Each week there is a free day when no guided walks are offered. This is an ideal opportunity to relax around the hotel, walk independently or visit local places of interest. Some options for your free day may include:

Gozo: For guests holidaying on Malta only, a day trip to Gozo is popular. Using a hired coach it is possible to see many of the popular sights on the island including the Rotunda Church at Xewkija, the sea arch and Inland Sea at Dwejra Bay and the delightful fishing village of Xlendi. The day is rounded off by a visit to Victoria, the island's capital, in order to walk around the ramparts of the citadel and visit the cathedral.

Valletta: Although we visited Valletta on day 3, it is impossible to explore this World Heritage City in one day. On a return visit options available are the National Museum of Archaeology, where a fascinating collection of artefacts from Malta's prehistoric sites are housed; the War Museum, which tells the story of the siege of Malta during the Second World War; Manoel Theatre (a beautiful old theatre), and an inhabited 16th century patrician town house.

Mdina & Rabat: Mdina is an important UNESCO Heritage Site. It is the oldest city on the island and derives its name from the Arabic word 'medina' meaning walled city. Mdina is lamp-lit by night and often referred to as the 'silent city'. The cathedral and cathedral museum are fascinating places with their rich cultural and religious treasures. The impressive palaces are still home to some of Malta's aristocratic families.

USEFUL HOLIDAY INFORMATION

Essential Information

Passport Requirements

You may need to renew your British passport if you're travelling from 1 January 2021.

On the day you travel, you'll need your passport to both:

- have at least 6 months left
- be less than 10 years old (even if it has 6 months or more left)

Use the [government website](#) to see if your passport is valid for this holiday

EHIC Cards

The UK government has officially launched the Global Health Insurance Card (GHIC), which will replace the European Health Insurance Card (EHIC). UK residents can now apply for one of the GHIC cards, which will gradually replace the EHIC cards as they reach their expiry dates. Every family member travelling requires a GHIC. You can make an application for yourself and on behalf of your partner and any dependent children under the age of 16. Both cards will offer equivalent protection for emergency and medically necessary healthcare needs when in the EU on a temporary stay, which includes holiday, study and business travel. Necessary healthcare includes things like

- emergency treatment and visits to A&E
- treatment for long-term or pre-existing medical conditions
- routine medical care for pre-existing conditions that need monitoring
- oxygen and kidney dialysis

The public only need to apply for their free GHIC cards when their current EHIC expires. The process is likely to take two weeks. For more information visit <https://www.nhs.uk/using-the-nhs/healthcare-abroad/apply-for-a-free-uk-global-health-insurance-card-ghic/>.

The GHIC is not an alternative to travel insurance. We advise all holidaymakers to also invest in travel insurance that covers healthcare, so they are covered for other issues that may arise, as well as cancellations and lost

luggage.
