TRIP SUITABILITY

Cape Wrath Classic is graded 4, with walks /hikes of long distances in remote countryside and rough and often pathless terrain, occasionally requiring river crossings. Sustained ascents and descents and occasional sections of rocky and steep ground are encountered. Weather can be unpredictable. You will require a good level of fitness as you will be walking every day. It is your responsibility to ensure you have the relevant fitness and equipment required to join this holiday. A sustained effort is required to complete each walk and provision cannot be made for anyone who opts out. Please be sure you can manage the mileage and ascent detailed in the daily itineraries. Each walking day on this holiday will vary between approximately 6 and 9 hours and it is important for your own enjoyment, and that of your fellow guests that you can maintain the pace. It makes a lot of sense to spend time getting some additional exercise before your holiday. We suggest that you try to fit in a number of longer walks, including some on hilly and rough terrain. Other exercises such as cycling, jogging and swimming are also excellent for developing increased stamina.

ITINERARY

Day 1: Arrival Day

Transfer from Inverness rail station and airport, leader introduction and evening meal.

Day 2: Highlights Of Durness

Our first day gives us a chance to familiarise with the area and the type of walking we can expect for the next two days. We start on the coast just east of Durness and explore the abandoned township of Ceannabeine, before heading steeply up Beinn Ceannabeinne itself with stunning views in all directions. Taking an easier route down, we head for the famous Smoo Cave and the beautiful coastal scenery of the area. Passing the delightful Sango Sands beach and the village of Durness, we finish our walk at Balnakeil Craft Village to maybe enjoy a hot chocolate at Cocoa Mountain, or have a paddle on Balnakeil Beach.

8½ miles (13.5km) with 1,600 feet (490m) of ascent.

Day 3: Cape Wrath

We use a ferry to cross the Kyle of Durness and a minibus takes us to Cape Wrath, the most northerly point on the mainland in a stunning setting with its lighthouse sitting on top of some of the highest cliffs in Britain. From Cape Wrath you'll walk across pathless terrain to Sandwood Bay and its famous sea stack, Am Buchaille. This is a wild and remote area. There are no escape routes or vehicular access and the route can involve crossing rivers, bog and peat hags. The rewards however are spectacular.

14 miles (22 km) with 1,500 feet (450m) of ascent.

Day 4: Ben Stack

Walk along the delightful banks of the River Laxford, one of Scotland's finest salmon rivers, followed by an ascent of the pyramidal Ben Stack. The walk on Ben Stack is steep in places with only intermittent paths and leads to a fine summit ridge with fine views to Arkle and Foinavon.

7½ miles (12.5 km) with 2,500 feet (760m) of ascent.

Day 5: Achfary To Glen Coul

Follow a good path across to Kylesku at the mouth of Loch Coul, and take a boat trip on Glendhu Loch with spectacular views of the local mountains and amazing geology and bird life.

8 miles (13km) with 1,320 feet (400m) of ascent.

Day 6: Handa Island

A short ferry crossing takes you to this RSPB Bird Reserve where we have plenty of time to watch the sea birds and enjoy a superb cliff top walk around the island visiting the Great Stack of Handa. Occasionally dolphins and even whales can be seen.

4 miles (6.5 km) with 500 feet (150m) of ascent.

Day 7: Bealach Na H-Uidhe

A walk from Loch an Gainmhich through wild and remote scenery to the delightful Loch Bealach a Bhuirich. From here an excellent stalkers' path brings us up to the pass between Glas Bheinn and Beinn Uidhe, where ptarmigan can sometimes be seen, before descending across country to our hotel at Inchnadamph.

10 miles (16km) with 2,250 feet (680m) of ascent.

Day 8: In The Shadows Of Suilven

Trek through some of the wildest and most dramatic scenery in Scotland beneath Canisp and the iconic Suilven, whose ever changing form and dramatic outline will captivate you. The route finishes at Lochinver.

12 miles (19km) with 800 feet (245m) of ascent.

Day 9: Departure Day

Transfer back to Inverness airport and rail station.

USEFUL HOLIDAY INFORMATION

Holiday Information

We try to create a relaxed atmosphere on the walk but please listen to safety instructions from your leader.

Keep members of the group in view especially when weather or visibility is poor. If you leave the group, then your leader will no longer have responsibility for you. Our leaders consider the safety of the group as a whole and are likely to be more cautious over potential risks such as bad weather.

The Cape Wrath Trail is unusual in that there is no set route – walkers effectively make their own version of the trail, taking a line between Fort William and Cape Wrath. Our Cape Wrath Classic takes in some of the best sections of the north western part. The quality of the landscape and wildlife is exceptional. We may occasionally see golden eagles, otters and possibly sea eagles. There is a very good chance of seeing red deer, ravens and ptarmigan on the higher slopes. In the Handa Island bird reserve we may see puffins, divers, gannets, as well as arctic and great skua.

Most of the area where we walk sits inside the North West Highlands Geopark and is one of the most famous areas for geology in the British Isles. Assynt in particular has been described as an 'internationally acclaimed

geological showpiece'. The area has some of the oldest rock formations on earth, as well as limestone caves where traces of early man, wolves and bears have been found.

The Cape Wrath Trail visits terrain both remote and pristine. The coast and mountains of Sutherland present one of Europe's last great wildernesses and when you sign up for this trail, you're signing up to a truly memorable experience.

What To Bring

Essential Equipment

To enjoy walking/hiking comfortably and safely, footwear, clothing and equipment needs to be suitable for the conditions. Safety and comfort are our priorities, so our advice is to come prepared for all eventualities.

- Footwear with a good grip on the sole (e.g. Vibram sole) is the key to avoiding accidents
- Walking/hiking boots providing ankle support and good grip are recommended (ideally worn in), and specialist walking socks to avoid blisters. Trekking/approach shoes are not recommended for this trek
- Sturdy sandals for any river and stream crossings. This is most relevant to the June departure
- Several layers of clothing, which can be added or removed, are better than a single layer (include spares)
- Fabrics (lightweight and fast drying) designed for the outdoors are recommended
- Waterproof jacket and waterproof over trousers
- Warm hat and gloves. Gaiters are an optional but useful extra
- Denim jeans and capes are not suitable on any walks
- 35-40 litre rucksack with a waterproof liner
- Water bottle (at least 1.5-2 litres)
- Spare high-energy food such as a chocolate bar
- Small torch
- First aid kit – your leader's first aid kit doesn't contain any medication or blister kits (such as Compeed)

Optional Equipment

- Walking poles are useful, particularly for descents and for crossing streams and snow patches
- Sun hat
- Sunglasses
- Sun cream
- Camera

Essential Information

Travel Insurance

We strongly recommend that you take out travel insurance and any other personal insurance relevant to you and the holiday. It is particularly important with the possibility of flight changes and cancellations due to the challenging weather conditions that can occur on the islands and might impact your onward travel arrangements.

Useful Information

Ticks

Ticks are tiny creatures that live in vegetation and can attach themselves to passing animals or walkers and may carry a risk of Lyme Disease. Please refer to NHS advice and guidelines for information prior to your holiday.

Our experienced and knowledgeable volunteer leaders undergo a thorough assessment to lead you on your Guided Walking/Hiking Trail and are delighted to share their knowledge and enthusiasm with you.

Please ensure you complete and hand in your registration form on arrival and let the leader know about any medical problems you may have. This may be useful in the event of a problem on the walk and will be treated confidentially by the leader.

In The Event Of A Problem

If you become separated from the party, please stay where you are. Your leader will retrace their steps to find you.

All our leaders carry a mobile phone, group shelter, spare maps and a compass. In the unlikely event your leader is incapacitated, please use any emergency kit in their rucksack. Call the emergency services (call 999 in the UK, or 112 overseas).
