## USEFUL HOLIDAY INFORMATION

---

### Essential Information

We are committed to running our Guided Walking holidays in a safe manner and your co-operation with this is much appreciated. No outdoor activity can be 100% risk free; however, if you take sensible precautions and adhere to your leaders' instructions, your holiday will be both safe and enjoyable. On the first evening of your holiday (dependent on arrival time), the leaders will give a short talk about safety on the walks – we would ask everyone to attend.

**Walking as a group:** Our leaders always consider the safety of the group as a whole, and will show more caution over potential risks (such as bad or exceptionally hot weather) than an individual or couple might make on a private outing. Walks may be modified or cancelled following the leaders' assessment of the day-to-day situation. Your leaders will refuse to accept any guest whose clothing, equipment, behaviour or walking ability is considered unsuitable, and where it could affect the safety and enjoyment of other guests on the proposed walk. It is your responsibility to follow the leader's guidelines, for the benefit and safety of the group as a whole. If you leave the group, then your leader will no longer have responsibility for you. For safety reasons, we stipulate a minimum party size of two guests in addition to the leader. First aid: In line with current practice, each leader carries a group first aid kit but is not able to supply any 'medication', including aspirin, paracetamol, antihistamines and antiseptic cream.

**Hydration:** In warm weather it is very important to keep hydrated. You will need to carry a minimum of two litres of water with you on walks, more during hot weather or on more demanding walks. One good way of hydrating is to use a two litre hydration pack which allows drinking without constant stopping. This can then be filled up from additional water sources as required. Your leader will inform you of the possibilities for replenishing your water during the walks.

**Your health:** It is essential that you describe on your guest registration form any health condition or disability you may have. The leaders will treat this confidentially and may be able to take it into account on the walks; for example, by not delaying lunch if they know they have someone with diabetes in their party.

Your walking leaders: HF Holidays' leaders are a pivotal feature of our Guided Walking holidays. During the day they will guide you on the walks in a caring and considerate way, showing you places of interest en route. All our leaders have been selected on an intensive residential course so you can relax and enjoy your holiday knowing that you are in safe hands. Our leaders welcome your comments on the holiday survey; constructive suggestions for things that they might do differently are very helpful. We take pride in the quality of our holidays and work closely with all our providers to ensure our holidays meet your expectations. If for any reason you are not satisfied with any element of your holiday, our leaders are the best people to help.
