ACCOMMODATION

Monk Coniston

Wrapped in manicured gardens with stunning views over Coniston Water, Monk Coniston combines country house grandeur and romantic, gothic-style charm with contemporary touches to great effect among the rugged landscapes of the Lake District. Rocky mountains and grassy fells loom all around this handsome home, once owned by Beatrix Potter, and more latterly turned hikers' hotel and owned by the National Trust. Fell-flecked scenery unfurls from the windows of the bedrooms in the main house, adjoining cottage and counting house. While the setting remains traditional and the grand entrance recalls a traditional era, the interiors have been swept into the present with bold patterns and comfy fabrics. Beyond the house, trails from the doorstep set off to explore the Lake District. Climb famous summits including Bow Fell, the Langdale Pikes and the Old Man of Coniston. Bag a series of Wainwright summits. Alternatively, slip into the beautiful valleys and stroll picturesque lakeside paths in search of secret corners such as Cathedral Cove in Little Langdale.

Important Covid-19 Steps We Have Taken For Guest Safety: Please Read

Following the relaxation in government guidance on 19 July, we are continuing to take extra steps to keep our guests leaders, and staff safe in our HF country houses. We ask all our guests to respect the measures put in place.

The English, Scottish and Welsh governments are not in sync, so measures in our country houses will vary between the nations. With the relaxation of social distancing in England, from 19 July we will be allowing larger groups to dine and relax in the bar together. However, we will still give guests space e.g. we will seat 6 people at a table where pre-pandemic we may have seated 8. We will ensure our public rooms are well ventilated by opening doors and windows wherever possible. If you have any concerns about distancing, please speak to

the House Manager. The government recommendation for England is to wear face coverings in crowded areas. You must wear a face covering by law in public areas in hotels in Scotland. This is mandatory in public spaces; however, face coverings will not be required whilst eating and drinking in the restaurant and bar areas or whilst you are outside our houses. In Wales face coverings will remain a legal requirement indoors, with the exception of hospitality premises.

As a temporary measure, we will not be servicing rooms during a stay. Extra tea, coffee, milk, and toiletries will be made available on request for all guests. It is recommended that guests bring their own toiletries for the duration of their stay. We will though be increasing the frequency of cleaning in our public areas providing particular attention to frequently touched items including door handles and handrails.

Menus for the week will be available in your room on arrival. A self-service breakfast will be served from 7.45am – 9am. Picnic lunches will now be pre-ordered the night before from an order form in the room. Evening meals will be table service. A dinner order form will be available in each room for completion. Dinner is served at either 7.15pm or 7.30pm. Please check at the house for details. The bar will be open. We will be offering a table service but guests can also come to the bar to order (depending on local restrictions).

Join our team after dinner on Wednesday evenings for the HF Big Pub Quiz. There will be one other evening of entertainment at the start of the week, which will vary depending on the country house that you are staying at. Our Walk Leaders will also be on hand in the bar or lounge for individual or small group walks talks briefings, which allow guests to talk through the following day's walk options and ask any questions. All of our swimming pools are open, except for Glen Coe, which will not re-open this year. Swimming Pools will be operated in line with maximum capacities.

For more information and to see all the steps taken, [visit our page on how house stays will be adapted](#).

Rooms

Tea & coffee-making facilities, TV, Hairdryer, Toiletries, Wi-Fi

Stay in the smartly presented rooms in the main house. With 32 rooms, Monk Coniston has plenty of space and there's a range of Good, Better and Best Rooms to choose from. Rooms with a view are well worth the extra spend as you'll be overlooking the gardens or the lake. Our favourite is Room 9 on the first floor, which contains some of the original features from when it was first built in 1885, a striking sailboat-patterned wallpaper and opens on to beautiful views of the gardens and fields that slope down to the shore of Coniston Water.

All 'Good' rooms are ensuite and furnished to a high standard. There are also several 'Better' Rooms that are either larger or have a desirable view, a more luxurious mattress and larger television – upgrade your stay for just an extra £15-25 per person per night. You can choose a specific room for an extra £30 per room, subject to availability. Upgrade supplements still apply.

Facilities

Free Wi-Fi, boot room and drying room, extensive garden, lounge, bar, Lakeland barn for activities, library and board games to borrow

After a day exploring the Lake District, return to the house. Stroll through the extensive grounds with their putting green and croquet lawn and uncover the hidden walled garden on the hill behind the house. Take a turn around the National Trust nature trail and look out for the fabulous, rare mature trees. Stumble on the small secret folly stood quietly among the bluebells when they're out and the lush green grass when they're not. Catch up with fellow guests in the bright and spacious lounge or grab a drink from the airy bar and wander down the garden to the bench overlooking Coniston Water for the perfect place to enjoy a sundowner – you might even spot the restored steam yacht Gondola cruising the five-mile length of the lake. After hours, duck into the converted Lakeland barn with its exposed beams and rustic chandelier for evening activities and skittles.

Food & Drink

As at all our country houses, holidays are full board, from afternoon tea served as a welcome treat through that evening's meal to a hearty breakfast on the day of departure. Lunch is a chance to stock up on our famous picnic snacks. Food at Monk Coniston is varied and tasty and has a strong emphasis on ingredients from the area and seasonal produce. Once a week the bright dining room with its giant fireplace and oversized mirror hosts a Local Food Night, when, over a sociable evening, you might try a five-course feast of regional flavours. From a cup of Monk Coniston walled garden vegetable soup to a Wabberthwaies Cumberland sausage – the only Cumberland sausage to have a royal warrant and to be served on Concorde – to twelve-hour slow cooked Cumbrian lamb and Ravenglass crab and Morecambe Bay shrimp cakes, the kitchen puts out the best of the Cumbrian countryside. Look out too for the Kendal Mint cheesecake among the assiette of deserts.
