## TRIP SUITABILITY

This holiday is at the upper end of our level 2 walks. Trails are rough and rocky underfoot. Walks are 3-6½ miles (5-10km) with up to 1,850 feet (570m) of ascent. There is quite a lot of travelling on this tour, on some poorly made roads. You'll need plenty of stamina for this trip. Some National Parks have more walking than others, and because of the wildlife element of this holiday, some of the walks do turn into nature walks.

## ITINERARY

### Day 1 - 3: Antananarivo & Tulear

Arrival in the Madagascan capital, Antananarivo (2 nights), and transfer to our accommodation. Our day begins with a morning exploration of Ambohimanga Rova, cradle of Malagasy monarchy, followed by an afternoon exploring the capital and taking a heritage walk in the old city of Tana.

The next day we fly to Tulear, in the south of the island (1 night) for an introduction to the island's endemic flora at the Antsokey Arboretum, before we begin our tour of the national parks.

### Day 4 - 6: Isalo National Park

Journey to Ranohira and Isalo National Park (3 nights). Isalo is home to some of the most stunning scenery on the island, and affords you a fantastic chance of being able to observe the endearing ring-tailed lemurs. Walks explore a rocky plateau overlooking the canyons and sandstone cliffs of magnificent Isalo National Park.

Its mountains are home to over 400 species of flora. There are some amazing natural pools and waterfalls on the walk. We'll also visit one of the sapphire mines on the island.

## **Day 7 - 8: Andringitra National Park**

To our camp (2 nights) in the majestic valley of Tsaranoro, Andringitra National Park. The park is a sacred place for many cultures, and home to many mysteries and legends. Its scenery is superb, with vistas of dramatic peaks and waterfalls accompanying our walks as we visit the surrounding villages. Andringitra is also home to the highest peak on the island - Boby Peak, known locally as the Roof of Madagascar.

## **Day 9 - 10: Fianarantsoa**

En route to Fianarantsoa (2 nights), we stop to explore the community reserve of Anja and see ring-tailed lemurs up close, before village walks introduce us to the Betsileo culture and their traditions. We share a typical Malagasy lunch at the home of one of the families.

## **Day 11 - 12: Ranomafana National Park**

The lush rainforests of Ranomafana National Park (2 nights) afford us excellent opportunities to discover a vast diversity of flora and fauna. We enjoy a night walk here too, introducing us to a host of different animal species. If we're lucky we may see the park's famous resident, the golden bamboo lemur. Walks will be scheduled in the early morning and the late afternoon to give us the best chance of spotting wildlife.

## **Day 13 - 14: Around Antsirabe**

A city tour of Antsirabe (2 nights). Our stay here is a guesthouse run by the charity Residence Madalief, which supports projects in the local community. Our stay here gives us a fantastic opportunity to support this worthwhile charity. Walks in the area discover the surrounding villages and the beautiful Lac Andraikiba.

## **Day 15: Antananarivo And Return Flight**

Return to Antananarivo in time for our late evening flight home.

## **USEFUL HOLIDAY INFORMATION**

---

### **Weather & Seasonality**

Because of its geography, Madagascar's climate is highly variable. Generally, the climate is hot and sub-tropical; it is colder in the mountains, while the south and west regions are particularly dry. Monsoons bring storms and cyclones to the east and north from December to March. The rainy season is November to March, and the dry season is April to October. The mountains, including Antananarivo, are warm and thundery from November to April and dry, cool and windy the rest of the year. Temperatures can be up to and over 30 degrees, and it is essential that you drink plenty of water, at least 2-3 litres per day.

### **Joining Instructions (With Flights)**

On arrival, please proceed to the arrivals hall once you have passed through passport control, customs and baggage reclaim. Your local leader will assemble the group in or near the arrivals hall – look out for the HF Holidays' sign

## Joining Instructions (Without Flights)

If you are arriving ahead of the group, and are meeting them at the first hotel, please leave a message at the hotel reception for the HF Holidays' leader or local leader, detailing your room number, and a mobile telephone number if possible. The leader will contact you once the group arrives.

If you are arriving after the group, a message will be left for you at the hotel reception, welcoming you and giving details of the time and place to meet the group.

If your flight arrives before the group flight and you would like to join the transfer to the first hotel, please contact our Abroad Administration team on (0)20 8732 1261 to enquire about availability and make arrangements.
