Then & now

Showcasing a mix of Tudor, Palladian, and Georgian architectural styles, this stately property was built in 1662 (records show 'there stands a large cottage with mullioned windows' on the present site during this time). The first owner was most likely Anthony Collett, whose niece Elizabeth inherited the house and extended it to its current glory with her lawyer husband, William Moore. In 1776, Moore's second wife (also Elizabeth), married Sir James Harrington, for whom the house is named. The house remained in the family thereafter and was purchased by Mr Hall in the early 19th century. In 1860, the property was sold to a Mr Mills who ran Jubilee Cottage (currently guest accommodation) as the Jubilee Inn, using the premises opposite as a malting house for brewing beer. The subsequent owner, Alfred Hadley, continued to use the house much in the same way and lived here from 1870 until 1922 when it changed hands yet again. It became part of our HF Holidays line-up in 1947.

Following a refurbishment in 2017, there's a pleasing interior design theme throughout. In addition to interesting plasterwork, a grand stairway, and a cupola at the top of the house built in the 1730s and used by William Moore as a lookout, there's an interesting Rococo ornate ceiling decorated with sunflowers, swallows, monkeys, and flowers. You'll also find 27 well-appointed guest rooms in three categories (Classic, Premium, and Superior), two lounges, a licensed bar, and an attractive dining room for a wide range of dishes made with fresh and seasonal ingredients. Elsewhere, there's a handy boot and drying room, books and games to borrow during your stay, a walled garden, a large croquet lawn, and landscaped grounds. The house also has a Discovery Point offering a wide range of local area maps, route guides, and easy-to-follow information for self-guided walks.

Check-In & Check-Out

You are welcome to check in from 4pm at the earliest. HF Members can check in earlier, from 2pm. On arrival, you'll enjoy a complimentary cream tea and get to meet your fellow guests, our HF Holidays Leaders, and the rest of the friendly team. Check out 10am.

Helping you enjoy the Great Outdoors - A natural focus on walks

Walks talks and Discovery Points
Our founder, country pastor turned social innovator, Thomas Arthur Leonard, was passionate about encouraging people to explore the countryside. His legacy continues in HF's continued focus on walking. Many guests choose to travel with us on guided or self-guided walking holidays, and as such, evenings at our houses are often busy with walk leaders hosting various briefings and talks. On guided walking holiday arrival days, there are walking information briefings before dinner, and for the duration of any guided walking holiday there will be a Walks Talk before (or on occasion after dinner), to go through the following day's walk options. Self-guided walking guests, and those on special interest holidays (where there is free time to explore independently), are of course welcome to also join in these Walks Talks - please talk to the team locally if you have any queries. Our Discovery Points are filled with handy maps and route notes, designed to ensure everyone, not just those booked on a guided walking holiday, can enjoy the beautiful countryside settings that our HF houses enjoy.

The walking day
Prior to setting off on guided walks, our HF Holidays Leaders run through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure walkers have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.
