TRIP SUITABILITY

This Guided Walking/Hiking Trail is graded 3 which involves walks/hikes on well-defined paths, though often in

hilly or upland areas, or along rugged footpaths. These may be rough and steep in sections and will require a good level of fitness. It is your responsibility to ensure you have the relevant fitness and equipment required to join this holiday.

Fitness

We want you to be confident that you can meet the demands of each walking day and get the most out of your holiday. Please be sure you can manage the mileage and ascent detailed in the daily itineraries. It is important for your own enjoyment, and that of your fellow guests that you can maintain the pace.

It makes a lot of sense to spend time getting some additional exercise before your holiday. We suggest that you try to fit in a number of longer walks, including some on hilly terrain. Other exercises such as cycling, jogging and swimming are also excellent for developing increased stamina.

ITINERARY

Day 1: Arrival Day

Your leader will give an introductory talk about the holiday.

Day 2: Church Stretton To Bridges

We begin by walking from above Church Stretton, down into the heathland of historic Carding Mill Valley then up onto the hog's back of Long Mynd, to join the ancient Portway. Ascending Betchcott Hill, we then head down Golden Valley to Ratlinghope and on to Bridges, an old staging post with an Inn.

7 miles (11km) with 1,100 feet (330m) of ascent.

Day 3: Bridges To Bishop's Castle

From Bridges we head northwest, joining a rugged path along the Stiperstones ridge and ascending to the Devil's Chair. These ancient geological formations are steeped in folklore and are the reputed resting place of Wild Edric, a Saxon noble who fought against the Normans. There have been settlements in the area from at least as far back as the Bronze Age, right up to those for local mining which ended here in the 1950s. We head over Linley Hill, walk by the small hamlets of More and Lydham (with their Motte and Bailey castles) into the charming village of Bishop's Castle.

12 miles (19km) with 1,775 feet (532m) of ascent.

Day 4: Rest Day

A day without any walks programmed, giving you the opportunity to explore the local area independently.

Day 5: Bishop's Castle To Clun

Starting at Bishop's Castle, we head west along ancient drovers' ways, to join a section of the Offa's Dyke Path at Churchtown. We are now in wild Marches country and head on around Hergan Hill to walk down Cefns (Welsh for 'ridge'), with great, unspoilt views all around. We end the day in Clun, which is Shropshire's smallest town. If there is time, we may have a chance to view the ruins of Clun Castle.

11½ miles (18.5km) with 1,575 feet (472m) of ascent.

Day 6: Clun To Craven Arms

Heading northeast out of Clun, we ascend Sunnyhill, walking over the ancient fortifications of the Bury Ditches

Iron Age hillfort. We continue east, through Kempton and the timeless village of Hopesay. Ascending Hopesay Hill, we then head down into the Victorian railway town of Craven Arms, ending the day at the Shropshire Hills Discovery Centre.

11½ miles (18½km) with 1,575 feet (472m) of ascent.

Day 7: Craven Arms To Ludlow

We walk south from Craven Arms, passing Stokesay Castle, a beautiful and incredibly well preserved 13th century fortified manor house. We head up the old carriageway of Aldon Gutter, before eventually descending to where the River Onney joins the River Teme, at Bromfield. From here, we continue through Oakly Park with the best views of Ludlow Castle, our final and fitting destination. The bustling black and white market town of Ludlow just begs to be explored – described by Sir John Betjeman as – “The most perfect town in England”.

10½ miles (17km) with 800 feet (240m) of ascent in a day.

Day 8: Departure Day

Important Covid-19 Steps We Have Taken For Guest Safety: Please Read

As we slowly reopen in the wake of the Coronavirus lockdown, our country house stays are set to be organised a little differently; extra steps have been taken to keep our guests, house teams and leaders safe while we return to action. We ask all our guests to respect the measures put in place.

Initially the overall capacity of the houses has been reduced. Guests must wear face coverings in public spaces. To adhere to social distancing guidelines, we have taken the necessary steps to space out furniture and seating in public areas. In addition, a one-way system will be in place around the house. Adequate signage will be displayed to support the direction of travel to be followed by guests and house teams.

As a temporary measure, we will not be servicing rooms during a stay. Extra tea, coffee, milk, and toiletries will be made available on request for all guests. It is recommended that guests bring their own toiletries for the duration of their stay. We have removed all non-essential and reusable items from our rooms for the meantime

including cushions, hairdryers, bathrobes, bed throws, and printed materials to reduce the number of items that need to be disinfected. Hairdryers will be available on request. Clean towels will be available on request. We will though be increasing the frequency of cleaning in our public areas providing particular attention to frequently touched items including door handles and handrails.

For now, there is no cream tea on arrival day. We have also adapted our food offering to remove all buffets and open food items. Different sittings may be required for breakfast and dinner due to the occupancy and size of the house. Picnic lunches will now be pre-ordered the night before from an order form in the room. The bar in each country house will be open, and we will be offering a table service for drinks. At this time there is no, or only a very limited, evening social programme available. Outdoor swimming pools at those houses that have them will re-open throughout August, except at Freshwater Bay House, where the pool will remain closed for 2020. Indoor swimming pools will remain closed.

For more information and to see all the steps taken, [visit our page on how house stays will be adapted](#).

Dip into the heated outdoor pool to swim below the trees. Head to the long lounge with its wall of glass giving on to the view outside, or for a more intimate space, sit at the smart bar with its crouching lions and attractive jug lamps or surrender to the leather sofas around the fireplace and enjoy a local pint of Shropshire Lad or Lass with a lively conversation among your fellow guests.

Food & Drink

As at all our country houses, holidays are full board, from afternoon tea served as a welcome treat through that evening's meal to a hearty breakfast on the day of departure. Lunch is a chance to stock up on our famous picnic snacks. Food at Longmynd House is varied and tasty and has a strong emphasis on ingredients from the area and seasonal produce. Once a week the bright dining room with its wrap around windows hosts a Local Food Night, when, over a sociable evening, you might try a five-course feast of regional flavours.

LOCAL AREA

The attractive small town of Church Stretton is around 10 minutes' walk downhill from Longmynd House. After the arrival of the railway, the town grew in the Victorian and Edwardian eras and became known as 'Little Switzerland' due to the dramatic hills on both sides of the valley. Today the town retains its bygone charm and has a range of facilities including a variety of small shops, banks, cafés, pubs and a supermarket.

During your stay at Longmynd House you may enjoy visiting the following places of interest, either in your free

time, during a self-guided walking holiday or on your journey to and from Shropshire:

Ludlow

Easily reached by train, or around 20 minutes' drive away, Ludlow is a particularly attractive market town. The historic centre retains many of its medieval buildings, and is towered over by its [well-preserved castle](#). In recent years the town has developed as something of a gastronomic centre, being home to celebrated Michelin-starred restaurants and many acclaimed local food producers.

Ironbridge Gorge

A little further afield, about 45 minutes' drive from Church Stretton, are the many excellent museums of [Ironbridge Gorge](#). Known as the 'birthplace of the Industrial Revolution' it was here that Abraham Darby perfected the manufacture of cast iron which was later used to build the area's iconic iron bridge across the River Severn. Today there are 10 museums in the gorge including the Museum of Iron, the Coleport China Museum and the excellent Blists Hill Victorian town.

Severn Valley Railway

The [Severn Valley Railway](#) is one of Britain's premier steam railways. This lovingly recreated Great Western Railway branch line is now run largely by volunteers and is home to an impressive collection of locomotives. As its name suggests, the line follows the rural valley of the River Severn from Bridgnorth to Kidderminster. The nearest station at Bridgnorth is about 40 minutes' drive from Church Stretton.

Acton Scott Working Farm

Situated just 10 minutes' drive from Church Stretton, the [Acton Scott Working Farm Museum](#) is a living museum based around a restored Victorian farm. In recent years this has featured in the BBC2 series Victorian Farm and Escape in Time.

Shrewsbury

Also easily reached by train, or a 30-minute drive, Shrewsbury is the county town of Shropshire. The town centre is particularly attractive, featuring many black and white timber houses dating from the 15th and 16th centuries.

Much Wenlock

The small town of Much Wenlock, about 30 minutes' drive from Church Stretton, is particularly attractive with many black and white timbered houses. Despite its small size, the town can claim to be the birthplace of the modern Olympic Games.

Hereford

The cathedral city of Hereford, is just under an hour's drive away, and can also be reached by direct train from Church Stretton. [Hereford Cathedral](#) houses a chained library and the famous Mappa Mundi, a 13th century map of the world.

Attingham Park

[Attingham Park](#) is a grand 18th century house surrounded by an extensive deer park, located outside Shrewsbury, around 25 minutes' drive away. Now managed by the National Trust you can visit the ornate rooms and explore the walled garden and grounds.

Powis Castle

This former medieval fortress has been re-modelled over more than 400 years – each generation adding to the magnificent collection of paintings, sculpture, furniture and tapestries. The world-famous garden is overhung with clipped yews, and shelters rare and tender plants. [Powis Castle](#) is owned by the National Trust and is located near Welshpool, about 45 minutes' drive from Church Stretton.

Chirk Castle

Just under an hour's drive north of Church Stretton, [Chirk Castle](#) is a fine medieval fortress completed in 1310. As well as military displays, the castle was also a domestic home for many centuries, and is surrounded by excellent gardens.
