ITINERARY

Day 1: Arrival Day

Arrive at the Hotel Delle Rose in Bonassola; unpack and settle in.

Day 2: Bonassola Villages

Today's walk takes you in a loop through the peaceful hillside above Bonassola. There are breathtaking views from the villages along the way, including Saltre de Lepre – try and spot Genoa and France from here. Montaretto is an excellent place to stop for lunch before entering into woods where you may see signs of wild boar! You will also pass San Giorgio, a perfectly-placed hamlet and one of the first to be founded in the area. There is the option of continuing to Scernio along a path which boasts open views of the sweeping bay below before returning to Bonassola.

Day 3: Antipasto, Pasta And A Charming Local Chapel

Today's cookery session focuses on the very first course of an Italian meal: antipasto. There will be an optional walk to break the day which will take you to the local chapel before returning to the cookery school for a session on pasta making, including top tips for creating the authentic Italian taste.

Day 4: Main Courses, Groppo, Wine Terraces & Tasting

This morning, your cookery session will give you the chance to get hands-on with some classic Ligurian meals. In the afternoon, you will take the train to the start point of a walk to the harbour in Manarola via the wine terraces. Following another of the area's mule paths up to Groppo, you'll meander through the charming olive groves to the finishing point where there'll be a glass or two of wine waiting!

Day 5: Free Day

Each week there is a day when no guided walks are offered. This is an ideal opportunity to relax around the hotel, walk independently or visit local places of interest. Some options for your free day include:

Cinque Terre villages: You may enjoy re-visiting some of the Cinque Terre villages that you have seen previously on the walks. Each village has its own railway station and the frequent trains mean that it is possible to visit all five villages in one day.

Genoa: The largest port in Italy, was designated European Capital of Culture in 2004. After a fairly lengthy train journey along the coast, you'll find a number of attractions including the cathedral, a magnificent street of palaces, opera house and museums, plus a regenerated dock area and a vast ornate cemetery with its very own bus network! Alternatively, you may just prefer to wander through the famous caruggi (narrow alleyways) in the old town.

Portofino: The chic resort of Portofino is approximately two thirds of the distance to Genoa. This is a picturesque town where you can admire the expensive yachts and Italy's rich and famous. You might also take a boat along the splendid coastline to Santa Margherita.

Day 6: Italian Desserts & Levanto

For those of you with a sweet tooth, today's your lucky day! This morning, you will have the chance to get familiar with some tasty Italian desserts before embarking on a walk to the historic town of Levanto. You can

enjoy an ice-cream break before taking advantage of some free time to explore in more depth. You may then choose to make your way back to the hotel independantly, or follow your Leader on another walk over the saddle to Bonassola.

Day 7: Corniglia, Vernazza & Monterosso

Today you begin with a train journey along the iconic Cinque Terre coastline to Corniglia. There will be time to explore this popular coastal village with superb sea views. If you're feeling energetic, you may want to take the 377 steps up to Corniglia but there is a shuttle bus for those who aren't! Your walk today follows the coastal path to charming village of Vernazza, complete with waterfront bars and colourful houses. From here you may choose to continue along the path to Monterosso and explore the town before returning to Bonassola on the train.

Day 8: Departure Day

Depart after a leisurely breakfast.

USEFUL HOLIDAY INFORMATION

Essential Information

Passport Requirements

You may need to renew your British passport if you're travelling from 1 January 2021.

On the day you travel, you'll need your passport to both:

- have at least 6 months left
- be less than 10 years old (even if it has 6 months or more left)

Use the [government website](#) to see if your passport is valid for this holiday

EHIC Cards

The UK government has officially launched the Global Health Insurance Card (GHIC), which will replace the European Health Insurance Card (EHIC). UK residents can now apply for one of the GHIC cards, which will gradually replace the EHIC cards as they reach their expiry dates. Every family member travelling requires a GHIC. You can make an application for yourself and on behalf of your partner and any dependent children under the age of 16. Both cards will offer equivalent protection for emergency and medically necessary healthcare needs when in the EU on a temporary stay, which includes holiday, study and business travel. Necessary healthcare includes things like

- emergency treatment and visits to A&E
- treatment for long-term or pre-existing medical conditions
- routine medical care for pre-existing conditions that need monitoring
- oxygen and kidney dialysis

The public only need to apply for their free GHIC cards when their current EHIC expires. The process is likely to take two weeks. For more information visit <https://www.nhs.uk/using-the-nhs/healthcare-abroad/apply-for-a-free-uk-global-health-insurance-card-ghic/>.

The GHIC is not an alternative to travel insurance. We advise all holidaymakers to also invest in travel insurance that covers healthcare, so they are covered for other issues that may arise, as well as cancellations and lost luggage.

Essential Equipment

To enjoy walking/hiking comfortably and safely, footwear, clothing and equipment needs to be suitable for the conditions. Safety and comfort are our priorities, so our advice is to come prepared for all eventualities.

- Footwear with a good grip on the sole (e.g. Vibram sole) is the key to avoiding accidents.
- Walking/hiking boots providing ankle support and good grip are recommended (ideally worn in), and specialist walking socks to avoid blisters.
- Several layers of clothing, which can be added or removed, are better than a single layer (include spares).
- Fabrics (lightweight and fast drying) designed for the outdoors are recommended.
- Waterproof jacket and waterproof over trousers.
- Warm hat and gloves.

- Denim jeans and capes are not suitable on any walks.
- Rucksack with a waterproof liner.
- Thermos flask for hot drink.
- Water bottle (at least 2 litre).
