Day 2–3 Navigation Days

Our days will be spent working through a range of practical indoor and outdoor exercises
that will help us cover the Bronze Navigator Award Syllabus:

- Navigate using a variety of maps and scales.
- Use 4 and 6 figure grid references with worded descriptions to define the position of a map feature and to locate a feature on the ground.
- Orientate the map using handrails, obvious point features and major landforms.
- Use linear features (e.g. paths, tracks, clear boundaries) as handrails in simple navigation exercises.
- Relate prominent landforms such as large hills and valleys to corresponding contour information on the map.
- Orientate the map by aligning a compass needle against grid north and be aware that magnetic variation causes an inaccuracy.
- Use an orientated map to confirm the direction of travel.
- Use clearly identifiable features to confirm position along the route and to recognise when the target has been overshot.
- Measure horizontal distance on the map and estimate distance on the ground using timing, pacing and simple visual judgements e.g.100m.
- Plan and implement simple routes and navigation strategies based on the above skills.
- Recognise a navigation error within a few minutes and apply simple relocation techniques using handrails and prominent features.
- Be aware of the use of mobile phone location apps as a back up to map and compass and in emergencies.
- Demonstrate an awareness of local and national access issues, access legislation, personal responsibilities, the Countryside Code and sustainability.
- Demonstrate appropriate knowledge of walking equipment, safety equipment and emergency procedures.

ACCOMMODATION

Longmynd Hotel

For rural calm in the Shropshire Hills National Landscape, the location of this characterful country house is hard to top. Set in a wooded hillside just a short stroll from the market town of Church Stretton (nicknamed Little Switzerland for its picturesque landscape), you'll be within walking or driving distance of the Stiperstones, Caer Caradoc, Ironbridge Valley of Invention, and the historic towns of Ludlow and Shrewsbury. And then, of course, there's the Long Mynd itself – an area of registered common land that has been cared for by a group of farmers (the self-named commoners) who have grazed sheep and ponies here for generations.

Then & now

Built in 1900, this Church Stretton landmark opened as The Hydropathic Hotel in July 1901 at a cost of £20,000. It was hyped as a glamorous addition to the town, not least for its nine acres of land, dormer windows, fine pitched roof (since replaced), healing waters from the saline spring five miles away, and interior furnishings by Heal's (then known as Heal and Son Limited). Sadly, the venture was not a success. Renamed the Longmynd Hotel, it became the headquarters of St Dunstan's, a charity for blinded ex-service personnel, in the 1940s (now known as Blind Veterans UK). Approximately 700 men and women learnt new manufacturing skills here in the hope of finding employment after WWII. You'll notice a blue plaque commemorating this historic period at the entrance, installed during the charity's centennial year in 2015. Longmynd Hotel has been part of our HF Holidays line-up since 2017.

Nowadays, you'll find 56 well-appointed guest rooms in two categories (Classic and Premium), some of which have balconies overlooking the wooded surrounds. There's also a large dining room for a wide range of dishes made with fresh and seasonal ingredients and a licensed bar – both with beautiful views across the Stretton Valley. Elsewhere, there's several comfortable lounges, a handy boot and drying room, books and games to borrow during your stay, and a Discovery Point offering a wide range of local area maps, route guides, and easy-to-follow information for self-guided walks.

Check-In & Check-Out

You are welcome to check in from 4pm at the earliest. HF Members can check in earlier, from 2pm. On arrival, you'll enjoy a complimentary cream tea and get to meet your fellow guests, our HF Holidays Leaders, and the rest of the friendly team. Check out 10am.

ABOUT YOUR STAY

A warm welcome
We want you to feel comfortable from the moment you arrive. You'll find a welcome pack in your room with guest registration forms, menus, order forms for dinners and picnic lunches, the Wi-Fi password, and the front door code. Our houses are locked at night, so we recommend noting the Duty Manager's number on arrival in case of an emergency (or getting locked out).

Evening entertainment

While evening entertainment varies from house to house, HF Holidays Inter-House Quiz night held after dinner on Wednesdays is a weekly staple. Your HF Holidays leader may be around for tips on guided and self-guided waking routes as well as visit-worthy local attractions.

Helping you enjoy the Great Outdoors - A natural focus on walks

Walks talks and Discovery Points
Our founder, country pastor turned social innovator, Thomas Arthur Leonard, was passionate about encouraging people to explore the countryside. His legacy continues in HF's continued focus on walking. Many guests choose to travel with us on guided or self-guided walking holidays, and as such, evenings at our houses are often busy with walk leaders hosting various briefings and talks. On guided walking holiday arrival days, there are walking information briefings before dinner, and for the duration of any guided walking holiday there will be a Walks Talk before (or on occasion after dinner), to go through the following day's walk options. Self-guided walking guests, and those on special interest holidays (where there is free time to explore independently), are of course welcome to also join in these Walks Talks - please talk to the team locally if you have any queries. Our Discovery Points are filled with handy maps and route notes, designed to ensure everyone, not just those booked on a guided walking holiday, can enjoy the beautiful countryside settings that our HF houses enjoy.

The walking day
Prior to setting off on guided walks, our HF Holidays Leaders run through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure walkers have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.
