TRIP SUITABILITY

This Guided Walking /Hiking Trail is graded 3 which involves walks / hikes on well-defined paths, though often in hilly or upland areas. These may be rough and steep in sections and will require a good level of fitness. It is your responsibility to ensure you have the relevant fitness required to join this holiday.

Fitness

We want you to be confident that you can meet the demands of each walking day and get the most out of your holiday. Please be sure you can manage the mileage and ascent detailed in the daily itineraries. It is important for your own enjoyment, and that of your fellow guests that you can maintain the pace.

It makes a lot of sense to spend time getting some additional exercise before your holiday. We suggest that you try to fit in a number of longer walks, including some on hilly terrain. Other exercises such as cycling, jogging and swimming are also excellent for developing increased stamina.

Holiday Information

We try to create a relaxed atmosphere on the walk but please listen to safety instructions from your leader.

Keep members of the group in view especially when weather or visibility is poor. If you leave the group, then your leader will no longer have responsibility for you. Our leaders consider the safety of the group as a whole and are likely to be more cautious over potential risks such as bad weather.

What To Bring

Essential Equipment

To enjoy walking/hiking comfortably and safely, footwear, clothing and equipment needs to be suitable for the conditions. Safety is our priority and Britain is famous for its changeable weather, so our advice is to come prepared for all eventualities.

- Footwear with a good grip on the sole (e.g. Vibram sole) is the key to avoiding accidents
- Walking/hiking boots providing ankle support and good grip are recommended (ideally worn in), and specialist walking socks to avoid blisters
- Several layers of clothing, which can be added or removed, are better than a single layer (include spares)

- Fabrics (lightweight and fast drying) designed for the outdoors are recommended
- Waterproof jacket and waterproof over trousers
- Warm hat and gloves. Gaiters are an optional but useful extra
- Denim jeans and capes are not suitable on any walks
- Rucksack with a waterproof liner
- Thermos flask for hot drink
- Water bottle (at least 1 litre)
- Spare high-energy food such as a chocolate bar
- Small torch
- First aid kit – your leader's first aid kit doesn't contain any medication or blister kits (such as Compeed)

Optional Equipment

- Walking poles are useful, particularly for descents
- Insect repellent
- Sun hat
- Sunglasses
- Sun cream
- Camera
