ITINERARY

Day 1: Arrival Day

Welcome to Hotel San Nicola. Unpack and settle in.

Day 2: Altamura And The Pulo

Today both groups will visit the nearby national park of Alta Murgia to see one of its most spectacular features. During both walks we will visit the 'Pulo' of Altamura, one of the largest dolines (sink holes) in Italy. The caves in this cliff-lined depression were once home to prehistoric man. The area is a haven for wildlife and flowers, and you may see species of butterfly, orchid, crocus and cyclamen. Both walks will finish at the the Altamura Man exhibition, where there will be time to visit it.

Option 1 - Altamura & The Pulo

Distance: 7 miles (11.5km)

Total ascent: 165 feet (50m)

In summary: We'll start north of the Pulo and after a walk through typical Murgia scenery we will explore the rim of the Pulo with views into the depression. We will then descend through a further area of the National Park, first more steeply across the limestone, then on gravel paths before arriving at the Altamura Man Visitor Centre.

Highlight: The Pulo depression, the largest doline in southern Italy.

Option 2 - Altamura & The Pulo Extended

Distance: 8½ miles (14km)

Total ascent: 230 feet (70m)

In summary: The harder walk takes a longer and more securitious route to the Pulo, walking amongst typical Murgia scenery. Along the way we visit a well with a slightly gruesome history. Arriving at the Pulo we explore the rim of the depression before walking to the Altamura Man Visitor Centre by the same route as the easier walk.

Highlight: Visit the 'Altamura Man Visitor Centre' to learn about the preserved Genus Homo remains found in a cave near Altamura.

Day 3: Matera And The Sassi

Both groups will travel to the World Heritage Site of Matera, about 11 miles from our hotel. We start at the Jazzo Gattini outside the town and walk through the limestone scenery on the north of the deep Matera ravine. The whole group will follow the same route accompanied by an experienced and knowledgeable local guide. We are likely to visit a number of ancient rock churches and other antiquities and enjoy spectacular views across the ravine to the city. We will then descend into the ravine before ascending to arrive in the town itself. In the afternoon there is an opportunity to visit a trolodyte house museum and romanesque style cathedral, or to explore the town independently and enjoy a break in a local bar.

Day 4: Alta Murgia And Castel Del Monte

Today we visit our second World Heritage Site of the week. Castel del Monte stands as a beacon to beckon us forwards.

Option 1 - Castel Del Monte

Distance: 5 miles (8km)

Total ascent: 600 feet (180m)

In summary: This walk starts to the east of the castle and wanders on good tracks through olive groves and past many whitewashed 'Trulli' houses. Hopefully there will be an opportunity for lunch and drinks to be enjoyed at a remote farmhouse, before ascending to the castle itself, where there will be some time to visit the inside of the castle (payable locally) to speculate on the many oddities of its construction.

Highlight: View Castel del Monte - a World Heritage Site that was completed in 1250

Option 2 - Alta Murgia And Castel Del Monte

Distance: 10 miles (17km)

Total Ascent: 1000 feet (300m)

In summary: The Harder walk begins near the small hamlet of San Magno, southeast of the castle and takes a longer route on good tracks throughout to reach Castel del Monte. This route crosses the heart of the park and offers a chance to see the characteristic vegetation and agriculture of the limestone soils, before joining the route of the easier group. After lunch there may be time for an early afternoon drink at a farm. We can enjoy the panoramic views from the castle, before descending to our end point where we can enjoy a drink with the Easier group.

Highlight: Our route to the castle takes us through beautiful scenery - enhanced in the spring by wonderful wildflowers.

Day 5: Free Day

Each week there is a free day when no guided walks are offered. This is an ideal opportunity to relax around the hotel, walk independently or visit local places of interest. Some options for your free day may include:

Altamura: You may like to explore the historic town of Altamura, with its spectacular cathedral, archaeological museum, market, shops and ancient walls.

Alberobello: Alternatively, you may like to join an organised visit to the pretty World Heritage town and tourist hotspot of Alberobello, with its whitewashed 'Trulli' houses.

Bari: Easily reached by public transport, this old town and port contains many buildings of historical interest. Puglia's capital contains many churches but the most well known is the 11th century Romanesque Basilica de San Nicola, dedicated to St Nicholas, also known as Santa Claus. There are also many art galleries and, more recently, the futuristic football stadium was a venue for the 1990 World Cup.

Day 6: Gravina In Puglia

Today both groups will enjoy a circular walk from the town of Gravina in Puglia. We walk through archaeological areas occupied from the 5th century BC, amongst olive groves and pastures used by grazing goats. We can also enjoy far reaching views across the town and beyond. On our return we visit archaeological complexes accompanied by a guide.

Option 1 - Gravina In Puglia & Botromagno Hill

Distance: 7 miles (11km)

Total ascent: 800 feet (240m)

In summary: From the centre of Gravina we make our way across an ancient aqueduct to the far side of the ravine. We ascend Botromagno Hill, site of an Iron Age hill fort, to a plateau where we can explore several archaeological sites. Our walk takes us along tracks and paths with lovely views. On our return to Gravina, we visit the amazing Sotteranea archaeological complex before exploring the town and perhaps enjoying refreshments.

Highlight: We'll use an English-speaking guide to tour the Sotteranea - a fascinating underground complex.

Option 2 - Gravina In Puglia, Serra Pendino And Botromagno Hill

Distance: 7½ miles (12km)

Total ascent: 1,100 feet (330m)

In summary: The harder walk starts to the south of Gravina and follows tracks and quiet lanes, traversing the flanks of the Serra Pendino and walking gently uphill to reach the plateau of Botromagno, where it joins part of the route of the easier walk. There are opportunities to visit some of the archaeological remains on the plateau before descending to Gravina and joining the easier party to visit the Sottoranea complex and maybe have refreshments.

Highlight: The summit of Botromagno Hill features the remains of an Iron Age fort.

Day 7: Mercadante Forest

Today's walks in the Mercadante Forest provide a contrast to the open landscape of the limestone plateau.

Option 1 - Jazzo And Masseria

Distance: 6 miles (10km)

Total ascent: 560 feet (170m)

In summary: Our route starts in the forest taking us through the northern edge of this woodland and out to open heathland. We continue to a deserted 'jazzo' before our route heads back into the woods and returns us to the taverna.

Highlight: This 'artificial' forest is home to many species of birds

Option 2 - Mercadante Forest Exploration

Distance: 9½ miles (15km)

Total ascent: 850 feet (260m)

In summary: We follow the same route as the easier walk to the deserted 'jazzo'. From here we will continue south of the forest before heading back into the woodland to join the easier party for refreshments.

Highlight: We find a peaceful and sun-dappled spot perfect for a picnic lunch.

Day 8: Departure Day

We hope to see you again soon.

USEFUL HOLIDAY INFORMATION

Essential Information

Passport Requirements

You may need to renew your British passport if you're travelling from 1 January 2021.

On the day you travel, you'll need your passport to both:

- have at least 3 months left
- be less than 10 years old (even if it has 6 months or more left)

Use the [government website](#) to see if your passport is valid for this holiday

EHIC Cards

The UK government has officially launched the Global Health Insurance Card (GHIC), which will replace the European Health Insurance Card (EHIC). UK residents can now apply for one of the GHIC cards, which will gradually replace the EHIC cards as they reach their expiry dates. Every family member travelling requires a GHIC. You can make an application for yourself and on behalf of your partner and any dependent children

under the age of 16. Both cards will offer equivalent protection for emergency and medically necessary healthcare needs when in the EU on a temporary stay, which includes holiday, study and business travel. Necessary healthcare includes things like

- emergency treatment and visits to A&E
- treatment for long-term or pre-existing medical conditions
- routine medical care for pre-existing conditions that need monitoring
- oxygen and kidney dialysis

The public only need to apply for their free GHIC cards when their current EHC expires. The process is likely to take two weeks. For more information visit <https://www.nhs.uk/using-the-nhs/healthcare-abroad/apply-for-a-free-uk-global-health-insurance-card-ghic/>.

The GHIC is not an alternative to travel insurance. We advise all holidaymakers to also invest in travel insurance that covers healthcare, so they are covered for other issues that may arise, as well as cancellations and lost luggage.
