ACCOMMODATION

The Peveril Of The Peak

The Peveril of the Peak, named after Sir Walter Scott's novel, stands proudly in the Peak District countryside, close to the village of Thorpe. Backed by the cone of Thorpe Cloud, which guards the entrance to Dovedale Gorge and the famous stepping stones at the entrance to the gorge, it's an ideal base for people hoping to explore the Derbyshire countryside. Surrounded by extensive grounds and rolling countryside, it's a picturesque retreat with 46 rooms, large shared spaces and a pleasant bar. Stride out from the house to find Dovedale's wooded ravine, cave-like Dove Holes and of course stepping stones. Upstream lie the heights nicknamed the Dovedale Castle and the Twelve Apostles, best viewed from the grassy spur called Lovers' Leap. While the Peak bit of the area name refers to small English hills rather than great summits, there's superb walking to be had on the Roaches and the gritstone escarpment of Stanage Edge, while Chatsworth, Tissington and Bakewell make attractive places to explore too.

Important Covid-19 Steps We Have Taken For Guest Safety: Please Read

As we slowly reopen in the wake of the Coronavirus lockdown, our country house stays are set to be organised a little differently; extra steps have been taken to keep our guests, house teams and leaders safe while we return to action. We ask all our guests to respect the measures put in place.

Initially the overall capacity of the houses has been reduced. Guests must wear face coverings in public spaces. To adhere to social distancing guidelines, we have taken the necessary steps to space out furniture and seating in public areas. In addition, a one-way system will be in place around the house. Adequate signage will be displayed to support the direction of travel to be followed by guests and house teams.

As a temporary measure, we will not be servicing rooms during a stay. Extra tea, coffee, milk, and toiletries will be made available on request for all guests. It is recommended that guests bring their own toiletries for the duration of their stay. We have removed all non-essential and reusable items from our rooms for the meantime including cushions, hairdryers, bathrobes, bed throws, and printed materials to reduce the number of items that need to be disinfected. Hairdryers will be available on request. Clean towels will be available on request. We will though be increasing the frequency of cleaning in our public areas providing particular attention to frequently touched items including door handles and handrails.

For now, there is no cream tea on arrival day. We have also adapted our food offering to remove all buffets and open food items. Different sittings may be required for breakfast and dinner due to the occupancy and size of the house. Picnic lunches will now be pre-ordered the night before from an order form in the room. The bar in each country house will be open, and we will be offering a table service for drinks. At this time there is no, or only a very limited, evening social programme available. Outdoor swimming pools at those houses that have them will re-open throughout May to September. Indoor swimming pools will remain closed.

For more information and to see all the steps taken, [visit our page on how house stays will be adapted](#).

Food & Drink

Lunch is a chance to stock up on our famous picnic snacks. Food at Peveril of the Peak is varied and tasty and has a strong emphasis on ingredients from the area and seasonal produce. Once a week the dining room hosts a Local Food Night, when, over a sociable evening, you might try a five-course feast of regional flavours that might include venison sausage and Derbyshire oatcake, roast rump of Chatsworth lamb and a homemade Bakewell tart with a scoop of decadent Peak Dairy cherry Bakewell ice cream.
