## TRIP SUITABILITY

---

Though these holidays don't cover great distances on foot, they are still active. You'll be hopping on and off the coach and should expect to spend the majority of the day on your feet. Walking to the birdwatching sites may take you across country tracks or footpaths and, at times, off the beaten track so be sure to bring sturdy shoes.

## ITINERARY

---

### Day 1: Arrival Day

You're welcome to check in from 4pm onwards. Enjoy a complimentary cream tea on arrival. After dinner this evening, your expert naturalist will introduce themselves and the itinerary. They'll give an introductory talk on the local area's wildlife and what you're likely to see during your holiday.

### Day 2: Carding Mill Valley

We'll begin exploring what's directly on our doorstep this morning, with a visit to Rectory Wood. The variety of habitats and vegetation here attracts a range of wildlife, from the tiny pseudoscorpion (average size is 4mm), to larger birds of prey. We'll then visit the Carding Mill Valley. Birdlife including Cuckoo and Red Kite, as well as insects such as Golden-Ringed Dragonflies are just a few of the species we might spot today.

### Day 3: Clunton Coppice

Today we head into woodland cover where we'll search for amphibians and migratory birds such as the gorgeous sounding Wood Warbler. Later, we'll make the short journey to Bury Ditches where amongst other limestone species, we'll look for the gentle wood white butterfly. Plant and animal species we'll be looking out for today include Pied Flycatchers, Woodpecker, ferns, mosses, and fungi.

### Day 4: Wenlock Edge

Wenlock Edge is a limestone landscape that stretches to the north-east of Church Stretton. On our final day, we'll stop at several sites along its length looking for limestone rarities and woodland birds. We'll end the day in Much Wenlock.

## Day 5: Departure Day

Enjoy a leisurely breakfast before making your way home.

## About Your Stay

### A warm welcome

We want you to feel comfortable from the moment you arrive. You'll find a welcome pack in your room with guest registration forms, menus, order forms for dinners and picnic lunches, the Wi-Fi password, and the front door code. Our houses are locked at night, so we recommend noting the Duty Manager's number on arrival in case of an emergency (or getting locked out).

### Evening entertainment

While evening entertainment varies from house to house, the HF Holidays Big Pub Quiz held after dinner on Wednesdays is a weekly staple. Your HF Holidays Leader may be around for tips on guided and self-guided walking routes as well as visit-worthy local attractions.

### Walks talks

Our HF Holidays Leaders host guided walking information briefings before dinner on arrival days. This is followed by a group Walks Talk for information on the following day's walking delights (held before dinner every evening). Self-guided walking guests are, of course, welcome.

### The walking day

Prior to setting off on walks, your HF Holidays Leader will run you through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure you have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.

## Food & Drink

Led by experienced chefs, we serve a wide range of dishes made with fresh and seasonal ingredients. We always aim to source the best produce available and use home-grown herbs and vegetables from our own gardens whenever possible. Additionally, we have a licensed bar with beers, soft drinks, and a superb selection of spirits. Full-board comes as standard and includes a cream tea on arrival and a hearty breakfast on departure day.

HF Holidays understands the importance of managing allergens effectively to ensure food is safe for guests with food allergies. Whilst we are always able to confidently inform guests which allergens are present in our ingredients and dishes, we are unable to guarantee absolute freedom from the 14 main allergens in our kitchens.
