HOLIDAY OVERVIEW

Whitby provides the perfect base from which to explore the beautiful North Yorkshire coast, Esk Valley and moors. As well as the area's scenic beauty, there is a rich cultural heritage. Captain Cook was born and grew up here and Bram Stoker found his inspiration for the story Dracula. The pretty stonebuilt towns and villages have been used as TV locations and the railway station at Goathland was used as Hogsmeade Station in the first Harry Potter film. There are quaint fishing villages to explore, time to go rock-pooling on the beach and hear stories of smugglers. Out on the moors there are glorious elevated views and the sight of steam trains puffing their way through the countryside. Climb to the top of Roseberry Topping and see the view that may have inspired Captain Cook to explore the world.
