Option 1 - Into the North of the Island

Distance: 6 miles (10km)

Total ascent: 260 feet (80m)

Total descent: 0 feet (0m)

In summary: Starting from Cruz we ascend through farmland to join the Levada Castelejo. We follow the Levada upstream to enjoy views of the spectacular gorge before turning and following the Levada Castelejo and the Levada Nova through the quiet countryside to Referta.

Highlight: Exploring one of the greenest and most unspoiled valleys in Madeira followed by a visit to a seaside village.

Option 2 - Lombo Grande

Distance: 7 miles (11km)

Total ascent: 950 feet (290m)

Total descent: 1130 feet (345m)

In summary: Starting in the village of Roque do Faial we ascend through small farms to Lombo Grande then descend through woods to join the Levada Castelejo. The route follows the beautiful Sao Roque valley to Cruz and then on to Referta.

Highlight: Following a levada from its source, along a spectacular valley

Day 3 CABO GIRAO, MOORLAND & LEVADAS

Our walks today take us to the western end of the island. We'll travel past Funchal before entering the Ribeira Brava Gorge. The coach will then take us high onto the western moors. This side of the island differs greatly from the high volcanic peaks in the east. Here rolling moorland offers views over the sea in both directions on a clear day. Torches are useful on this day, when walking through one of the levada tunnels, which is 800m long. Before returning to the hotel we call at the dramatic Cabo Girao skywalk viewpoint.

Option 1 - The Moorland Levada

Distance: 6 miles (10km)

Total ascent: 100 feet (30m)

Total descent: 985 feet (300m)

In summary: Our walk follows a gentle levada path to a lovely viewpoint over the hills and woods of Rabacal before descending to Levada das 25 Fontes which will lead us via a tunnel through a mountain ridge to meet our coach. Before returning to the hotel, we'll stop to experience the magnificent Cabo Girao glass skywalk.

Highlight: Rabacal is considered one of Madeira's most beautiful areas.

Option 2 - Four Levadas in a day

Distance: 7 miles (11.5km)

Ascent: 460 feet (140m)

Descent: 985 feet (300m)

In summary: Following the Levada do Alecrim, we have sweeping views down the Rabaçal valley. Our route continues with views of the deep Ribeira da Janela valley, descending through woodland to a rock pool perched between two waterfalls. Our walk ends on the Levada 25 Fontes. Before returning to the hotel, we'll stop to take in the scenery at the Cabo Girao viewpoint.

Highlight: Traverse three of the five Levadas in the Rabaçal valley.

Day 4 Heart of Madeira & Pico Ruivo

We'll journey to the centre of the wonderful island of Madeira and marvel at Pico Ruivo, the island's highest peak at 1861m.

Today is a public holiday, so some shops and local attractions might be closed; however, our planned itinerary will remain unchanged.

Join us this evening for a gala dinner and help make it unforgettable by dressing in smart attire.

Day 5 Free Day

Each week there is a free day when no guided walks are offered. This is an ideal opportunity to relax around the hotel, walk independently or visit local places of interest.

Christmas Day is a public holiday so some attractions and services may not be available in Funchal and surrounding areas.

Day 6 São Lourenço Peninsula and the Cliffs

Our walks today are at the far eastern end of the island. Walk along the São Lourenço peninsula and take a boat trip to the fishing village of Caniçal.

Today is a public holiday, so some shops and local attractions might be closed; however, our planned itinerary will remain unchanged.

Day 7 Verada Do Larano

Today's walks take us to the north coast on the eastern side of Madeira.

Option 1 - Ribeira Seca

Distance: 5 miles (8km)

Ascent: 690ft (210m)

Descent: 1150 feet (350m)

In summary: This walk takes us above the Ribeira Seca to the viewpoint at Boca do Risco. After a picnic we'll walk along the coast path that was once used to carry wine and rum from the Porto da Cruz to Machico. Continuing along this path, we'll make our way towards the outskirts of Porto da Cruz where we'll be met by our transfer that will take us back to the hotel.

Highlight: The views across the coastline from Boca do Risco.

Option 2 - Ribeira Seca and Porto da Cruz

Distance: 7.5 miles (10km)

Ascent: 690 feet (210m)

Descent: 1150 feet (350m)

In summary: Our longer walk follows the same route as option 1 but lengthens things by continuing along the coast path all the way into Porto da Cruz.

Highlight: The views of the coastline from Boca do Risco

We hope to see you again soon.

Vaccinations & health

Vaccinations & health information

Before booking, you should check with your doctor to see whether any health precautions are needed for your trip. Health advice and requirements can change, so we recommend doing this in good time before travel.

As a general rule, travellers should ensure they are up to date with routine UK vaccinations and boosters, including, for example, MMR and diphtheria, tetanus and polio. Some countries may require you to have specific vaccinations such as Malaria, Rabies and Yellow Fever. Please check with your GP if you are unsure.

Please note that the use or possession of some common prescription or over-the-counter medicines is restricted or banned in certain countries. If you will be carrying medication, you should check with the relevant embassy or consulate before travelling. As an extra precaution, we recommend keeping medication in its original packaging, carrying a copy of your prescription, and, where possible, asking your pharmacist to provide the medication name in the language of the country you are visiting.

For further country-specific health advice, visit www.fitfortravel.nhs.uk or www.traveldoctor.co.uk. If you are travelling from outside the UK, please consult your own doctor and check local entry requirements.

Passports & visas

Passport & Visa information

This information is for those travelling with a full 'British Citizen' passport; for all other nationalities or passport holders, please check with your local consulate for advice.

Passport Requirements

This information applies to travellers holding a full British Citizen passport. Entry requirements vary by destination and can change at short notice. For most EU and worldwide destinations, passports must be valid for the entire duration of your stay. Some countries also require a minimum period of validity remaining on your passport (often up to 6 months beyond your return date), even if you are not staying that long.

We strongly recommend ensuring your passport has at least six months' validity remaining at the time of travel to avoid any issues.

If you hold a different type of British passport or a passport issued by another country, you must check the requirements with the relevant embassy, consulate, or official government website.

Visa Requirements

Visa rules depend on your nationality, destination, length of stay, and purpose of travel, and they can change frequently. It is your responsibility to check whether you require a visa before travelling.

British passport holders should check the latest entry, passport validity and visa requirements for their destination on the UK government's Foreign, Commonwealth & Development Office (FCDO) website:

Drinking Water

Drinking Water

Standards for drinking water vary widely around the world. In many destinations, tap water may not be safe to drink, brush your teeth with, or use for making ice. Where advised, you should drink only bottled or treated water and ensure that bottle seals are intact before use. If bottled water is unavailable, water should be boiled or filtered.

Staying well hydrated is particularly important in hot climates and during active holidays. Carry water with you and drink regularly.

If you are unsure about local water safety, check official country-specific health advice before travel, or ask your accommodation or local guides for guidance once you arrive.

Local currency

Local Currency in Madeira

The local currency in Madeira is the Euro. It is advisable to carry some euro cash with you, as certain toilets along walking routes, as well as cafés and shops in more remote areas, may only accept cash.
