About your stay

A warm welcome

We want you to feel comfortable from the moment you arrive. You'll find a welcome pack in your room with guest registration forms, menus, order forms for dinners and picnic lunches, the Wi-Fi password, and the front door code. Our houses are locked at night, so we recommend noting the Duty Manager's number on arrival in case of an emergency (or getting locked out).

Evening entertainment

While evening entertainment varies from house to house, HF Holidays Inter-House Quiz night held after dinner on Wednesdays is a weekly staple. Your HF Holidays leader may be around for tips on guided and self-guided walking routes as well as visit-worthy local attractions.

Walks talks

Our HF Holidays walk leaders host guided walking information briefings before dinner on guided walking holiday arrival days. This is followed by a group Walks Talk for information on the following day's guided walks (held before dinner every evening). Self-guided walking guests are, of course, welcome.

The walking day

Prior to setting off on guided walks, your HF Holidays Leader will run you through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure you have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.

Local Area

Whether you're enjoying a guided or self-guided walking holiday, there's always the opportunity to linger for longer. Here's our pick of the very best things to see and do within easy travelling distance of Freshwater Bay House.

Freshwater Bay

Just a skip away from Freshwater Bay House, this semi-circular namesake bay surrounded by gleaming white cliffs is a magical spot for rock pooling, watersports, swimming, boating, walking, and more. While mostly pebbles, there are some sandy parts on its eastern side.

The Needles

Named for their pointy shape, this iconic trio of brilliant white chalk rocks are located on the island's western tip. They lead out to what is easily Britain's most photographed lighthouse – a red-and-white-striped tower built in 1859 on the outermost of the chalk rocks.

Yarmouth

An hour's walk away, this historic seaside town is set at the mouth of the River Yar. The highlight is the 16th century Yarmouth Castle – one of Henry VIII's most sophisticated coastal fortresses built to guard the western entrance to the Solent.

Osborne House

Just a 40-minute drive away, this former royal retreat was purchased by Queen Victoria and Prince Albert in 1845 and used to escape court life. Now managed by English Heritage, it charms with glorious gardens and rooms filled with original furniture and works of art.

Carisbrooke Castle

What was once an artillery fortress, king's prison, and royal summer residence is located near Newport in the heart of the island. Not-to-be-missed attractions at this medieval stunner include King Charles I's bowling green and the lovely Princess Beatrice Garden.

Alum Bay

Cherished for its multi-coloured sands and stunning views across the Solent, Alum Bay delights with crystal-clear waters that are perfect for swimming and paddling. Don't leave without buying a souvenir filled with this world-famous sand that comes in 21 shades.

Isle of Wight Steam Railway

Following a five-mile countryside route Smallbrook Junction to Wootton, this lovingly restored vintage steam train is an award-winning attraction. Hop off at the rural stations and learn about 150 years of railways history at the Train Story Discovery Centre.

Blackgang Chine

Perfect for those with children in tow, this family-run fantasy theme park dating back to 1843 is the oldest in the UK. Highlights include life-sized pirate ships, fairy castles, an underwater kingdom, and a cowboy town where kids can choose to be chose to be an outlaw or sheriff.

Ventnor Botanic Gardens

A 30-minute drive away, this botanical wonderland is home to around 6000 species of rare and exotic plants and trees in 22 acres. The warm climate attracts some amazing wildlife, including wall lizards, slow worms, and even Iberian ants.

Bembridge Windmill

Built in the early 1700s and closed in 1913, the last surviving windmill on the island was famously featured in a 1795 watercolour by JMW Turner. This much-loved local landmark was donated to the National Trust in 1961 still has most of its original machinery intact.
