## ACCOMMODATION

### Nythfa House

Pretty country pile Nythfa House stands above the traditional mid-Wales market town of Brecon and sits within easy reach of the Brecon Beacons National Park. Having spent its early life as a large private house, the building has been converted into a comfortable country hotel. The interiors look like they've evolved naturally over time, staying rooted in the local area and house architecture while being filled with contemporary furniture and colours. As well as 28 rooms and a range of public spaces and an inviting indoor pool to tempt you, there are pretty grounds and a short walk to the streets of Brecon itself. The contrasting countryside close by provides challenges including sweeping ridges, an ascent of the Black Mountains and scaling Pen-y-Fan as well as more subtle strolls through the river-carved landscapes of the Melte Valley, along the trail of a series of awesome waterfalls, or time dawdling through the second bookshops in Hay-on-Wye.

### Important Covid-19 Steps We Have Taken For Guest Safety: Please Read

As we slowly reopen in the wake of the Coronavirus lockdown, our country house stays are set to be organised a little differently; extra steps have been taken to keep our guests, house teams and leaders safe while we return to action. We ask all our guests to respect the measures put in place.

Initially the overall capacity of the houses has been reduced. Guests must wear face coverings in public spaces. To adhere to social distancing guidelines, we have taken the necessary steps to space out furniture and seating in public areas. In addition, a one-way system will be in place around the house. Adequate signage will be displayed to support the direction of travel to be followed by guests and house teams.

As a temporary measure, we will not be servicing rooms during a stay. Extra tea, coffee, milk, and toiletries will be made available on request for all guests. It is recommended that guests bring their own toiletries for the duration of their stay. We have removed all non-essential and reusable items from our rooms for the meantime

including cushions, hairdryers, bathrobes, bed throws, and printed materials to reduce the number of items that need to be disinfected. Hairdryers will be available on request. Clean towels will be available on request. We will though be increasing the frequency of cleaning in our public areas providing particular attention to frequently touched items including door handles and handrails.

For now, there is no cream tea on arrival day. We have also adapted our food offering to remove all buffets and open food items. Different sittings may be required for breakfast and dinner due to the occupancy and size of the house. Picnic lunches will now be pre-ordered the night before from an order form in the room. The bar in each country house will be open, and we will be offering a table service for drinks. At this time there is no, or only a very limited, evening social programme available. Outdoor swimming pools at those houses that have them will re-open throughout August, except at Freshwater Bay House, where the pool will remain closed for 2020. Indoor swimming pools will remain closed.

For more information and to see all the steps taken, [visit our page on how house stays will be adapted](#).

## Rooms

*Tea & coffee-making facilities, TV, Hairdryer, Toiletries, Wi-Fi*

Stay in the smartly presented rooms in the main house or in one of the handful of garden rooms across the grounds. With 28 rooms, Nythfa House has plenty of space and there's a range of Good, Better and Best Rooms to choose from. Opt for Rooms 6 or 7 in the main house for delightfully decorated, spacious places to stay, each with sumptuous views over the garden and Brecon Beacons. Room 21 is a quirky 'Better' room up in the eaves, with a separate sitting space and cosy bedroom, just mind your head on the low ceiling. Look out for the fresh floral designs in the pretty garden rooms too, which have their own small deck.

*All 'Good' rooms are ensuite and furnished to a high standard. There are also several 'Better' and 'Best' Rooms that are either larger or have a desirable view, a more luxurious mattress and larger television – upgrade your stay for just an extra £15-25 per person per night. You can choose a specific room for an extra £30 per room, subject to availability. Upgrade supplements still apply.*

## Facilities

*Free Wi-Fi, boot room and drying room, extensive garden, indoor swimming pool, lounge, library and board games to borrow*

After a day exploring cascade country or the Beacons, come back to the house and its specially tailored walkers' facilities. At the front of the house there's a pretty garden to pause in, with a putting green and croquet lawn attached. Duck into the conservatory to enjoy views out over the gardens from under the twisting branches of an old vine. Across the way in a separate building is a good-sized indoor swimming pool with floor-to-ceiling windows at one end. Whether you relax in the lounge, or get together with other guests for a board game or great conversation, make sure to make time for the cosy bar, and try a dram of award-winning whisky from the local Penderyn distillery, which uses water from the Brecon Beacons National Park. There's also a Welsh gin that's wonderfully well regarded.

## Food & Drink

As at all our country houses, holidays are full board, from afternoon tea served as a welcome treat through that evening's meal to a hearty breakfast on the day of departure. Lunch is a chance to stock up on our famous picnic snacks. Food at Nythfa House is varied and tasty and has a strong emphasis on ingredients from the area and seasonal produce. Once a week the dining room in the converted barn hosts a Local Food Night, when, over a sociable evening, you might try a five-course feast of regional flavours. Make a beeline for the big bay window table to try Cawl Cennin, a leek broth, served with a Welsh Rarebit finger, followed by Tatws Pum Munud, a speciality Welsh potato dish, or double roasted Welsh lamb. The kitchen offers up an Asian influence as well courtesy of the towns Gurkha community, and you might enjoy Nepalese momos (dumplings) or fillet of sea bream marinated with Nepalese spices for an alternative take on local tastes. Whatever, round your evening off with South Wales marmalade sponge with lashings of Penderyn whisky custard.
