Freshwater Bay House

Holidaying on the picturesque Isle of Wight doesn't get any better than at Freshwater Bay House. Stood atop the island's classic white cliffs and dominating the bay that it is named after, Freshwater Bay House has a gorgeous location. As well as 43 bedrooms, many decked out in blue and white printed wallpaper featuring foam-tipped waves breaking softly across the walls that act as a promise of the coastal scenery to come, there are three lounges and a friendly bar. Extensive gardens give on to the coast path, with a staircase that drops to the beach one way, while a path leads away across Tennyson Down towards the Needles in the other direction. If you're experiencing some of the island's plentiful sunshine (it averages around 2,000 hours a year), head to Alum Bay for coloured sands or Compton Bay for dinosaur footprints. Explore Carisbrooke Castle, stroll through Ventnor Botanic Gardens and keep an eye out for red squirrels in Borthwood Copse and America Wood.

Need To Know

Important Covid-19 Steps We Have Taken For Guest Safety: Please Read

As we slowly reopen in the wake of the Coronavirus lockdown, our country house stays are set to be organised a little differently; extra steps have been taken to keep our guests, house teams and leaders safe while we return to action. We ask all our guests to respect the measures put in place.

Initially the overall capacity of the houses has been reduced. Guests must wear face coverings in public spaces. To adhere to social distancing guidelines, we have taken the necessary steps to space out furniture and seating in public areas. In addition, a one-way system will be in place around the house. Adequate signage will be displayed to support the direction of travel to be followed by guests and house teams.

As a temporary measure, we will not be servicing rooms during a stay. Extra tea, coffee, milk, and toiletries will

be made available on request for all guests. It is recommended that guests bring their own toiletries for the duration of their stay. We have removed all non-essential and reusable items from our rooms for the meantime including cushions, hairdryers, bathrobes, bed throws, and printed materials to reduce the number of items that need to be disinfected. Hairdryers will be available on request. Clean towels will be available on request. We will though be increasing the frequency of cleaning in our public areas providing particular attention to frequently touched items including door handles and handrails.

For now, there is no cream tea on arrival day. We have also adapted our food offering to remove all buffets and open food items. Different sittings may be required for breakfast and dinner due to the occupancy and size of the house. Picnic lunches will now be pre-ordered the night before from an order form in the room. The bar in each country house will be open, and we will be offering a table service for drinks. At this time there is no, or only a very limited, evening social programme available. Outdoor swimming pools at those houses that have them will re-open throughout May to September. Indoor swimming pools will remain closed.

For more information and to see all the steps taken, [visit our page on how house stays will be adapted](#).

Rooms

Tea & coffee-making facilities, TV, Hairdryer, Toiletries, Wi-Fi

Stay in one of the main building's bright, beautifully presented rooms, many that come with sea views. They're mostly spacious and chic, styled to acknowledge the house's nautical connections but with a modern twist of dove greys, clean whites and contemporary furniture. With 43 bedrooms, Freshwater Bay House has plenty of space and there's a range of Good, Better and Best Rooms to choose from: Rooms 19 and 20 on the first floor come with spectacular sea views out over the English Channel; Rooms 18 and 22 are sumptuous corner rooms with expansive views over both the bay and Tennyson Downs. If it's a room with a view you're after, ask for Room 24, a superb, spacious corner space with five large windows all overlooking the gardens and bay, with its own private sitting room to relax in. Request Room 39 on the second floor and you'll get an attractive corner room complete with a bath to soak in after a day of coastal walking.

All 'Good' rooms are ensuite and furnished to a high standard. There are also several 'Better' and 'Best' Rooms that are either larger or have a desirable view, a more luxurious mattress and larger television – upgrade your stay for just an extra £15-25 per person per night. You can choose a specific room for an extra £30 per room, subject to availability. Upgrade supplements still apply.

Facilities

Free Wi-Fi, boot room and drying room, extensive garden, outdoor swimming pool, multi-purpose activity room, lounges, library and board games to borrow

After a day walking on the coast, come back to the house and its specially tailored walkers' facilities. Relax by sitting in the extensive gardens or challenge a fellow guest to a game of croquet. If you're visiting with children, turn them loose in the outdoor playground area or watch them splash in the large heated alfresco pool (closed for 2020) – there's seating with sea views for you to enjoy a drink in too on a hot English summer's day. For something less strenuous, snag a comfy chair in one of the three cosy lounges to read a book, play a board game or just hideaway; there's a grand piano in one if you're feeling musical. Head to the bar before dinner to perch on a tall stool with a perfect gin and tonic made with the Isle of Wight's very own Mermaids Gin and a chance to catch up with your companions.

Food & Drink

As at all our country houses, holidays are full board, from afternoon tea served as a welcome treat through that evening's meal to a hearty breakfast on the day of departure. Lunch is a chance to stock up on our famous picnic snacks. Food at Freshwater Bay House is hearty and has a strong emphasis on ingredients from the area and seasonal produce. Once a week the light-filled dining room hosts a Local Food Night, when, over a sociable evening, you might try a five-course feast of local flavours.

Broadly diamond shaped, the island is 25 miles long and 15 miles wide. This makes it ideally sized for a week's walking and exploration.

Freshwater Bay

Freshwater Bay is a small semi-circular cove at the foot of the garden of Freshwater Bay House. There is a pebble beach here and sandy beaches approximately 3 miles away at Totland Bay or Colwell Bay. Shops and banks are located in Freshwater village, about 30 minutes' walk away. The house is located at the foot of Tennyson Down, a popular walking route which leads to The Needles and Alum Bay.

Yarmouth

The small harbour town of Yarmouth is located three miles north of Freshwater Bay; either a 10-minute drive or a pleasant 1-hour walk away, following the path of the River Yar. It can also be reached using the 'Needles Breezer' open-top bus. Yarmouth has a selection of small shops and pubs, and there's always a bustle of activity around the harbour. [Yarmouth's Tudor castle](#) is also worth a visit.

During the main season (May to Sept) we offer an excursion to Osborne on most Wednesdays.

[Carisbrooke Castle](#) is around 20 minutes' drive from Freshwater Bay and can also be reached direct using the number 12 bus. Alternatively, it is possible to walk here right from the door of Freshwater Bay House by following the Tennyson Trail (approx. 9.5 miles).

Alum Bay

[Alum Bay](#) is world-famous for its multi-coloured sand cliffs where 21 different shades of sand have been naturally created from various minerals. There is a chairlift down the cliff to the beach which gives amazing views of the sands and across the Solent. On the cliff top there are various other visitor attractions including a glass-blowing workshop and obligatory sand shop where visitors can fill glass ornaments with their choice of sand. Alum Bay can be reached on foot directly from Freshwater Bay house or on a 15-minute ride by public bus.

Ventnor is 30 minutes' drive from Freshwater Bay and in Summer can be reached using the 'Island Coaster' bus.

Bembridge Windmill

This [Grade I listed windmill](#) is the only surviving windmill on the Isle of Wight, now managed by the National Trust. It was built around 1700 and closed in 1913. It has four floors to explore and most of its original machinery is still in situ. The windmill was famously painted by JMW Turner in 1795.
