The bus will take us to the beautiful Bohinj valley and lake. Both groups will be dropped off at the village of Stara Fuzina.

Option 1 - Mostnica Gorge

Distance: 8 miles (13km)

Total ascent: 1,200 feet (350m)

In summary: We ascend through the attractive old village into a narrow valley that opens out into Alpine pastureland. There may be time for a swim in Lake Bohinj or a paddle in the Mostnica river.

Option 2 - Mostnica Gorge and Uskovnic Ridge

Distance: 9½ miles (15km)

Total ascent: 2,500 feet (750m)

In summary: We begin by following the same route as the easier group to the waterfall. We head east, ascending to the village of Uskovnica before descending on tracks and forest paths back to Stara Fuzina.

Highlight: After the waterfall at the head of the valley we enjoy views back to Triglav from the ridge.

Day 4 Vršič Pass to Kranjska Gora

The longest coach ride of the holiday takes us to Kranjska Gora, a mountain village and skiing centre deep in the Julian Alps. The coach will then leave the valley to ascend through a number of hairpin bends to reach the top of the Vrsic Pass, from where both groups will enjoy the view.

Option 1 - Pišnica Valley

Distance: 6 miles (10km)

Total ascent: 500 feet (150m)

Total descent: 1,700 feet (520m)

In summary: The group leave the bus in the Vrsic valley and pass through woodland pasture beside a stream with spectacular waterfalls, passing near the glacial Jasna Lake.

Highlight: Jasna Lake is a beautiful clear lake with white sand around the rim. Its surface reflects the surrounding mountains and it is guarded by a bronze statue of Zlatorog, a golden horned ibex.

Option 2 - Vršič Pass and Visoki Maverinc Belvedere

Distance: 10½ miles (17km)

Total ascent: 1,500 feet (450m)

Total descent: 4,000 feet (1,220m)

In summary: This walk starts by descending a path from the pass followed by an ascent through woodland to the Visoki Maverinc Belvedere. The path zigzags to reduce the gradient. We stop for lunch at the summit before descending to Lake Jasna, with the option to continue towards Kranjska Gora.

Highlight: Stunning views of the valley and surrounding hills.

Day 5 Free Day

Each week there is a free day when no guided walks are offered. This is an ideal opportunity to relax around the hotel, walk independently or visit local places of interest. Some options for your free day might include:

Ljubljana: The capital city of Slovenia is a most attractive city, with plenty of museums and shops. It can be reached easily by bus or minibus. See our leaders for further details and fares.

Bled Castle: A short but steep walk will take you to the castle. It costs approximately €9 to go round the museum. There is a shop, historic printing press and a café.

Wellness Centre: The hotel has a wellness centre, located on the first floor. It offers concessionary rates to guests, details of which can be found in your room. Treatments include various types of massage, manicures, facials, sauna and a plunge pool.

Activities: Near the bus station are offices offering a variety of activities, including gorge walking/ canyoning, horse riding, paragliding and kayaking. Guests may also like to try the summer toboggan run on the slopes of Straza.

Cycle hire: The hotel has bikes for hire. Explore the quiet side roads and farming villages around Bled. Please book this at reception. Current rates are from €4 for an hour.

Land train around Lake Bled: A land train follows the lakeside path. It leaves the town every 45 minutes from late April until mid-October; however it doesn't run in poor weather.

Day 6 Lake Bohinj, Vogel and Šija

Today the two parties again travel by bus to Lake Bohinj, the easier group taking a lovely lakeside walk while the harder party takes in peaks to the south of the lake.

Option 1 - Lake Bohinj and Orlova Glava

Distance: 7 miles (11km)

Total ascent: 1,000 feet (300m)

In summary: We make our way to the Vogel cable car and ascend to enjoy the views over the lake. If conditions permit, we take a short walk to the summit of Orlova Glava to see the views to the Triglav Massif, and enjoy the upland environment. Our walk continues to visit the First World War cemetery at Ukanc and descends to the lakeshore. We then follow a path close to the lake to the village of Ribcev Laz with its much photographed church.

Highlight: Lake Bohinj is considered by many to be the most attractive lake in Slovenia.

Option 2 - Vogel and Šija

Distance: 7 miles (11km)

Total ascent: 2,900 feet (900m)

In summary: The bus will drop this group at the foot of the cable car, and we then ascend to the upper station. We ascend through a picturesque valley to the summit of Vogel. Mt Vogel is a great viewpoint in good weather and provides an excellent vantage point for Triglav, the highest mountain in Slovenia. On the return route to the cable car, we can also take in the summit of Šija.

Highlight: An excellent high level alpine walk.

Day 7 Vintgar Gorge and Debela Peč

Today the two parties split. The easier walk returns to the Bled area for a visit to the Vintgar Gorge, yet another famous attraction in the region. The harder group will ascend Debela Pec; this peak has spectacular views into the deep Krma Valley, with the Triglav massif beyond.

Option 1 - Vintgar Gorge and back to Bled

Distance: 5 miles (8km)

Total ascent: 650 feet (200m)

In summary: We descend to view the waterfall before ascending to an ancient church. From here we take a balcony path with splendid views over the area to return to the start of the gorge to catch the shuttle bus back into Bled.

Highlight: the amazing rock structures of the gorge.

Option 2 - Debela Peč

Distance: 7½ miles (12km)

Total ascent: 2,600 feet (790m)

In summary: We use hired transport to reach the high forests to the west of Bled. The walk ascends gently through woodland pitted with the remnants of ancient iron workings, then more steeply to reach a remote mountain hut or 'Dom'. We continue the ascent to the ridge above the Krma valley. Here a winding path passes deep swallow holes, then takes us to the final ridge and viewpoint of Debla Pec. We will retrace our steps along the ridge and take a different route down to the Dom. We will retrace our steps along the ridge on a circular route.

Highlight: A challenging walk to a spectacular viewpoint.

Vaccinations & health

Vaccinations & health information

Before booking, you should check with your doctor to see whether any health precautions are needed for your trip. Health advice and requirements can change, so we recommend doing this in good time before travel.

As a general rule, travellers should ensure they are up to date with routine UK vaccinations and boosters, including, for example, MMR and diphtheria, tetanus and polio. Some countries may require you to have specific vaccinations such as Malaria, Rabies and Yellow Fever. Please check with your GP if you are unsure.

Please note that the use or possession of some common prescription or over-the-counter medicines is restricted or banned in certain countries. If you will be carrying medication, you should check with the relevant embassy or consulate before travelling. As an extra precaution, we recommend keeping medication in its original packaging, carrying a copy of your prescription, and, where possible, asking your pharmacist to provide the medication name in the language of the country you are visiting.

For further country-specific health advice, visit www.fitfortravel.nhs.uk or www.traveldoctor.co.uk. If you are travelling from outside the UK, please consult your own doctor and check local entry requirements.

Passports & visas

Passport & Visa information

This information is for those travelling with a full 'British Citizen' passport; for all other nationalities or passport holders, please check with your local consulate for advice.

Passport Requirements

This information applies to travellers holding a full British Citizen passport. Entry requirements vary by destination and can change at short notice. For most EU and worldwide destinations, passports must be valid for the entire duration of your stay. Some countries also require a minimum period of validity remaining on your passport (often up to 6 months beyond your return date), even if you are not staying that long.

We strongly recommend ensuring your passport has at least six months' validity remaining at the time of travel to avoid any issues.

If you hold a different type of British passport or a passport issued by another country, you must check the requirements with the relevant embassy, consulate, or official government website.

Visa Requirements

Visa rules depend on your nationality, destination, length of stay, and purpose of travel, and they can change frequently. It is your responsibility to check whether you require a visa before travelling.

British passport holders should check the latest entry, passport validity and visa requirements for their destination on the UK government's Foreign, Commonwealth & Development Office (FCDO) website:

Drinking Water

Drinking Water

Standards for drinking water vary widely around the world. In many destinations, tap water may not be safe to drink, brush your teeth with, or use for making ice. Where advised, you should drink only bottled or treated water and ensure that bottle seals are intact before use. If bottled water is unavailable, water should be boiled or filtered.

Staying well hydrated is particularly important in hot climates and during active holidays. Carry water with you and drink regularly.

If you are unsure about local water safety, check official country-specific health advice before travel, or ask your accommodation or local guides for guidance once you arrive.
