Need To Know

We appreciate that COVID-19 continues to impact the nations. The English, Scottish and Welsh governments are not always in sync, so measures in our country houses may vary between the nations. We thank all guests for adhering to the measures we have introduced to keep our guests, leaders and team members safe.

You can see our latest FAQs and guarantees at <https://www.hfholidays.co.uk/coronavirus-travel-advice>

Ventilation, Physical Distancing Measures and Group Sizes around the Houses

We will keep our public areas well ventilated; for your comfort you might want to pack an extra layer to keep you comfortable.

With the relaxation of physical distancing, we will be allowing larger groups to dine and relax in the bar together.

Hand sanitiser stations will be made available in frequently used public areas for guests and staff use. It is advisable to bring additional hand sanitiser for whilst you are out walking.

We always follow the latest regional government advice, but our one recommendation is don't forget your face mask! There is no requirement to wear a face covering in communal areas, but you may of course choose to. Some places throughout the UK may still require you to wear a mask even if the government legislation does not. With this in mind we suggest you bring a personal supply of face coverings for the duration of your stay.

Servicing Bedrooms:

At this stage we are not reintroducing our daily room servicing. Extra tea, coffee, milk, towels and toiletries will be available on request from our team. Bins can be left outside your door for emptying.

COVID-19 Symptoms or Cases

If a guest has symptoms of COVID-19 then they should inform the house team and immediately self-isolate to minimise any risk of transmission and make arrangements to request a COVID test. If a guest receives a positive test result, they should return home if they reasonably can. They should where possible use private transport but only drive themselves if they can do so safely. If a guest cannot reasonably return home, they should discuss their circumstances with the House Manager. Additional charges may be levied if a guest needs to self-isolate for longer than their planned holiday.

What can you do to help keep everyone safe?

- Wear a face mask/covering where required and please bring plenty of face coverings for the duration of your stay
- Carry/use hand sanitiser
- Wash your hands frequently with soap and water when possible
- Cover your mouth and nose with a tissue or your sleeve when you cough or sneeze
- Avoid passing round objects such as cameras & phones
- If you are displaying symptoms of Coronavirus, please do not travel to an HF Holidays House

green. Ease through a couple of lengths of the heated outdoor pool if you've still got energy to burn. Hole up in the light-filled conservatory with pretty views of the gardens or retire to the Drawing Room with its wood-panelled walls, log burner, library of books to browse and comfy seats to sink in to; there's a telescope for you to scour the night sky too. Welcome Information

A Welcome Information Pack providing details about the Country House and your holiday will be available in each bedroom. This personal pack of information will detail what to expect during your stay in the house, the menu for the duration of your stay, dinner & picnic lunch order forms and the guest registration form for completion.

Our houses are locked at night-time and accessible with a door code which is available in the Welcome Pack. However, we also recommend making a note of the Duty Manager number on arrival, in case of an emergency or getting locked out.

Evenings

Join our team after dinner on Wednesday evenings to see if you've got the knowledge to triumph in the HF Big Pub Quiz! There will also be another evening of entertainment at the beginning of the week which will vary depending on the house you are visiting.

If there are leaders resident, they will be available to chat to guests about self-guided walks. You can borrow walking route notes and maps from our Discovery Point.

Walks Talks – Guided Walking Information Briefings

Self-Guided guests are always welcome to join our Guided Walking briefings to hear about the local conditions.

Our leaders will deliver a Guided Walking Information Briefing on each arrival day before and after dinner followed by a group Walks Talk to let guests know about the following day's walks. Walks Talks are usually before and after dinner prior to each walking day. The information is repeated so you can join whichever time suits you.

If you are undecided which walk to do, our leaders will be available in the bar or lounge to answer any questions you might have. Our website contains up-to-date information about the walks for each holiday.

Before you leave for your walk your leader will run through a short safety briefing for the day.

Each day, the latest weather forecast will be displayed for all guests to check to ensure appropriate clothing is worn for the walks.

Please note, if you decide to do your own walks, or you are on a self-guided walking holiday, you must complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.

Food & Drink

As at all our country houses, holidays are full board, from afternoon tea served as a welcome treat through that evening's meal to a hearty breakfast on the day of departure. Food at Abingworth Hall is varied with a strong emphasis on the use of seasonal British produce. Our experienced chefs create each dish using only the freshest ingredients and, when in season, use home grown herbs and vegetables taken from our own gardens to give a true taste of the local area.

Along with many hospitality business across the UK we are presently experiencing disruption to our food and drink supply chain. Covid continues to limit the ability of suppliers to deliver and the war in Ukraine (along with several other global challenges) is impacting availability of many basic products. We are working hard to ensure that these challenges do not negatively impact your holiday but ask for your understanding should we need to make last minute changes to dishes or menus.
