ITINERARY - NEW YEAR

Day 1 Arrival Day

Welcome to the Constantinou Bros Hotel. Unpack and settle in.

Day 2 Birthplace of Aphrodite and the Pissouri Plateau

Option 1 - Birthplace of Aphrodite

Distance: 4.5 miles (7.5km)

Ascent: 150 feet (60m)

The short option on our first day takes us along the island's stunning southwest coast. First up is the sea stack known as Petra tou Romiou where legend has it, Aphrodite, the Greek goddess of love, was born. We'll continue along the rugged coastline to soak up sea views and learn about the rich variety of rare plants and vegetation that thrive in the Mediterranean climate. At the end of the walk, we'll stop for a delicious picnic complete with Cypriot specialities and wine.

Option 2 - The Pissouri Plateau

Distance: 5.5 miles (9km)

Ascent: 1,200 feet (380m)

Our longer walk starts in Pissouri where on a clear day you can see the Troödos Mountain range and Mount Olympus – the highest peak in Cyprus. We'll ramble through the island's rural regions passing fields full of carob trees, gorse, and rockroses as well as old shepherding huts. From the high plateau, we're rewarded with superb views over the coast and Petra tou Romiou, the sea stack where legend has it, Aphrodite, the Greek goddess of love, was born. At the end of the walk, we'll stop for a delicious picnic complete with Cypriot specialities and wine.

Day 3 Free Day (New Years Eve)

New Years Eve is a free day when no guided walks are offered. This is an ideal opportunity to relax at the hotel, walk independently, or visit local places of interest. In the evening, the hotel will provide a wonderful festive dinner complete with a welcome aperitif and a glass of wine.

Free day suggestions include:

Paphos Waterfront

Stroll along the promenade to the harbour and enjoy a drink overlooking the town's imposing castle. Some of the best restaurants and cafés are located here, most of which offer superb views of the sea.

Pano Paphos (Upper Paphos)

Known locally as Ktima or Pano Paphos, this part of town is characterised by its beautiful, white-washed houses and busy shopping scene. Keep your eyes peeled for the striking street art that lends the place a splash of colour.

Paphos Archaeological Park (Nea Paphos)

Backed by the blue waters of the Mediterranean Sea, this outstanding UNESCO World Heritage Site features extensive Greco-Roman ruins and incredibly well-preserved mosaics depicting Greek mythology. Believed to have been in use as far back as the 3rd century BC, the Tombs of the Kings (a network of ancient underground burial chambers) are just one of the many highlights.

Day 4 Free Day (New Years Day)

Happy New Year. Celebrate New Year's Day by enjoying the hotel facilities or exploring Paphos. Get involved in a selection of festive-themed hotel activities, unwind by the pool, share a drink at the bar, or relax in your room. In the evening you can expect entertainment such as live music and dancing.

Day 5 Guided Walk - Profitis Elias Trail

Troödos Mountains walks via Profitis Elias Trail

Option 1 - Profitis Elias Trail (shorter)

Distance: 3.5 miles (6km)

Ascent: 1,300 feet (400m)

Our morning begins with a drive into the southwestern foothills of the Troodos Mountains where we'll start our day in the village of Panayia - birthplace of Archbishop Makarios III, the first president of Cyprus. We'll visit the monastery of Chrysorroiyatissa and enjoy a tasting of local wine and Cypriot specialties.

Enjoy views over the mountains and the Akamas Peninsula as we continue walking behind the monastery on a trail that leads to Profiti Elias. This long, distinctive ridge is made of an accumulation of bigger and smaller rocks, offering refuge to an array of wildlife. With a little bit of luck, we may be able to see the Eurasian griffon or the imperial eagle, both nesting here.

Please note: both routes are level 3 grade.

Option 2 - Profitis Elias Trail (longer)

Distance: 6 miles (10km)

Ascent: 1300 feet (400m)

This option features the same route and highlights as option 1 but follows a slightly longer trail at a faster pace.

Please note: Both routes are level 3 grade

Day 6 Limassol Sightseeing

Today is all about sightseeing in and around the Limassol district. We begin with a trip to ancient Kourion, one of the most impressive archaeological sites in Cyprus. Wander between the ruins of this once mighty Greek city state, marvel at the remarkably well-preserved mosaics in the House of Eustolios and be wowed by the Greco-Roman amphitheater that dates from the 2nd century BCE.

Day 7 Guided Walk - Smigies Trail

Smigies Nature Trail walks and Cypriot lunch.

Option 1 - Smigies Trail (shorter)

Distance: 5 miles (8km)

Ascent: 800 feet (260m)

The Smigies Nature Trail includes two circular routes that begin and end at the popular Smigies picnic site. The short route crosses the beautiful sun-drenched plains of Skoteini to the vineyards of Pampela. We'll continue along a tree-lined road that opens out onto panoramic views over Chrysochou Bay and the 70,000-hectare protected game preserve that is Paphos Forest. We'll celebrate the final walk of the holiday with a delicious picnic complete with Cypriot specialities such as grilled Greek cheese and local sausages served with ouzo and wine.

Option 2 - Smigies Trail (longer)

Distance: 7 miles (11.5km)

Ascent: 800 feet (260m)

This walk crosses the mountain slopes of Peana and offers far-reaching views of the Akamas Peninsula's west coast including Lara Bay, Karabópetres, and Geronisos island. The trail follows the mountain ridge road which leads to Cape Arnaoutis before heading east through an old metal quarry and ending up in the location of Pampela where the two Smigies routes meet. On completion, we'll celebrate the final walk of the holiday with a delicious Cypriot picnic (same as Option 1).

Day 8 Departure Day

We hope to see you again soon.

Daily Walk Options

Gentle walking grade 3

Slightly longer walks, mostly on well-trodden paths, with some gentle gradients plus stiles and steps possible. Typically, 5-6 miles (8-10km) with around 650ft (200m) of ascent.

Trip information

EU Walking Safety

We are committed to running our Guided Walking holidays in a safe manner and your co-operation with this is much appreciated. No outdoor activity can be 100% risk free; however, if you take sensible precautions and adhere to your leaders' instructions, your holiday will be both safe and enjoyable. On the first evening of your holiday (dependent on arrival time), the leaders will give a short talk about safety on the walks – we would ask everyone to attend.

Walking as a group: Our leaders always consider the safety of the group as a whole, and will show more caution over potential risks (such as bad or exceptionally hot weather) than an individual or couple might make on a private outing. Walks may be modified or cancelled following the leaders' assessment of the day-to-day situation. Your leaders will refuse to accept any guest whose clothing, equipment, behaviour or walking ability is considered unsuitable, and where it could affect the safety and enjoyment of other guests on the proposed walk. It is your responsibility to follow the leader's guidelines, for the benefit and safety of the group as a whole. If you leave the group, then your leader will no longer have responsibility for you. For safety reasons, we stipulate a minimum party size of two guests in addition to the leader. First aid: In line with current practice, each leader carries a group first aid kit but is not able to supply any 'medication', including aspirin, paracetamol, antihistamines and antiseptic cream.

Hydration: In warm weather it is very important to keep hydrated. You will need to carry a minimum of two litres of water with you on walks, more during hot weather or on more demanding walks. One good way of hydrating is to use a two litre hydration pack which allows drinking without constant stopping. This can then be filled up from additional water sources as required. Your leader will inform you of the possibilities for replenishing your water during the walks.

Your health: It is essential that you describe on your guest registration form any health condition or disability you may have. The leaders will treat this confidentially and may be able to take it into account on the walks; for example, by not delaying lunch if they know they have someone with diabetes in their party.

Vaccinations & health

Vaccinations & health information

Before booking, you should check with your doctor to see whether any health precautions are needed for your trip. Health advice and requirements can change, so we recommend doing this in good time before travel.

As a general rule, travellers should ensure they are up to date with routine UK vaccinations and boosters, including, for example, MMR and diphtheria, tetanus and polio. Some countries may require you to have specific vaccinations such as Malaria, Rabies and Yellow Fever. Please check with your GP if you are unsure.

Please note that the use or possession of some common prescription or over-the-counter medicines is restricted or banned in certain countries. If you will be carrying medication, you should check with the relevant embassy or consulate before travelling. As an extra precaution, we recommend keeping medication in its original packaging, carrying a copy of your prescription, and, where possible, asking your pharmacist to provide the medication name in the language of the country you are visiting.

For further country-specific health advice, visit www.fitfortravel.nhs.uk or www.traveldoctor.co.uk. If you are travelling from outside the UK, please consult your own doctor and check local entry requirements.

Passports & visas

Passport & Visa information

This information is for those travelling with a full 'British Citizen' passport; for all other nationalities or passport holders, please check with your local consulate for advice.

Passport Requirements

This information applies to travellers holding a full British Citizen passport. Entry requirements vary by destination and can change at short notice. For most EU and worldwide destinations, passports must be valid for the entire duration of your stay. Some countries also require a minimum period of validity remaining on your passport (often up to 6 months beyond your return date), even if you are not staying that long.

We strongly recommend ensuring your passport has at least six months' validity remaining at the time of travel to avoid any issues.

If you hold a different type of British passport or a passport issued by another country, you must check the requirements with the relevant embassy, consulate, or official government website.

Visa Requirements

Visa rules depend on your nationality, destination, length of stay, and purpose of travel, and they can change frequently. It is your responsibility to check whether you require a visa before travelling.

British passport holders should check the latest entry, passport validity and visa requirements for their destination on the UK government's Foreign, Commonwealth & Development Office (FCDO) website:

Useful Information

Travel Insurance

Travel insurance is a condition of booking. Therefore, if you have not already arranged insurance, it is imperative that you do so before you travel.

Drinking Water

Drinking Water

Standards for drinking water vary widely around the world. In many destinations, tap water may not be safe to drink, brush your teeth with, or use for making ice. Where advised, you should drink only bottled or treated water and ensure that bottle seals are intact before use. If bottled water is unavailable, water should be boiled or filtered.

Staying well hydrated is particularly important in hot climates and during active holidays. Carry water with you and drink regularly.

If you are unsure about local water safety, check official country-specific health advice before travel, or ask your accommodation or local guides for guidance once you arrive.
