WALKING GRADES AND OPTIONS

This Guided Walking/Hiking Trail is graded 3 which involves walks/hikes on well-defined paths, though often in hilly or upland areas, or along rugged footpaths. These may be rough and steep in sections and will require a good level of fitness as you will be walking every day. It is your responsibility to ensure you have the relevant fitness required to join this holiday.

Your fitness

We want you to be confident that you can meet the demands of each walking day and get the most out of your holiday. Please be sure you can manage the mileage and ascent detailed in the daily itineraries. It is important for your own enjoyment, and that of your fellow guests that you can maintain the pace.

It makes a lot of sense to spend time getting some additional exercise before your holiday. We suggest that you try to fit in a number of longer walks, including some on hilly terrain. Other exercises such as cycling, jogging and swimming are also excellent for developing increased stamina.

Leaving the urban environment, we walk through Darley Park and Darley Abbey

village, home of Evan's cotton mill settlement. Turf fields are crossed to pass through the pretty village of Breadsall en route to Little Eaton, once the terminus of various horse-drawn tramways that linked the coalfield to a spur of the Derby Canal. A climb to Holbrook before descending through Jedidiah Strutt's cotton mill village of Milford and an ascent of The Chevin (part of the ancient Portway route) and a descent to Belper. Good footpaths and lanes throughout.

Leaving Belper we pass the Wyver Lane Nature Reserve home to numerous wetland species of bird. Picking up a section of the Midshires Way we pass through Shining Cliff Woods and delightful Alderwasley Park. Continuing high above the Derwent Valley with views East to Crich Stand and ahead to Alport Heights. We pick up historic Intake Lane which was used to transport much of the material required to build the Mills at Cromford. From Bolehill we descend the Sheep Pasture Incline to High Peak Junction (Eastern Terminus of the amazing High Peak Railway). A final trek along The Cromford Canal takes us to Sir Richard Arkwright's Cotton Mills at Cromford (with the option of the village trail to explore).

Descending to pass through the historic spa town of Matlock, home to John Smedley's Hydro (now Derbyshire's County Hall). The Derwent Valley Heritage way is followed along the river before an ascent of Oaker Hill, the Peak District really begins to shine as we climb to the high plateau of Stanton Moor and its wealth of historical sites including numerous burial mounds and barrows. Quarrying and Lead Mining were the major industries here. Passing the Eagle Stone, a prominent local landmark, means the hard work of the day is done. Our route hugs the top of Curbar and Froggatt Edges with wide ranging views west towards the plateau of the White Peak. We'll look down on 'Colditz' and admire Chatsworth's Emperor Fountain from a distance as the full grandeur of the Peak district begins to unfold before descending into Grindleford.

12 miles (19 km) with 1650 feet (500m) of ascent.

We follow Burbage Brook heading for the skyline of Burbage Edge. Open moorland surrounds us as we head for Stanage Edge, used by Himalayan mountaineers for their training in the 1960s. We see evidence of ancient packhorse ways that used to cross this Pennine wilderness area – the call of the red grouse often the only sound hereabouts. The day's finish ascends Bamford Edge to Great Tor looking down on the spectacular Upper Derwent Valley and the famous Derwent Dams (training ground of 'The Dambusters'.)

11 miles (17 km) with 1900 feet (590m) of ascent.

Below us we see the effects of the 'Shivering Mountain' on the old main road and views south towards Winnats Pass and Castleton village. The descent is to Edale village in the stunning Vale of Edale with the National Park Information Centre with its exhibition of Moorland Management and The Nag's Head Pub – start of The Pennine Way.

Local Area

Perfectly placed in the heart of the Peak District, Buxton offers easy access to some of England's most inspiring landscapes, charming villages, and historic landmarks. Whether you're enjoying a guided, self-guided walking or special interest holiday, there's always the opportunity to linger for longer. Here's our pick of the very best things to see and do within easy travelling distance of the Lee Wood Hotel in Buxton.

The Peak District's best-loved landscapes

Step straight into the Peak District National Park, where a network of well-maintained trails leads you through dramatic dales, rolling hills and rugged moorland. Discover the limestone valleys of Dovedale and Monsal Dale, with their iconic stepping stones and sweeping views, or explore the wild beauty of the Dark Peak, where gritstone edges like Kinder Scout and Stanage Edge offer a more dramatic backdrop.

Buxton's heritage, gardens & caves

Closer to home, Buxton itself is rich in history. As England's highest market spa town at 1,000 feet above sea level, there's more to this place than water. The town's spa heritage and leafy parks make it an ideal place to relax after a day in the hills. Stroll around the elegant Georgian Crescent, explore the beautiful Pavilion Gardens, or visit the historic Opera House to catch a show in an authentic Edwardian theatre. From musicals and stand-up comedy to operatic performances, including the world-famous [International Gilbert & Sullivan Festival](#) every August, it's one of the Midlands' prime entertainment venues. Poole's Cavern is also well worth a visit – a two-million-year-old natural limestone cave.

Historic houses and stately grandeur - Chatsworth House, Bakewell & Castleton

The surrounding countryside is dotted with picturesque villages, each with its own charm. Home of the Duke and Duchess of Devonshire, this magnificent 17th century mansion is set in over 1,000 acres of stunning parkland and formal gardens. Inside, there are over 30 rooms to explore, including the State Rooms, Sculpture Gallery, and Painted Hall. Castleton, located at the head of the Hope Valley, is known for its caves: Peak Cavern, Blue John Cavern, Speedwell Cavern, and Treak Cliff Cavern – and historic Peveril Castle, while Bakewell offers riverside walks and its famous pudding. Closer to Buxton, villages like Tideswell – home to the impressive “Cathedral of the Peak” – provide welcoming pubs, local history, and a slower pace of life. Haddon Hall, overlooking the River Wye, is a fairytale-like manor house with its fortified exterior dates from the 12th century. Every part of the property is steeped in history, but the banqueting hall, chapel, and kitchens are particularly worth exploring.

Cromford Mills

Part of the UNESCO-listed Derwent Valley Mills, the world's first water-powered cotton spinning mill developed by Richard Arkwright in 1771 is known as the birthplace of the modern factory system. The mill museum and visitor centre are both worth visiting.

Dovedale Stepping Stones

The limestone valley of Dovedale steals the limelight as one of the best-loved – and most visited – beauty spots in the Peak District National Park. Don't miss the famous stepping stones located about half a mile from the car park (check the National Trust website for news of Stepping Stones opening/access due to repairs).

Trails, railways and scenic routes

Enjoy traffic-free walking and cycling along the Monsal Trail, following a former railway line through tunnels and across viaducts with spectacular views. For a nostalgic day out, the Peak Rail heritage railway offers a leisurely journey through the Derwent Valley, while the surrounding area is crisscrossed with gentle routes perfect for guided and self-guided exploration. Crich Tramway Village – a recreated Edwardian-style village and home to the National Tramway Museum is located near the village of Crich. Highlights include the woodland walk, sculpture trail, and collection of over 60 trams built between 1873 and 1982.
