## ITINERARY

### Day 1 - 3: Kathmandu

Fly to Kathmandu via Delhi; we arrive in the afternoon and transfer to the hotel for 2 nights. The rest of the first day in Kathmandu is at leisure, a great opportunity to relax after the journey.

The following day, we drive north of Kathmandu into the foothills of the Shivapuri Hills to the Budhanikantha Temple with its large stone statue of Lord Vishnu. We walk from the temple towards Baghdwar, believed to be the source of the holy river Bagmati. We hike through dense forest, home to hundreds of species of plant, and

on beyond Baghdwar to the Sivapuri danda, situated at an altitude of 2,563m. We then continue to Nagi Gumpa, a Buddhist monastery before descending and returning to our hotel.

## Day 4 - 5: Nagarkot

We begin with an ascent verdant pine forests and along a trail to Gokarna. Along the trail we'll enjoy stunning views of the Nagarjun mountain, paddy fields and Nepalese villages. Once in Gokarna we drive to Nagarkot, which is famous for its hilltop position and offers incomparable views over the surrounding valley and Himalayas. We stay here for 2 nights. The afternoon is free to relax or explore the local villages independently.

The next day our trail leads through fields and villages to the forests of Telkot, where we enjoy our picnic in the forest clearing. After lunch we continue to the UNESCO Heritage Site of Changunarayan.

## Day 6 - 8: Balthali

Walk through jungle rich in animal and plant life on a level trail to Nala, passing Tamang villages along the way. Later, we transfer to Khopasi and walk to Balthali, where we stay for 3 nights. The area surrounding the resort is thickly forested with luxuriant flora and great birdlife which opens out to the terraced fields. The views of the Himalayas here, with beautiful sunrises and sunsets, will leave a lasting memory.

The following day, enjoy wonderful views as we walk to Pada Gaun, through traditional Tamang villages. The Tamang originally came from Tibet several hundred years ago. Their villages remain secluded and far removed from the trappings of the modern world. Sitting back to relax and enjoy our picnic, we are surrounded by wonderful views of the major part of the Himalayan ranges and beautiful green forest of the Mahabharat range.

We also take a morning walk to the confluence of the Roshi and Ladku Khola rivers leads us through a beautiful pristine valley to a traditional maize mill, and to the holy shrine of Lord Shiva, before we return to the resort for lunch and an afternoon of relaxation.

## Day 9: Bhaktapur

Today we drive to the medieval city of Bhaktapur, where we will spend the afternoon exploring. Visit its Durbar Square and the Nyatapola temple, which is both the highest temple in the Kathmandu Valley and one of the best examples of traditional Nepali architecture. See traditional buildings and occupations, such as weaving and pottery, as we discover this well-preserved city on foot.

## Day 10 - 11: Bandipur

We transfer to Kathmandu airport and fly to Pokhara; we'll then drive to Bandipur in time for lunch. In the afternoon, we'll spend some time exploring the local area.

The next day we'll hike to Ramkot, a typical Magar village. We'll pass through other villages and temples and the route offers an unparalleled insight into the traditional, rural lifestyle of Nepal - all basking in the glory of the stunning Himalayas. Time and other conditions permitting, the walk can be extended from Ramkot to visit Chadbi Barahi, a pilgrimage site.

## Day 12 - 15: Pokhara

We begin our day with a hike to Siddha Cave, one of the largest in Nepal. Later, we drive to Pokhara, where we stay for 4 nights, and visit the International Mountain Museum.

The next day we transfer to the start of our walk. The trail ascends, quite steeply at times, through the colourful ethnic villages of the Gurung and Ghaley people, to Kalikasthan. After lunch we follow the ridge line through villages down to the pretty shores of Begnas Tal, transferring from here back to Pokhara.

Another walk takes us from Kande to the Australian Base Camp; this is sure to be a highlight of the trip. Ascending through forest on stone stairs, we pass bazaars on route to the camp from where we'll have

unsurpassed views of the Himalayas, including the Annapurnas and Machhapuchre. We continue to Dhampus for lunch and return to Pokhara.

Our final walk takes us from the Peace Pagoda to Pumdi Bhumdi, situated at an altitude of 1,200m/3,937ft. We pass the famous Davis Falls en route to the start of our hike, where we ascend to a ridge before dropping down to Bhumdi, our trail surrounded by rich flora and fauna and lush green forests.

## **Day 16 - 17: Kathmandu & Return Flight**

This morning we transfer to Pokhara airport for our flight to Kathmandu. Explore the city with a walk around Thamel, before we enjoy a farewell dinner and a traditional Nepali culture show.

On Day 17 we transfer to the airport for our return flight to the UK.

## USEFUL HOLIDAY INFORMATION

---

### Weather & Seasonality

Holidays take place in the dry season, when visibility is good, and temperatures are at their best. October is after the summer monsoon and the countryside is lush and green, with excellent visibility and generally balmy temperatures. In March temperatures are similar, although the land is dryer and visibility may not be quite as good. However, at this time flowers are in bloom adding wonderful colour to the landscape. The temperature can change quickly at any time of year, it can be cold at night and when the sun goes behind a cloud.

### What To Bring

#### Suggested Kit List

As you'll be carrying your own luggage at airports and between your transport and hotels we recommend you try to keep your luggage to a minimum. These items are a general suggestion of what to pack for an active outdoor and walking holiday; depending on your destination, you may need more of some things and less – or none! – of others. You'll know best what you prefer to wear when out walking or while taking part in other outdoor activities.

- Walking boots (worn in), with good ankle support and spare bootlaces
- Walking socks
- Walking sandals
- Lightweight fleece, waterproof trousers and jacket
- Shorts and short-sleeved t-shirts
- Long trousers and long-sleeved light coloured shirts with collars to protect from the sun.

Your clothing should ideally be pre-treated with insect repellent and in-built sun protection (available from specialist clothing stores such as Rohan, Cotswold Outdoor).

- Warm fleece, scarf/buff hat and gloves
- Torch
- Comfortable clothes and shoes for evenings and sightseeing
- Sun protection – sun hat, sunglasses, high factor sunscreen and lip protection
- Water bottle – at least 2-litre capacity
- Lightweight survival bag
- Small/medium rucksack (30 litre) and a liner or cover to keep contents dry
- Insect repellent
- Universal travel plug

Personal first aid kit including: personal medication, tissues, plasters, blister kit, painkillers, antiseptic wipes, Imodium, rehydration sachets

### Essential Equipment

- Passport (and copies)
- booking confirmation
- insurance cover note
- HF Holidays' registration form

Please ensure you have access to emergency funds should you need them; carrying a credit card is probably the most convenient method.

### Optional Equipment

- walking ('approach') trainers
- trekking poles
- camera
- umbrella
- binoculars

Please note that your HF Holidays' leader reserves the right to refuse to take any guest on a walk should they consider that a lack of suitable clothing/footwear may affect safety.

### Safety On Your Holiday

Insurance is a condition of booking. Therefore, if you have not already arranged insurance, it is imperative that you do so, and advise us of the insurance company and policy number.

We have negotiated special holiday insurance and full details of this cover can be found in our brochure or at [www.hfholidays.co.uk](http://www.hfholidays.co.uk). There is no extra charge for pre-existing illnesses.

If you would like to purchase insurance from us, please call us on 020 8732 1220 or email [holidayservices@hfholidays.co.uk](mailto:holidayservices@hfholidays.co.uk).

For more information about healthcare abroad and its costs, please visit: [www.dh.gov.uk/travellers](http://www.dh.gov.uk/travellers).

If you are arranging your own travel insurance, please ensure it is adequate for your specific itinerary.

Generally, this should include cover for walking at altitudes over 2,000m - the highest point on the harder walks may go up to 2,700m.

Once you have made your booking, you will receive a pre-holiday questionnaire where we ask for details of next of kin and insurance details. You must complete and return this to us - we need to have this from you at least 10 weeks before travel.

Please also inform us of any medical situation which may affect your enjoyment of the holiday. This is important because our leaders have to consider both group and individual safety at all times.

Whilst out with the group, we respectfully request that you:

- Please listen to any safety instructions from the leader
- Keep group members in view, especially if weather or visibility is poor
- Please stay where you are if you become separated from the group. The leader will retrace their steps to find you.

Each leader carries a first aid kit but is not allowed to supply any medication including aspirin, paracetamol, antihistamines and antiseptic cream. You may wish to bring these items with you in your own kit (see Suggested Kit List).

In the unlikely event that your leader is incapacitated, please use any emergency kit in their rucksack and call emergency services on 911. Please then call our emergency number (see page 8) and let us know there is a problem.

## Dietary Requirements

Please contact us as far in advance as possible if you have any specific dietary requirements and we will do our best to meet your needs.

If you require a specific meal on the flight, please let us know as soon as possible, and no later than 96 hours before travel.

One passport photo must be provided together with the completed application form. A single-entry visa currently costs £20, £35, or £75 for 15, 30 or 90 days respectively.

## Useful Information

If your bag or its contents are damaged or lost while in the airline's care, this should be reported to the baggage service agents at the airport on arrival. They will assess the damage; in some cases, the airline may decide to settle your claim immediately.

You will be given a reference to quote to your insurance company if an immediate settlement is not possible - in many cases, baggage claims can only be accepted in writing. A baggage claim form must be obtained from the airport.
