ITINERARY - ITINERARY

Day 1 Arrival day

Welcome to Hotel delle Rose. Unpack and settle in.

Day 2 Walking from Bonassola: Villages and coast

Introductory walks either explore the villages above Bonassola, or head along the coast to the neighbouring resorts of Levanto and Monterosso. Both walks take in narrow streets, mule tracks, and pathways through woodland, and have splendid views down the sweep of the coast below. We learn something of the history of Bonassola and the surrounding communities.

Option 1 - Above Bonassola: Headland of the Hare, Montaretto and San Giorgio

Distance: 5 miles (8km)

Total ascent: 1,400 feet (420m)

In summary: The goal for today's walk is the magnificently situated hillside village of Montaretto high above Bonassola. The morning will be spent gradually winding our way up there, via a spectacular headland and on through olive and vine terraces, before returning to the hotel via waterfalls, a church and Bonassola's castle.

Highlight: Keep an eye out for local flora and fauna.

Option 2 - Over two saddles: Monterosso to Bonassola

Distance: 7 miles (11.5km)

Total ascent: 1,900 feet (570m)

In summary: We take the train out of Bonassola to Monterosso. There's a steep ascent out of Monterosso to the headland to follow a section of the Cinque Terre high level route with great views. We reach the open saddle between Monterosso and Levanto and make our way down from the ridge into the medieval quarter of the popular resort of Levanto. We'll find refreshments before walking back over the headland to Bonassola and our hotel.

Highlight: Views of the valley and hilltop villages.

Day 3 Cinque Terre coastal paths

Both groups start the day with a train journey and explore the Cinque Terre villages.

Option 1 - Vineyards & Villages: Manarola, Volastra, Corniglia and Vernazza

Distance: 7.5 miles (12km)

Total ascent: 1,900 feet (580m)

In summary: We take the train to Manarola. From here, we head up to a medieval village high on the hillside above. After absorbing the stunning views down to the sea from a path contouring through terraced vineyards, we drop down to Corniglia before heading on along the coastal path to Vernazza and its harbour cafes. We take the train back.

Highlight: Visiting peaceful Volastra, as well as 3 Cinque Terre villages.

Option 2 - Cinque Terre Villages: Vernazza to Corniglia & Manarola

Distance: 5 miles (8km)

In summary: After alighting the train at Vernazza we head off along the famous Cinque Terre Coastal Path to reach the charming village of Corniglia perched on its headland. Our route continues with a visit to Manarola and walks through vineyards and down to the harbour.

Highlight: Soak up the atmosphere in Manarola, with its brightly coloured houses set above the rocky cove.

Day 4 Vernazza to Monterosso

Vernazza is arguably the prettiest of the five Cinque Terre villages with its colourful houses winding down to its natural harbour, protected by a rocky headland. Today we walk from Vernazza to Monterosso. Both walks use the final section of the coast path which links the five villages of the Cinque Terre.

Option 1 - Vernazza Coastal path to Monterosso

Distance: 4 miles (6½km)

Total ascent: 1,100 feet (330m)

In summary: From Vernazza, the path ascends through woodland onto a section of the elevated coastal path to enjoy superb viewpoints of the coast. Descending through the famous lemon groves to Monterosso old town, we'll take the opportunity for refreshments and time to explore this beautiful village.

Highlight: Enjoy the perfume as you descend through lemon groves into Monterosso old town, with views of the coast stretching as far as the eye can see.

Option 2 - Vernazza to Monterosso Monastery Trail

Distance: 6 miles (9½km)

Total ascent: 1,800 feet (540m)

In summary: Our route winds its way up from Vernazza past a series of viewpoints to the Sanctuary of the Madonna di Reggio. After a chance to enjoy a rest in the shade of this tranquil spot we continue up the hillside to the Sanctuary of Soviore a great spot for a picnic lunch. From here a path descends to the old town of Monterosso.

Highlight: Popping in to visit the centuries old monastery and Madonna surrounded by ancient oak trees and olive groves.

Day 5 Free day

Each week there is a day when no guided walks are offered. This is an ideal opportunity to relax around the hotel, walk independently or visit local places of interest. Some options for your free day include:

Cinque Terre villages: You may enjoy spending some more time in the Cinque Terre villages that you have seen previously on the walks. Each village has its own railway station and the frequent trains mean that it is possible to visit all five villages in one day.

Genoa: The largest port in Italy, was designated European Capital of Culture in 2004. After a fairly lengthy train journey along the coast, you'll find a number of attractions including the cathedral, a magnificent street of palaces, opera house and museums, plus a regenerated dock area and a vast ornate cemetery with its very own bus network! Alternatively, you may just prefer to wander through the famous caruggi (narrow alleyways) in the old town.

Portofino: You could revisit the chic resort of Portofino approximately two thirds of the distance to Genoa. Enjoy a leisurely lunch and admire the expensive yachts in the harbour, walk up to Castello Brown or take a boat trip.

Day 6 Coastal ridge walks to Portovenere

Today we travel south along the Cinque Terre and enjoy some spectacular walking with views over the naval port of La Spezia, the Gulf of the Poets, and, as we walk down to it, the village of Portovenere at the tip of the peninsula. From here, if sea conditions permit, we take a boat back along the coast seeing the Cinque Terre harbours from the sea.

Option 1 - Riomaggiore Ridge and Coast Walk to Portovenere

Distance: 8 miles (13km)

Total ascent: 2,100 feet (630m)

In summary: Our walk starts from Riomaggiore ascending to the 14th century Sanctuary of the Madonna of Montenero. From this popular viewpoint we ascend to the col known as Telegrafo and follow the ridge to the pretty square in Campiglia for a spot of lunch. We then take a spectacular coastal path high above the sea before descending steeply down the ridge to Portovenere to meet our boat.

Highlight: Dramatic views from the spectacular coastal path.

Option 2 - Campiglia Ridge Walk to Portovenere

Distance: 6 miles (9½km)

Total ascent: 700 feet (210m)

Total descent: 2,200 feet (660m)

In summary: Today's walk begins with a chance to enjoy the views from the pretty village square of Campiglia before heading through woodland to a great picnic spot high on a ridge. Our route then winds gently along the peninsula for more fine vistas, followed by a long steep section of rugged path and steps leading down to Portovenere at the tip of the peninsula. From here if sea conditions permit, we take a boat back along the coast seeing the Cinque Terre villages.

Highlight: Relax on the afternoon boat trip to enjoy the stunning coastline with its colourful, tumbling villages from a different perspective.

Day 7 Camogli, San Fruttuoso and Portofino

Today takes us to world-famous Portofino and a boat ride to Santa Fruttuoso Abbey.

As a general rule, travellers should ensure they are up to date with routine UK vaccinations and boosters, including, for example, MMR and diphtheria, tetanus and polio. Some countries may require you to have specific vaccinations such as Malaria, Rabies and Yellow Fever. Please check with your GP if you are unsure.

Please note that the use or possession of some common prescription or over-the-counter medicines is restricted or banned in certain countries. If you will be carrying medication, you should check with the relevant embassy or consulate before travelling. As an extra precaution, we recommend keeping medication in its original packaging, carrying a copy of your prescription, and, where possible, asking your pharmacist to provide the medication name in the language of the country you are visiting.

For further country-specific health advice, visit www.fitfortravel.nhs.uk or www.traveldoctor.co.uk. If you are travelling from outside the UK, please consult your own doctor and check local entry requirements.

Passport Requirements

This information applies to travellers holding a full British Citizen passport. Entry requirements vary by destination and can change at short notice. For most EU and worldwide destinations, passports must be valid for the entire duration of your stay. Some countries also require a minimum period of validity remaining on your passport (often up to 6 months beyond your return date), even if you are not staying that long.

We strongly recommend ensuring your passport has at least six months' validity remaining at the time of travel to avoid any issues.

If you hold a different type of British passport or a passport issued by another country, you must check the requirements with the relevant embassy, consulate, or official government website.

Visa Requirements

Visa rules depend on your nationality, destination, length of stay, and purpose of travel, and they can change frequently. It is your responsibility to check whether you require a visa before travelling.

British passport holders should check the latest entry, passport validity and visa requirements for their destination on the UK government's Foreign, Commonwealth & Development Office (FCDO) website:
