ACCOMMODATION

Monk Coniston

With a desirable address overlooking Coniston Water (the inspiration for Arthur Ransome's 1930 novel, *Swallows and Amazons*), this characterful Grade II-listed house delights with lakeside and woodland walks from the doorstep, décor that stays true to the period feel, and plenty of Beatrix Potter references. While the children's author and illustrator did not live at the Monk Coniston estate (her beloved home was Hill Top, bought in 1905 with the royalties from *The Tale of Peter Rabbit*), she campaigned with the National Trust to save it from development. She then purchased the entire estate in 1930 and as the new owner she immediately sold half to the organisation, bequeathing them the other half in her will.

About Your Stay

A warm welcome

We want you to feel comfortable from the moment you arrive. You'll find a welcome pack in your room with guest registration forms, menus, order forms for dinners and picnic lunches, the Wi-Fi password, and the front door code. Our houses are locked at night, so we recommend noting the Duty Manager's number on arrival in case of an emergency (or getting locked out).

Evening entertainment

While evening entertainment varies from house to house, HF Holidays Inter-House Quiz night held after dinner on Wednesdays is a weekly staple. Your HF Holidays leader may be around for tips on guided and self-guided walking routes as well as visit-worthy local attractions.

Walks talks

Our HF Holidays walk leaders host guided walking information briefings before dinner on guided walking holiday arrival days. This is followed by a group Walks Talk for information on the following day's guided walks (held before dinner every evening). Self-guided walking guests are, of course, welcome.

The walking day

Prior to setting off on guided walks, your HF Holidays Leader will run you through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure you have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.

Food & Drink

Seasonal dining, tailored for you

Our team of skilled chefs design our dinner menus to showcase the best of each season, from warming winter comfort food to vibrant summer dishes, including vegetarian, vegan and high-protein options. We also source fruit and vegetables within a 40-mile radius of each house, open every break with a Chef's Special menu inspired by dishes and flavours of the local area, and are able to adapt dishes to suit special dietary requirements.

Welcome Cream Tea

What better way to start your stay than with a cream tea, served fresh on arrival to make you feel instantly at home. A quintessentially English tradition, our scones are baked in-house and served with preserves and clotted cream, providing the perfect opportunity to meet fellow walkers.

A hearty breakfast to start the day

Start the day with a freshly-prepared cooked breakfast and a wide choice from our continental buffet, including hot drinks, juices and fresh fruit. Our team offer a quick and friendly service, leaving you fuelled and ready for your day's adventures.

Our famous picnic lunch

Our personalised picnic lunches are perfect for a day out walking, ready to enjoy when hunger strikes. LOCAL AREA

Whether you're enjoying a guided or self-guided walking holiday, there's always the opportunity to linger for longer. Here's our pick of the very best things to see and do within easy travelling distance of Monk Coniston.

Coniston

About a mile from the house and easily accessed from a direct path, this small village charms with a superb position at the foot of the Old Man of Coniston and by the western shore of Coniston Water. The small town of Ambleside is a 20-minute drive away.

The John Ruskin Museum

Coniston's John Ruskin Museum charts the history of the village through exhibits focused on the people who have lived and worked here throughout the ages. It's newest treasure is the restored Bluebird K7, Donald

Campbell CBE's world-record breaking Jet Hydroplane. Mr Campbell broke 4 World Water Speed records on Coniston Water and tragically died attempting his 5th when Bluebird somersaulted in January 1967. The wreckage lay at the bottom of the lake for 34 years until it was raised in 2001, finally returning home to Coniston in 2024.

Steam Yacht Gondola

Manged by the National Trust, this restored steam-powered yacht on Coniston Water was built by the Furness Railway Company in 1859. It stops at the Monk Coniston jetty at the bottom of the meadow below the house and calls at Coniston and Brantwood House.

Brantwood House

A couple of miles away, this 250-acre Lakeland estate was once home to English writer, philosopher, art critic, and social revolutionary, John Ruskin. The eight beautiful gardens were created by Ruskin, his cousin Joan Severn, and head gardener Sally Beamish.

Ravenglass & Eskdale Railway

Known locally known as La'al Ratty meaning 'little railway', this is one of England's oldest and longest narrow gauge railways dating back to 1873. A trip here can easily be combined with a walk over Muncaster Fell or to the Stanley Ghyll Waterfall.

Blackwell House

Designed by esteemed architect Mackay Hugh Baillie Scott between 1898 and 1900, this Grade I-listed building is one of the UK's finest examples of Arts & Crafts architecture. Don't miss the well-preserved interiors and the formal terraced garden.

Tarn Hows

Just a short walk away, this man-made lake was created in the mid-19th century by one of Monk Coniston's former owners, James Garth Marshall. The 1.5-mile path around the lake has been well maintained by the National Trust and is suitable for wheelchair users.

Grizedale Forest

Set right in the heart of the Lake District between Windermere and Coniston, this vast woodland is perfect for walking, mountain biking, and swinging through the trees on a Go Ape course. There's also a visitor centre with a gift shop, tearoom, and playground.

Levens Hall & Garden

A 50-minute drive away, this privately-owned Elizabethan mansion is cherished for its award-winning topiary gardens – the oldest in the world. Inside, there's fine oak panelling, ornate plasterwork, leather wall coverings, and the earliest examples of English patchwork.

Grasmere

Best known for its William Wordsworth connections, this impossibly pretty village is a 30-minute drive away. Highlights include Grasmere Lake, Allan Bank, and the 17th century Dove Cottage - home to the Wordsworth Museum.

Windermere

The largest natural lake in England, this watery wonder measures 10.5 miles long, one mile wide, and 220 feet deep. Ferries connect Ambleside in the north to Bowness and Lakeside in the south, where you can board the Lakeside and Haverthwaite Railway.
