TRIP SUITABILITY

This Guided Island Hopping Trail is graded 3 which involves walks/hikes on well-defined paths, though often in hilly or upland areas, or along rugged coastal footpaths. These may be rough and steep in sections and will require a good level of fitness. It is your responsibility to ensure you have the relevant fitness and equipment required to join this holiday. Provision cannot be made for anyone who opts out. Please be sure you can manage the daily mileage and ascent detailed in the daily itineraries. The walking day is normally 6 to 7 hours. It is important for your own enjoyment, and that of your fellow guests that you can maintain the pace. It makes a lot of sense to spend time getting some additional exercise before your holiday. We suggest you try to fit in a number of longer walks, including some on hilly terrain. Other exercises such as cycling, jogging and swimming are also excellent for developing increased stamina.

Your fitness

Having a solid base of fitness before your holiday will ensure you've the best chance of completing the holiday and enjoying it to boot. Here's a few simple tips to help you get fit and ready for your challenge:

- Get out walking - whether the weather, get out there, and start building your fitness months before your holiday
- Build your distance gradually and get a number of 6-8hr hill days in
- Ideally, try and do two consecutive days training if possible
- Take the stairs every time
- Train on different terrain
- Train with your day pack and your walking boots too, to ensure they're well worn in before your holiday
- Other sports help improve your walking fitness too. The best ones are jogging, cycling, swimming, which will build your stamina, and yoga which will help strengthen your core and improve balance
- Time training will help ensure you enjoy your holiday to the max.

ITINERARY

Day 1: Arrival Day

Arrive on Orkney and settle in to the Merkister Hotel. Your leader will be in reception at 18:30 to give you a quick introduction to the holiday before dinner.

Day 2: Brough Of Birsay And Ring Of Brodgar

Our first walk on Orkney follows a clifftop coastal path from Marwick Bay to the Brough of Birsay, overlooking RSPB Marwick Head reserve. In the afternoon we'll visit Maes Howe, one of the most treasured Neolithic sites in Europe. This mysterious tomb was built from huge sandstone blocks over 5,000 years ago and aligns perfectly with the winter solstice – testament to an advanced knowledge of astronomy by its architects. We'll also visit the Ring of Brodgar and the Standing Stones of Stenness, which together with Skara Brae and Maes How, form the Heart of Neolithic Orkney UNESCO World Heritage Site.

9 miles (14km) with 760 feet (230m) of ascent.

Day 3: Skara Brae And Stromness

A superb coastal trail along the spectacular sea cliffs from Yesnaby to the impressive ancient settlement of Skara Brae – a remarkable feat of ancient engineering predates the pyramids of Egypt and even Stonehenge.

9½ miles (15.5 km) with 1,280 feet (380m) of ascent.

Day 4: Isle Of Hoy

One of the most beautiful and rugged of the Orkney Islands, Hoy is much more akin to the Scottish Highlands than the rolling countryside and crofts found across the archipelago. Today's walk takes us to the famous sea stack known as the Old Man of Hoy and will have bird watchers twitching with excitement at the prospect of spotting arctic and great skuas.

8½ miles (13.5km) with 850 feet (260m) of ascent.

Day 5: Shetland – Sumburgh Head And Jarlshof

Today we leave Orkney and head north to Shetland. On arrival, we visit Sumburgh Head RSPB reserve. It's the most southerly point of mainland Shetland and where thousands of species of seabird come ashore to nest on the cliffs. This elevated viewpoint affords extensive views over Shetland and of Fair Isle to the south. We'll also visit the impressive archaeological site of Jarlshof. Over 4,000 years old, discoveries here include everything from Stone Age settlements and Bronze Age dwellings to Norse longhouses and medieval farms.

2 miles (3km) with 200 feet (60m) of ascent. We then rejoin our transport for the scenic transfer to Busta House.

Day 6: The Eshaness Peninsula

There's an opportunity to learn about Shetland's heritage at the Tangwick Haa museum today as we circumnavigate the beautiful Eshaness peninsula. Wildlife watching here is superb. Seabirds flock to this rocky outcrop in their thousands during breeding season and colonies of common and grey seal spend autumn in the waters of the bay.

9 miles (14km) with 1,060 feet (320m) of ascent.

Day 7: Muckle Roe

A fitting finale to the holiday, this walk along the magnificent granite coastline around Muckle Roe offers a chance to admire the windswept isolation and remote beauty of Shetland.

7½ miles (12km) with 1,360 feet (420m) of ascent.

Day 8: Departure Day

Group transfer to Sumburgh airport for your return flight.

ACCOMMODATION

The Merkister Hotel - Orkney

We've had a long love affair with Orkney's family-run Merkister Hotel, not least for its enviable setting on the shores of Harray Loch. It's just six miles from Skara Brae and has an award-winning restaurant overlooking the loch, serving outstanding Scottish seafood and Aberdeen Angus beef. Rooms are simple but homely and all come with TV and tea and coffee making facilities. You'll find comfortable public areas with free Wi-Fi, as well as a cosy bar, and handy drying facilities, too. This hotel is dog-friendly so you may meet four legged friends in some of the communal areas.

Food & Drink

Your stay is full-board. This includes daily breakfasts, packed lunch options, and evening meals. Vegetarian choices and dietary requirements can be catered for (please give advance notice when booking).

Packed Lunches

Our packed lunches will be too much food for some and not enough for others; if you feel you might need more food during the walk, please bring a supply of snacks to supplement this – it won't always be possible to buy these on the route. Your packed lunches will include: a bread sandwich or roll with a choice of filling; some fresh fruit; fruit cake/flapjack or similar, crisps and/or biscuits. For those of you tackling a level 4 or above holiday, we would highly recommend bringing some trail mix or something similar to ensure you've some fuel in reserve should you need it.

Dietary Requirements

Our partner hotels can cater for most dietary requirements, but it is important you advise us of any allergies and dietary restrictions you have at the time of booking.

Busta House, Shetland - Orkney & Shetland

In the Shetlands, it's all about Busta House. While most tour operators use hotels around the capital, Lerwick, we choose to stay somewhere you can really appreciate Shetland's remote beauty. This 16th century laird's manor has bags of historic charm, as well as a roaring fireplace for chilly days, and a well-stocked whisky selection. Tastefully decorated rooms provide a comfortable place to sleep and on a clear night you can gaze up at the starry skies and search for the swirling ribbons of neon green, pink, and purple known as the northern lights. This hotel is dog-friendly so you may meet four legged friends in some of the communal areas.

USEFUL HOLIDAY INFORMATION

Holiday Information

We try to create a relaxed atmosphere on the walk but please listen to safety instructions from your leader.

Keep members of the group in view especially when weather or visibility is poor. If you leave the group, then your leader will no longer have responsibility for you. Our leaders consider the safety of the group as a whole and are likely to be more cautious over potential risks such as bad weather.

Orkney and Shetland have pristine natural landscapes; peace and tranquillity; wide open spaces and lots of fresh air - you will island hop from the quaint crofting communities of Orkney to the Scandanavian style fjords and voes of Shetland. Orkney is 10 miles north of the coast of Caithness and separated from Scotland by the Pentland Firth. Shetland is 50 miles north east of Orkney.

Orkney is the name given to a group of 70 islands, the largest being 'Mainland', home to the majority of the Orcadian population, and the centre for your stay on the island. Life on these islands is sustained by a mixture of farming, fishing and tourism. Islanders themselves highlight the contrast between the two archipelagos of Orkney and Shetland by describing each other as: "Farmers who fish" – the Orcadians and.... "Fishermen who farm" – the Shetlanders. This illustrates ideally the contrast between the locals themselves, and the landscapes in which they live. The natural landscapes here determine all life on the islands.

On Orkney you will have the opportunity to discover a treasure trove of history at the many heritage sites on Mainland. Your walks take you to explore the standing stones of Stenness, the Ring of Brodgar, the UNESCO site of Skara Brae, and the exceptional Maes Howe.

From Orkney, your flight from Kirkwall will take you to **Shetland**, an island archipelago much more Nordic than Scottish. A barren but stunningly beautiful, ice-carved landscape, greets you, offering a plethora of wildlife watching opportunities. Your walks on Shetland traverse the windswept shores of the main island, from Sumburgh Head RSPB reserve in the south, to the brazenly beautiful peninsula of Eshaness and the ancient rocks of Muckle Roe.

Make sure your bags are clearly labelled with your name and "HF Holidays".
