### Need To Know

### Important Covid-19 Steps We Have Taken For Guest Safety: Please Read

As we slowly reopen in the wake of the Coronavirus lockdown, our country house stays are set to be organised a little differently; extra steps have been taken to keep our guests, house teams and leaders safe while we return to action. We ask all our guests to respect the measures put in place.

Initially the overall capacity of the houses has been reduced. Guests must wear face coverings in public spaces. To adhere to social distancing guidelines, we have taken the necessary steps to space out furniture and seating in public areas. In addition, a one-way system will be in place around the house. Adequate signage will be displayed to support the direction of travel to be followed by guests and house teams.

As a temporary measure, we will not be servicing rooms during a stay. Extra tea, coffee, milk, and toiletries will be made available on request for all guests. It is recommended that guests bring their own toiletries for the duration of their stay. We have removed all non-essential and reusable items from our rooms for the meantime including cushions, hairdryers, bathrobes, bed throws, and printed materials to reduce the number of items that need to be disinfected. Hairdryers will be available on request. Clean towels will be available on request. We will though be increasing the frequency of cleaning in our public areas providing particular attention to frequently touched items including door handles and handrails.

For now, there is no cream tea on arrival day. We have also adapted our food offering to remove all buffets and open food items. Different sittings may be required for breakfast and dinner due to the occupancy and size of the house. Picnic lunches will now be pre-ordered the night before from an order form in the room. The bar in each country house will be open, and we will be offering a table service for drinks. At this time there is no, or only a very limited, evening social programme available. Outdoor swimming pools at those houses that have them will re-open throughout August, except at Freshwater Bay House, where the pool will remain closed for 2020. Indoor swimming pools will remain closed.

For more information and to see all the steps taken, [visit our page on how house stays will be adapted](#).

## Rooms

*Tea & coffee-making facilities, TV, Hairdryer, Toiletries, Wi-Fi*

Stay in one of the main building's bright, beautifully presented rooms or in the adjoining cottage. With 22 bedrooms, West Lulworth House has plenty of space and there's a range of Good, Better and Best Rooms to choose from: each room has an airy feel and the same cosy style. Opt though for Room 4 on the first floor of the main house for its weathered, pastel-painted wood panels and the lovely view looking over the cove, or squirrel yourself away in Room 23 in the cottage to the side of the main house for a large room with more sumptuous views to soak up.

*All 'Good' rooms are ensuite and furnished to a high standard. There are also several 'Better' and 'Best' Rooms that are either larger or have a desirable view, a more luxurious mattress and larger television – upgrade your stay for just an extra £15-25 per person per night. You can choose a specific room for an extra £30 per room, subject to availability. Upgrade supplements still apply.*

## Facilities

*Free Wi-Fi, boot room and drying room, attractive garden, outdoor swimming pool, multi-purpose activity room, lounge, library and board games to borrow*

After a day walking on the Dorset Coast or hunting for fossils, come back to the house and its specially tailored walkers' facilities. Relax by sitting in the sunny south facing gardens or take a table on the terrace with matchless views of the cove below. Slip in to the heated outdoor pool then surface in time to retire to the cosy lounge and its squishy sofas and seafaring decorations to read up on the area or the attractive bar with its pretty tiled insets for a sundowner.

## Food & Drink

As at all our country houses, holidays are full board, from afternoon tea served as a welcome treat through that evening's meal to a hearty breakfast on the day of departure. Lunch is a chance to stock up on our famous picnic snacks. Food at West Lulworth House is hearty and has a strong emphasis on ingredients from the area and seasonal produce. Once a week the dining room hosts a Local Food Night, when, over a sociable evening, you might tuck in to flavours such as Dorset blue Vinney, pork fillet with Purbeck Cider and apple sauce and New Forest wild mushroom tagliatelle. Settle in under the large roof lantern or beside the panoramic double doors to dine in style – if the sun's out they'll even throw the doors open to let the outside in.
