-level options include a walk which takes the highest paved road in Canada to the summit of the Highwood pass to enjoy the lovely flower-filled Ptarmigan Cirque. Walk possibilities: Chester Lake - 6 miles (10km) with 1,050 feet (320m) of ascent; Burstall Pass - 9 miles (15km) with 1,550 feet (480m) of ascent; Ptarmigan Cirque - 3 miles (5km) with 750 feet (230m) of ascent; Mount Everest Expedition trail - 1 mile (1½km) with 300 feet (100m) of ascent; Elbow Lake – 3 to 5 miles (5 to 8km) with 400 feet (125m) of ascent.

## Day 15: Calgary

Our tour concludes with a visit to Calgary where we take a short city walk, leaving some free time before our journey home. Popular venues and locations to explore include the Glenbow Museum and the Eau Claire market. A visit to Calgary's Chinatown, one of the largest in North America, may also take your fancy. Alternatively, you may enjoy a visit to the Calgary Zoo. We'll then transfer to Calgary International airport for our return flight to the UK.

## USEFUL HOLIDAY INFORMATION

---

### Weather & Seasonality

The region experiences a humid continental climate with four distinct seasons. The summers are humid, and range from warm to hot. Cold fronts can bring crisp, windy weather in the early and later parts of summer.

We travel to Western Canada in the summer months, when you can expect hot and sunny days. With the continental climate, summers in Canada tend to be drier than Britain but in the mountains especially it is advisable to be prepared for changeable weather and some rain.

### Joining Instructions (With Flights)

On arrival, please proceed to the arrivals hall once you have passed through passport control, customs and baggage reclaim. Your HF Holidays leader or local leader will assemble the group in the arrivals hall - look out for the HF Holidays' sign.

### Joining Instructions (Without Flights)

If you are arriving ahead of the group, and are meeting them at the first hotel, please leave a message at the hotel reception for the HF Holidays' leader or local leader, detailing your room number, and a mobile telephone number if possible. The leader will contact you once the group arrives. If you are arriving after the group, a message will be left for you at the hotel reception, welcoming you and giving details of the time and place to meet the group. If your flight arrives before the group flight and you would like to join the transfer to the first hotel, please contact our Abroad Administration team on (0)20 8732 1261 to enquire about availability and make arrangements.

### Essential Information

#### Essential Equipment

To enjoy walking/hiking comfortably and safely, footwear, clothing and equipment needs to be suitable for the conditions. Safety is our priority, so our advice is to come prepared for all eventualities.

- Footwear with a good grip on the sole (e.g. Vibram sole) is the key to avoiding accidents.
- Walking/hiking boots providing ankle support and good grip are recommended (ideally worn in), and specialist walking socks to avoid blisters.
- Several layers of clothing, which can be added or removed, are better than a single layer (include spares).
- Fabrics (lightweight and fast drying) designed for the outdoors are recommended.
- Waterproof jacket and waterproof over trousers
- warm hat and gloves. Gaiters are an optional but useful extra.
- Denim jeans and capes are not suitable on any walks.
- Rucksack with a waterproof liner,
- Thermos flask for hot drink,
- Water bottle (at least 1 litre)
- Spare high-energy food such as a chocolate bar.
- Small torch

- Insect repellent,
- Sun hat,
- Sunglasses
- Sun cream
- Camera

## Safety On Your Holiday

Once you have made your booking, you will receive a pre-holiday questionnaire where we ask for details of next of kin and insurance details. You must complete and return this to us - we need to have this from you at least 10 weeks before travel.

Please also inform us of any medical situation which may affect your enjoyment of the holiday. This is important because our leaders have to consider both group and individual safety at all times.

Whilst out with the group, we respectfully request that you:

- Please listen to any safety instructions from the leader
- Keep group members in view, especially if weather or visibility is poor
- Please stay where you are if you become separated from the group. The leader will retrace their steps to find you.

Each leader carries a first aid kit but is not allowed to supply any medication including aspirin, paracetamol, antihistamines and antiseptic cream. You may wish to bring these items with you in your own kit (see Suggested Kit List).

In the unlikely event that your leader is incapacitated, please use any emergency kit in their rucksack and call emergency services on 911. Please then call our emergency number (sent to you in your final dispatch) and let us know there is a problem.
