ITINERARY – ITINERARY

Day 1 Arrival Day

Welcome to Hotel Spilia Village. Unpack and settle in.

Day 2 Rodopos Peninsula

Today both groups will visit Rodopos village with its narrow streets, stone houses and beautiful churches.

Option 1 - Rodopos

Distance: 6 miles (10km)

Total ascent: 300 feet (90m)

In summary: A short journey to a splendid viewpoint and then our walk starts via olive groves to Rodopos village. Quiet tracks take us back to Kolimbari and a chance to visit the monastery or beach before a taxi ride back to the hotel.

Highlight: The Gonas Monastery and museum, one of the best preserved monasteries on Crete.

Option 2 - Rodopos Peninsula

Distance: 8 miles (13km)

Total ascent: 1,400 feet (420m)

In summary: A short journey to the lovely village of Rodopos where we will make our way along old goat paths and quiet dirt tracks through this rocky spine of Rodopos Peninsula to our hotel.

Highlight: Mountain goat spotting, spy them scrambling over the rough, rocky terrain.

Day 3 Sirikari and Poryrnia

Our coach follows the coast road west from Kolimbari towards Kissamos and then drives inland to the rural interior of the island.

Option 1 – Sirikari Gorge & Polyirinia

Distance: 4 miles (6½km)

Total ascent: 300 feet (90m)

Total descent: 1,200 feet (360m)

In summary: Our walk descends steeply into the deep gorge of Sirikari. At the bottom we pass abandoned dwellings on a rocky path that goes beneath high cliffs, home to eagles and vultures. At the end of the gorge we ascend to the ancient village of Polyirinia where there is time to explore before meeting our coach.

Highlight: Sitting amongst the flowers on the terrace of the unique little teashop in Polyirinia and eating a freshly-baked cake – yum!

Option 2 – Sirikari Gorge, Polyirinia & Kissamou

Distance: 8 miles (13km)

Total ascent: 500 feet (150m)

Total descent: 2,000 feet (600m)

In summary: We follow the route of the easier group as far as Polyirinia. From here we continue along a wide open ridge with great views to reach the coast at the town of Kissamos.

Highlight: Stunning views of the turquoise Gulf of Kissamos and beyond to the Aegean Sea. When you reach it, take the chance to dip in a toe, or more, with a swim.

Day 4 South Coast Gorges

Today we offer a choice of the famous Samaria Gorge or the very attractive but shorter Imbros Gorge.

Option 1 – The Samaria Gorge

Distance: 10 miles (16km)

Total ascent: 100 feet (30m)

Total descent: 4,000 feet (1,200m)

In summary: An early start takes us to the top of the Samaria Gorge, high up in the White Mountains with dramatic scenery. This stunning gorge is 10 miles long and descends from the Omalos Plateau to the sea at Aghia Roumeli. We follow a good but rough trail with rest stations, water and basic toilet facilities. We should arrive at the bottom with time to enjoy a drink or a swim in the Libyan Sea before taking the afternoon ferry to Chorio Sfakion.

Highlight: The most famous part of the gorge is the stretch known as ‘the Gates’, where the sides close in to a narrow passage and soar up to a height of 980ft (300m).

Please note that the Samaria Gorge is at the high end of the HF Grade 3 level walk and guests must be in good health and steady on their feet to maintain a reasonable pace. Whilst the paths are rough, they are not steep or exposed, but this can be a tiring walk.

In April and late October, or at times of poor weather, the Samaria Gorge may be closed. In this case, a suitable alternative walk will be arranged by our knowledgeable local leaders.

Option 2 - The Imbros Gorge

Distance: 4½ miles (7km)

Total ascent: no ascent

Total descent: 2,000 feet (600m)

In summary: We drive to the little village of Imbros, high in the White Mountains. From here we head down the lovely, narrow Imbros Gorge which is usually very peaceful. Leaving the gorge we are met by our coach to make the short journey into the quaint little town of Chorio Sfakion, the capital of the region. As well as cafés and restaurants there is a pretty town beach and an opportunity to take the ferry to the remarkable resort of Loutro.

Highlight: Relax with a boat ride to the delightful resort of Loutro, a pretty blue and white village only accessible by boat.

Day 5 Free Day

Each week there is a free day when no guided walks are offered. This is an ideal opportunity to relax around the hotel, walk independently or visit local places of interest. The more popular options for your free day include:

Chania:

Many guests take the opportunity to visit the delightful Venetian city of Chania. The old town is a maze of narrow streets lined with shops, bars and restaurants. The centrepiece of the city is the main harbour, from where there are regular boat trips available. The cafés that line the harbour side are attractive places to have lunch and watch the world go by. Other interesting sights include the Venetian defences and the indoor market – a hive of bustle and activity with lots of local produce.

Spilia Village:

For a relaxing day you may prefer to spend time around the hotel and pool or perhaps a stroll in the olive groves or to ancient local churches.

Day 6 Milia & Topolia

Both walks visit the mountain village of Milia. This ancient village was abandoned in 1948 and then rebuilt using the traditional materials of timber and stone in the 1990s. As much of the original village as possible was preserved or recreated and the nearby gorge was reforested. It is now used as a mountain retreat and enjoys wonderful views of the surrounding forested slopes.

Option 1 - Milia & Topolia

Distance: 7 miles (11km)

Total ascent: 1,200 feet (360m)

In summary: We ascend steadily to Milia accompanied by great views. Here we may have the opportunity to enjoy lunch in a taverna before taking quiet tracks and lanes to Topolia.

Highlight: Stop at the taverna in Milia for refreshing home-made lemonade, or perhaps lunch, and soak up the magnificent view.

Option 2 - High Country around Milia

Distance: 9 miles (14½km)

Total ascent: 2,200 feet (660m)

In summary: We too start the day with a steady ascent to a pretty viewpoint above Milia. After a short refreshment we will continue to ascend through beautiful wild country to a wonderful plateau for lunch before making our way on good paths and quiet roads to Topolia to join the easier group.

Highlight: Enjoy the feeling of serenity as you explore this wild and beautiful area of Crete.

Day 7 Snowy mountain villages

Enjoy dramatic mountain views and the opportunity to enjoy a traditional taverna lunch.

Option 1 - Snowy Mountain Villages

Distance: 6 miles (9½km)

Total ascent: 500 feet (150m)

Total descent: 1,200 feet (360m)

In summary: From the historic village of Theriso we walk up to Zourva using a valley path or a quiet road with dramatic views of mountain villages in the distance. There will be a break with opportunity for a typical Greek lunch before turning down into a wooded valley and walking through orange trees into Meskla.

Highlight: Visit historic Theriso.

Option 2 - White Mountain Approaches

Distance: 7 miles (11km)

Total ascent: 800 feet (240m)

Total descent: 1,500 feet (450m)

In summary: From Theriso we follow shepherd's tracks further up into the White Mountains. We will need to take care on a short rocky descent that takes us around the head of the valley before walking briskly to Zourva where we join the easier group to break for lunch, then walk down to Meskla including a pretty little gorge.

Highlight: Meet our fellow walkers in charming Zourva.

Day 8 Departure Day

We hope to see you again soon.

Vaccinations & health

Vaccinations & health information

Before booking, you should check with your doctor to see whether any health precautions are needed for your trip. Health advice and requirements can change, so we recommend doing this in good time before travel.

As a general rule, travellers should ensure they are up to date with routine UK vaccinations and boosters, including, for example, MMR and diphtheria, tetanus and polio. Some countries may require you to have specific vaccinations such as Malaria, Rabies and Yellow Fever. Please check with your GP if you are unsure.

Please note that the use or possession of some common prescription or over-the-counter medicines is restricted or banned in certain countries. If you will be carrying medication, you should check with the relevant embassy or consulate before travelling. As an extra precaution, we recommend keeping medication in its original packaging, carrying a copy of your prescription, and, where possible, asking your pharmacist to provide the medication name in the language of the country you are visiting.

For further country-specific health advice, visit www.fitfortravel.nhs.uk or www.traveldoctor.co.uk. If you are travelling from outside the UK, please consult your own doctor and check local entry requirements.

Passports & visas

Passport & Visa information

This information is for those travelling with a full 'British Citizen' passport; for all other nationalities or passport holders, please check with your local consulate for advice.

Passport Requirements

This information applies to travellers holding a full British Citizen passport. Entry requirements vary by destination and can change at short notice. For most EU and worldwide destinations, passports must be valid for the entire duration of your stay. Some countries also require a minimum period of validity remaining on your passport (often up to 6 months beyond your return date), even if you are not staying that long.

We strongly recommend ensuring your passport has at least six months' validity remaining at the time of travel to avoid any issues.

If you hold a different type of British passport or a passport issued by another country, you must check the requirements with the relevant embassy, consulate, or official government website.

Visa Requirements

Visa rules depend on your nationality, destination, length of stay, and purpose of travel, and they can change frequently. It is your responsibility to check whether you require a visa before travelling.

British passport holders should check the latest entry, passport validity and visa requirements for their destination on the UK government's Foreign, Commonwealth & Development Office (FCDO) website:

Drinking Water

Drinking Water

Standards for drinking water vary widely around the world. In many destinations, tap water may not be safe to drink, brush your teeth with, or use for making ice. Where advised, you should drink only bottled or treated water and ensure that bottle seals are intact before use. If bottled water is unavailable, water should be boiled or filtered.

Staying well hydrated is particularly important in hot climates and during active holidays. Carry water with you and drink regularly.

If you are unsure about local water safety, check official country-specific health advice before travel, or ask your accommodation or local guides for guidance once you arrive.
