Need To Know

Important Covid-19 Steps We Have Taken For Guest Safety: Please Read

As we slowly reopen in the wake of the Coronavirus lockdown, our country house stays are set to be organised a little differently; extra steps have been taken to keep our guests, house teams and leaders safe while we return to action. We ask all our guests to respect the measures put in place.

Initially the overall capacity of the houses has been reduced. Guests must wear face coverings in public spaces. To adhere to social distancing guidelines, we have taken the necessary steps to space out furniture and seating in public areas. In addition, a one-way system will be in place around the house. Adequate signage will be displayed to support the direction of travel to be followed by guests and house teams.

As a temporary measure, we will not be servicing rooms during a stay. Extra tea, coffee, milk, and toiletries will be made available on request for all guests. It is recommended that guests bring their own toiletries for the duration of their stay. We have removed all non-essential and reusable items from our rooms for the meantime including cushions, hairdryers, bathrobes, bed throws, and printed materials to reduce the number of items that need to be disinfected. Hairdryers will be available on request. Clean towels will be available on request. We will though be increasing the frequency of cleaning in our public areas providing particular attention to frequently touched items including door handles and handrails.

For now, there is no cream tea on arrival day. We have also adapted our food offering to remove all buffets and open food items. Different sittings may be required for breakfast and dinner due to the occupancy and size of the house. Picnic lunches will now be pre-ordered the night before from an order form in the room. The bar in each country house will be open, and we will be offering a table service for drinks. At this time there is no, or only a very limited, evening social programme available. Outdoor swimming pools at those houses that have them will re-open throughout May to September. Indoor swimming pools will remain closed.

For more information and to see all the steps taken, [visit our page on how house stays will be adapted](#).

Head to the long lounge with its wall of glass giving on to the view outside, or for a more intimate space, sit at the smart bar with its crouching lions and attractive jug lamps or surrender to the leather sofas around the fireplace and enjoy a local pint of Shropshire Lad or Lass with a lively conversation among your fellow guests.

Food & Drink

As at all our country houses, holidays are full board, from afternoon tea served as a welcome treat through that evening's meal to a hearty breakfast on the day of departure. Lunch is a chance to stock up on our famous picnic snacks. Food at Longmynd House is varied and tasty and has a strong emphasis on ingredients from the area and seasonal produce. Once a week the bright dining room with its wrap around windows hosts a Local Food Night, when, over a sociable evening, you might try a five-course feast of regional flavours.

LOCAL AREA

The attractive small town of Church Stretton is around 10 minutes' walk downhill from Longmynd House. After the arrival of the railway, the town grew in the Victorian and Edwardian eras and became known as 'Little Switzerland' due to the dramatic hills on both sides of the valley. Today the town retains its bygone charm and has a range of facilities including a variety of small shops, banks, cafés, pubs and a supermarket.

During your stay at Longmynd House you may enjoy visiting the following places of interest, either in your free time, during a self-guided walking holiday or on your journey to and from Shropshire:

Ludlow

Easily reached by train, or around 20 minutes' drive away, Ludlow is a particularly attractive market town. The historic centre retains many of its medieval buildings, and is towered over by its [well-preserved castle](#). In recent years the town has developed as something of a gastronomic centre, being home to celebrated Michelin-starred restaurants and many acclaimed local food producers.

Ironbridge Gorge

A little further afield, about 45 minutes' drive from Church Stretton, are the many excellent museums of [Ironbridge Gorge](#). Known as the 'birthplace of the Industrial Revolution' it was here that Abraham Darby perfected the manufacture of cast iron which was later used to build the area's iconic iron bridge across the River Severn. Today there are 10 museums in the gorge including the Museum of Iron, the Coleport China Museum and the excellent Blists Hill Victorian town.

Severn Valley Railway

The [Severn Valley Railway](#) is one of Britain's premier steam railways. This lovingly recreated Great Western Railway branch line is now run largely by volunteers and is home to an impressive collection of locomotives. As its name suggests, the line follows the rural valley of the River Severn from Bridgnorth to Kidderminster. The nearest station at Bridgnorth is about 40 minutes' drive from Church Stretton.

Acton Scott Working Farm

Situated just 10 minutes' drive from Church Stretton, the [Acton Scott Working Farm Museum](#) is a living museum based around a restored Victorian farm. In recent years this has featured in the BBC2 series Victorian Farm and Escape in Time.

Shrewsbury

Also easily reached by train, or a 30-minute drive, Shrewsbury is the county town of Shropshire. The town centre is particularly attractive, featuring many black and white timber houses dating from the 15th and 16th centuries.

Much Wenlock

The small town of Much Wenlock, about 30 minutes' drive from Church Stretton, is particularly attractive with many black and white timbered houses. Despite its small size, the town can claim to be the birthplace of the modern Olympic Games.

Hereford

The cathedral city of Hereford, is just under an hour's drive away, and can also be reached by direct train from Church Stretton. [Hereford Cathedral](#) houses a chained library and the famous Mappa Mundi, a 13th century map of the world.

Attingham Park

[Attingham Park](#) is a grand 18th century house surrounded by an extensive deer park, located outside Shrewsbury, around 25 minutes' drive away. Now managed by the National Trust you can visit the ornate rooms and explore the walled garden and grounds.

Powis Castle

This former medieval fortress has been re-modelled over more than 400 years – each generation adding to the magnificent collection of paintings, sculpture, furniture and tapestries. The world-famous garden is overhung with clipped yews, and shelters rare and tender plants. [Powis Castle](#) is owned by the National Trust and is located near Welshpool, about 45 minutes' drive from Church Stretton.

Chirk Castle

Just under an hour's drive north of Church Stretton, [Chirk Castle](#) is a fine medieval fortress completed in 1310. As well as military displays, the castle was also a domestic home for many centuries, and is surrounded by excellent gardens.
