ITINERARY - ITINERARY

Day 1 Arrival Day

Check-in at the hotel is available from 16:00. If you are a member you can arrive at the house from 14:00. Enjoy a complimentary cream tea at 16:30 and meet other guests.

Day 2 Ilam to Hartington

Distance: 8.5 miles (14km)

Ascent: 1,400 ft (440m)

Descent: 1,150 ft (360m)

Starting from the "Alpine" style village of Ilam our first walk of the trail crosses the famous Dovedale Stepping Stones and covers the full length of the Dovedale Valley – ample time to admire its limestone rock formations.

From the hamlet of Milldale, we'll take a quiet lane to Alstonefield where the churchyard boasts the resting place of Annie Green - the oldest legible headstone in Britain. Leaving Alstonefield over grassland, we'll descend back to the River Dove and through Beresford Dale and into Hartington.

Day 3 Hartington to Monyash

Distance: 9 miles (14.5 km)

Ascent: 850 feet (260m)

Descent: 750 feet (240m)

After an initial ascent from Hartington much of today's walk is on tracks and the Tissington Trail (a former railway line now a footpath and cycle way). Along the way, there's plenty of opportunity to admire open views across the landscape. The walk ends in the sleepy village of Monyash, once an important centre for mining and agriculture.

Day 4 Free Day - Central Peak District

Discover more about the Lee Wood Hotel and the local area for ideas on how to make the most of your free day.

Day 5 Lathkill Dale, Over Hadden to Bakewell

Distance: 6 miles (9.5 km)

Ascent: 500 feet (160m)

Descent: 950 feet (280m)

This morning, our walk starts on grassland before following the course of the River Lathkill through the dale. Parts can be rocky, but there are many rewards. Leaving Lathkill, we'll ascend to the village of Over Haddon. In the village churchyard, there's a chance to spot the grave of Maurice Oldfield – a British intelligence officer said to be the inspiration for James Bond's "M".

The walk continues over fields and down into the market town of Bakewell where there's free time to enjoy a coffee and perhaps sample one of the town's famous treats – Bakewell Pudding and Bakewell Tart.

Day 6 Bakewell via Chatsworth, Baslow Edge to Calver

Distance: 8.5 miles (13.5km)

Ascent: 1,350 feet (480m)

Descent: 1,350 feet (420m)

There'll be lots of ascent today. We start gently over the ridge to Chatsworth, first visiting Edensor Church, home to many Cavendish family graves. The Cavendish family have a long and significant history with the region and Chatsworth House – Derbyshire's most iconic stately home – has been their family seat since 1549. We'll continue through the parklands of Chatsworth to another estate village, Baslow. From here it's a steady ascent (on a track) onto Baslow Edge and the first of our Gritstone Edges. The day ends descending back to the valley to Curbar Church

Day 7 Curbar Gap to Eyam

Distance: 7 miles (11.5km)

Ascent: 1,000 feet (300m)

Descent: 1,150 feet (360m)

It's back up on the Edges this morning, but thankfully, the coach does the climb. Walk along Curbar and Froggatt Edges with 360-degree views that stretch towards our final destination, Eyam.

After descending to Grindleford Church the walk follows the Derwent Valley before reaching Stoney Middleton with its "Roman" bath house and octagonal church.

From here it's a short ascent, passing the Boundary Stone into Eyam (Plague Village) - one of the places worst-affected by the Great Plague of the mid-17th century. We'll reach the final church on our itinerary and enjoy time to discover the history of the village and celebrate the end of our journey.

Day 8 Departure Day

Enjoy a leisurely breakfast before making your way home.

DAILY WALK OPTIONS

Moderate walking grade 6

Longer full day walks with more ascent and varied terrain. Good fitness and agility are needed. Typically, 9-10 miles (15-16km) with around 1,500ft (460m) of ascent.

Then & now

The Lee Wood Hotel was originally built in 1830 as three houses by William Canendish, the 6th Duke of Devonshire. The so-called “Bachelor Duke" was one of the biggest landowners in the United Kingdom, as well as an ambassador to Tsarist Russia, and a renowned horticultural enthusiast who owned over 200,000 acres of land. Cavendish transformed the three houses into a hotel in 1860, to capitalise on the growing influx of visitors arriving via the newly built Derby–Manchester railway line. At the time, the town was beginning to prosper as a Victorian spa resort, drawing people keen to enjoy the therapeutic properties of its thermal spring waters.

Acquired by Margaret and Derwent Millican in 1957, the hotel reopened the following year after a brief renovation. It remained in the care of the Millican family for almost 70 years, becoming a much-loved hotel known for its warm welcome, friendly atmosphere and excellent customer service, attracting many returning guests.

In 2026, HF Holidays purchased the property and, in the spirit of our member-owned co-operative, hopes to carry that legacy forward when Lee Wood opens as an HF Country House in 2027.

Check-In & Check-Out

You are welcome to check in from 4pm at the earliest. HF Members can check in earlier, from 2pm. On arrival, you’ll enjoy a complimentary cream tea and get to meet your fellow guests, our HF Holidays Leaders, and the rest of the friendly team. Check out 10am.

Helping you enjoy the Great Outdoors - A natural focus on walks

Walks talks and Discovery Points
Our founder, country pastor turned social innovator, Thomas Arthur Leonard, was passionate about encouraging people to explore the countryside. His legacy continues in HF's continued focus on walking. Many guests choose to travel with us on guided or self-guided walking holidays, and as such, evenings at our houses are often busy with walk leaders hosting various briefings and talks. On guided walking holiday arrival days, there are walking information briefings before dinner, and for the duration of any guided walking holiday there will be a Walks Talk before (or on occasion after dinner), to go through the following day's walk options. Self-guided walking guests, and those on special interest holidays (where there is free time to explore independently), are of course welcome to also join in these Walks Talks - please talk to the team locally if you have any queries. Our Discovery Points are filled with handy maps and route notes, designed to ensure everyone, not just those booked on a guided walking holiday, can enjoy the beautiful countryside settings that our HF houses enjoy.

The walking day
Prior to setting off on guided walks, our HF Holidays Leaders run through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure walkers have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.

LOCAL AREA

Places to visit in Buxton

Perfectly placed in the heart of the Peak District, Buxton offers easy access to some of England's most inspiring landscapes, charming villages, and historic landmarks. Whether you're enjoying a guided, self-guided walking or special interest holiday, there's always the opportunity to linger for longer. Here's our pick of the very best things to see and do within easy travelling distance of the Lee Wood Hotel in Buxton.

The Peak District's best-loved landscapes

Step straight into the Peak District National Park, where a network of well-maintained trails leads you through dramatic dales, rolling hills and rugged moorland. Discover the limestone valleys of Dovedale and Monsal Dale, with their iconic stepping stones and sweeping views, or explore the wild beauty of the Dark Peak, where gritstone edges like Kinder Scout and Stanage Edge offer a more dramatic backdrop.

Buxton's heritage, gardens & caves

Closer to home, Buxton itself is rich in history. As England's highest market spa town at 1,000 feet above sea level, there's more to this place than water. The town's spa heritage and leafy parks make it an ideal place to relax after a day in the hills. Stroll around the elegant Georgian Crescent, explore the beautiful Pavilion Gardens, or visit the historic Opera House to catch a show in an authentic Edwardian theatre. From musicals and stand-up comedy to operatic performances, including the world-famous International Gilbert & Sullivan Festival every August, it's one of the Midlands' prime entertainment venues. Poole's Cavern is also well worth a visit – a two-million-year-old natural limestone cave.

Historic houses and stately grandeur - Chatsworth House, Bakewell & Castleton

The surrounding countryside is dotted with picturesque villages, each with its own charm. Home of the Duke and Duchess of Devonshire, this magnificent 17th century mansion is set in over 1,000 acres of stunning parkland and formal gardens. Inside, there are over 30 rooms to explore, including the State Rooms, Sculpture Gallery, and Painted Hall. Castleton, located at the head of the Hope Valley, is known for its caves: Peak Cavern, Blue John Cavern, Speedwell Cavern, and Treak Cliff Cavern - and historic Peveril Castle, while Bakewell offers riverside walks and its famous pudding. Closer to Buxton, villages like Tideswell – home to the impressive "Cathedral of the Peak" – provide welcoming pubs, local history, and a slower pace of life. Haddon Hall, overlooking the River Wye, is a fairytale-like manor house with its fortified exterior dates from the 12th century. Every part of the property is steeped in history, but the banqueting hall, chapel, and kitchens are particularly worth exploring.

Cromford Mills

Part of the UNESCO-listed Derwent Valley Mills, the world's first water-powered cotton spinning mill developed by Richard Arkwright in 1771 is known as the birthplace of the modern factory system. The mill museum and visitor centre are both worth visiting.

Dovedale Stepping Stones

The limestone valley of Dovedale steals the limelight as one of the best-loved – and most visited – beauty spots in the Peak District National Park. Don't miss the famous stepping stones located about half a mile from the car park (check the National Trust website for news of Stepping Stones opening/access due to repairs).

Trails, railways and scenic routes

Enjoy traffic-free walking and cycling along the Monsal Trail, following a former railway line through tunnels and across viaducts with spectacular views. For a nostalgic day out, the Peak Rail heritage railway offers a leisurely journey through the Derwent Valley, while the surrounding area is crisscrossed with gentle routes perfect for guided and self-guided exploration. Crich Tramway Village - a recreated Edwardian-style village and home to the National Tramway Museum is located near the village of Crich. Highlights include the woodland walk, sculpture trail, and collection of over 60 trams built between 1873 and 1982.
