ACCOMMODATION

Derwent Bank

Close to Keswick and situated slap bang on the shore of Derwentwater, with the glassy lake on one side and the razor-edged ridges, humpbacked fells and muscular mountains of the Lake District on the other, beautiful Derwent Bank has been entrancing walkers since 1785. Extensive refurbishment and investment have seen this established walkers' retreat transformed into a beautiful country house hotel perfect for people looking to explore the great outdoors. It's also perfect for drinking in the views over a glass of something chilled on the terrace. With 41 bedrooms across the main house and garden rooms as well as a rustic 'pod' to sleep in,

there's plenty of space, along with a pretty orangery, large lounge and relaxed vibe. The lakeside land encompasses a formal garden, extensive lawns and mature trees. The emphasis is on enjoying the great outdoors and it's all made super easy with walkers' facilities from an inspiration point equipped with maps and route ideas to a boot room and drying space – this is the Lakes, after all. With views of Cat Bells and Grizedale Pike, the inspiration for adventure is never far away. Venture out from the house to head to the high peaks such as Scafell Pike, Blencathra and Helvellyn or stick to the lower slopes and lakes; Ullswater, arguably the most beautiful of the Cumbrian lakes, Borrowdale and Buttermere are all within easy reach.

Need To Know

Important Covid-19 Steps We Have Taken For Guest Safety: Please Read

As we slowly reopen in the wake of the Coronavirus lockdown, our country house stays are set to be organised a little differently; extra steps have been taken to keep our guests, house teams and leaders safe while we return to action. We ask all our guests to respect the measures put in place.

Initially the overall capacity of the houses has been reduced. Guests must wear face coverings in public spaces. To adhere to social distancing guidelines, we have taken the necessary steps to space out furniture and seating in public areas. In addition, a one-way system will be in place around the house. Adequate signage will be displayed to support the direction of travel to be followed by guests and house teams.

As a temporary measure, we will not be servicing rooms during a stay. Extra tea, coffee, milk, and toiletries will be made available on request for all guests. It is recommended that guests bring their own toiletries for the duration of their stay. We have removed all non-essential and reusable items from our rooms for the meantime including cushions, hairdryers, bathrobes, bed throws, and printed materials to reduce the number of items that need to be disinfected. Hairdryers will be available on request. Clean towels will be available on request. We will though be increasing the frequency of cleaning in our public areas providing particular attention to frequently touched items including door handles and handrails.

For now, there is no cream tea on arrival day. We have also adapted our food offering to remove all buffets and open food items. Different sittings may be required for breakfast and dinner due to the occupancy and size of the house. Picnic lunches will now be pre-ordered the night before from an order form in the room. The bar in each country house will be open, and we will be offering a table service for drinks. At this time there is no, or only a very limited, evening social programme available. Outdoor swimming pools at those houses that have them will re-open throughout August, except at Freshwater Bay House, where the pool will remain closed for 2020. Indoor swimming pools will remain closed.

For more information and to see all the steps taken, [visit our page on how house stays will be adapted](#).

Rooms

Tea & coffee-making facilities, TV, Hairdryer, Toiletries, Wi-Fi

Stay in one of the main building's beautifully presented rooms or in the stylish outhouse where there are eight garden rooms with exceptional views for stylish, laid-back Lake District accommodation. In the main house, we'd pick room 12 for the extra space and stunning views over the gardens and Derwentwater. Alternatively, ask for rooms 46, 47, 48 and 49 in the outhouse, all first-floor garden bedrooms with their own glass balcony looking over the ornate formal garden and with views of the lake. There's easy access to the boot room and orangery too, making these rooms a must to stay in. If you're after somewhere a little more unusual to stay overnight, there's a 'pod' in the garden that offers extra privacy, sleeps up to four and gives you a great story

to take away!

All 'Good' rooms are ensuite and furnished to a high standard. There are also several 'Better' and 'Best' Rooms that are either larger or have a desirable view, a more luxurious mattress and larger television – upgrade your stay for just an extra £15-25 per person per night. You can choose a specific room for an extra £30 per room, subject to availability. Upgrade supplements still apply.

Facilities

Free Wi-Fi, boot room and drying room, formal garden, extensive garden, putting green, orangery, lounge and board games to borrow

After a day exploring the Lake District, settle in at our country house. Walk the pretty gardens, pause on the pier that juts out in to Derwentwater and look for the boats and ferry that sail on the lake. Try your hand on the putting green or at croquet. Grab a drink and sit on the terrace above the sloping lawns. Indoors, the spectacular orangery with its superb views, is the ideal setting for a bit of peace and quiet, or sink into the sofas in the large, comfortable lounge. Head to the bar for a great local ale and a cracking conversation with fellow guests.

Food & Drink

As at all our country houses, holidays are full board, from afternoon tea and cakes served as a welcome treat through that evening's meal to a hearty breakfast on the day of departure. Lunch is a chance to stock up on our famous picnic snacks. Food at Derwent Bank is varied and eclectic but has a strong emphasis on ingredients from the area and seasonal produce. Once a week the dining room hosts a Local Food Night, when, over a sociable evening, you might tuck in to traditional Cumbrian fare from local river trout with samphire to a duo of local lamb. Look out for Eden Valley brie and red onion tart or Whinlatter Forest wild mushroom risotto. And to cap it all, Cumbrian sticky toffee pudding with English Lakes thunder and lightning ice cream.
