TRIP SUITABILITY

This Guided Walking /Hiking Trail is graded 3 which involves walks /hikes on well-defined paths, though often in hilly or upland areas, or along rugged coastal footpaths. These may be rough and steep in sections and will require a good level of fitness. It is your responsibility to ensure you have the relevant fitness required to join this holiday.

Fitness

We want you to be confident that you can meet the demands of each walking day and get the most out of your holiday. Please be sure you can manage the mileage and ascent detailed in the daily itineraries. It is important for your own enjoyment, and that of your fellow guests that you can maintain the pace.

It makes a lot of sense to spend time getting some additional exercise before your holiday. We suggest that you try to fit in a number of longer walks, including some on hilly terrain. Other exercises such as cycling, jogging and swimming are also excellent for developing increased stamina.

ITINERARY

Day 1: Arrival Day

Day 2: Minehead To Porlock Weir

From the seafront at Minehead, we ascend gradually to a high-level cliff path which takes us to Hurlstone Point, either via Selworthy Beacon or via a wilder and more rugged coastal path. From Hurlstone we continue to Bossington village and westwards to Porlock Weir across Porlock Marsh.

9-10 miles (14.5-16km), with 1,100-1,400 feet (330-420m) of ascent.

Day 3: Porlock Weir To Lynmouth

Leaving the shore, we make our way through woodland to the cliff path and on to Culbone Church, the smallest parish church in England and the woodland path through Glenthorne Estate. The path then becomes more remote, overlooking parts of the cliff edge with some fine viewpoints. We continue to Countisbury Hill and a spectacular cliff path which takes us down to Lynmouth with hopefully some time to look around.

12½ miles (20km), with 1,400 feet (420m) of ascent.

Day 4: Rest Day

A day without any walks programmed, giving you the opportunity to explore the local area independently.

Day 5: Lynmouth To Trentishoe Down

From Lynmouth, we take the path near the cliff railway which winds uphill to Lynton, and then follow the North

Walk along the seaward side of Hollerday Hill and into the Valley of Rocks with its unusual geological features. The coast path takes us past Lee Bay and Woody Bay. After a descent almost to sea level, we climb steeply up out of Heddons Mouth Cleave. We then follow the high level path west above East Cleave until we strike inland for Trentishoe Down and Holdstone Down.

9 miles (15km) with 1,800 feet (540m) of ascent.

Day 6: Trentishoe Down To Ilfracombe Harbour

From Holdstone we start along a wide open track leading round to Holdstone Down and the deep valley of Sherrycombe. A steep ascent out of the combe and up to Great Hangman (the highest point on the whole of the South West Coast Path) follows and we continue on to Little Hangman overlooking Combe Martin. After a short stop in the town we continue along the coast path to Watermouth Bay, round the headlands to Hele and up to Hillsborough for its fine views. We then descend into Ilfracombe where there may be time for a Devon cream tea.

9½ miles (15km), with 1,700 feet (510m) of ascent.

Day 7: Ilfracombe Harbour To Croyde Bay

From Ilfracombe we ascend through the spectacular Torrs Walk to the old coast track on the open downs. From Lee to Woolacombe the coast path hugs the cliffs and has a remote feel to it, with many ascents and descents. Depending on the tide, we may walk along the sands or along the road/track between Woolacombe and Vention. The path takes us out to Baggy Point, our most westerly point, with its fine views of Lundy Island. We follow the track east into Croyde Bay where we conclude our section of the South West Coast Path.

13 miles (21km), with 1,600 feet (480m) of ascent.

Day 8: Departure Day

ACCOMMODATION

Holnicote House

Lying near the attractive village of Selworthy, in the heart of the Exmoor National Park, historic Holnicote House stands within a series of peaceful gardens with spreading lawns. Once the centrepiece of an extensive 12,500 acre estate, the charming and characterful house was gifted to the National Trust in 1944. Since then it has been reimagined as a walkers' retreat, with wonderful access to the countryside. As well as 32 delightful bedrooms, there are two comfortable lounges and a sociable bar. The landscaped gardens are still part of the wider Holnicote Estate and provide a wonderful area to wander. Outside the house, explore wild Exmoor, walk in the Quantocks, climb Dunkery Beacon and stroll on the Somerset Coast Path with the opportunity to walk in the footsteps of Samuel Taylor Coleridge, drop in Dunster Castle, ride a Victorian cliff railway and watch for wildlife including the majestic red stags.

Important Covid-19 Steps We Have Taken For Guest Safety: Please Read

As we slowly reopen in the wake of the Coronavirus lockdown, our country house stays are set to be organised

a little differently; extra steps have been taken to keep our guests, house teams and leaders safe while we return to action. We ask all our guests to respect the measures put in place.

Initially the overall capacity of the houses has been reduced. Guests must wear face coverings in public spaces. To adhere to social distancing guidelines, we have taken the necessary steps to space out furniture and seating in public areas. In addition, a one-way system will be in place around the house. Adequate signage will be displayed to support the direction of travel to be followed by guests and house teams.

As a temporary measure, we will not be servicing rooms during a stay. Extra tea, coffee, milk, and toiletries will be made available on request for all guests. It is recommended that guests bring their own toiletries for the duration of their stay. We have removed all non-essential and reusable items from our rooms for the meantime including cushions, hairdryers, bathrobes, bed throws, and printed materials to reduce the number of items that need to be disinfected. Hairdryers will be available on request. Clean towels will be available on request. We will though be increasing the frequency of cleaning in our public areas providing particular attention to frequently touched items including door handles and handrails.

For now, there is no cream tea on arrival day. We have also adapted our food offering to remove all buffets and open food items. Different sittings may be required for breakfast and dinner due to the occupancy and size of the house. Picnic lunches will now be pre-ordered the night before from an order form in the room. The bar in each country house will be open, and we will be offering a table service for drinks. At this time there is no, or only a very limited, evening social programme available. Outdoor swimming pools at those houses that have them will re-open throughout May to September. Indoor swimming pools will remain closed.

For more information and to see all the steps taken, [visit our page on how house stays will be adapted](#).

Rooms

Tea & coffee-making facilities, TV, Hairdryer, Toiletries, Wi-Fi

Stay in one of the main building's bright, beautifully presented rooms or in the thatched cottages in the grounds, called Butlers and Guns respectively. With 32 bedrooms, Holnicote House has plenty of space and there's a range of Good, Better and Best Rooms to choose from: best rooms are on the first floor and decorated in keeping with the National Trust estate, with plenty of space and great views over the back garden, reaching out across Cawter Hill and Dunkery Hill, Somerset and Exmoor's highest point. Ask for numbers 1, 4 or 9 to feel suitably special.

All 'Good' rooms are ensuite and furnished to a high standard. There are also several 'Better' and 'Best' Rooms that are either larger or have a desirable view, a more luxurious mattress and larger television – upgrade your stay for just an extra £15-25 per person per night. You can choose a specific room for an extra £30 per room, subject to availability. Upgrade supplements still apply.

Facilities

Free Wi-Fi, boot room and drying room, attractive garden, outdoor swimming pool, multi-purpose activity room, lounge, library and board games to borrow

After a day walking on Exmoor or exploring the heath and moorland, come back to the house and its specially tailored walkers' facilities. Relax by sitting in the pretty gardens or challenge a fellow guest to a game of croquet. Take a dip in the large heated outdoor pool. For something less strenuous, snag a comfy chair in one of the cosy lounges, borrow a book, join a game of cards or scour the countryside through the large telescope. Head to the bar before dinner for a drink and a chance to catch up with your companions, best enjoyed by the windows overlooking the estate.

Food & Drink

As at all our country houses, holidays are full board, from afternoon tea served as a welcome treat through that evening's meal to a hearty breakfast on the day of departure. Lunch is a chance to stock up on our famous picnic snacks. Food at Holnicote House is hearty and has a strong emphasis on ingredients from the

area and seasonal produce. Once a week the wood panelled dining room with its giant fireplace hosts a Local Food Night, when, over a sociable evening, you might try classic Porlock oysters or Priddy Oggies, a local pastry of chicken, bacon and cheese. Mains might include Exmoor venison or Bellbrook valley trout, while you could cap it all with a Somerset apple cake, dressed with cream.

LOCAL AREA

During your stay at Holnicote House you may enjoy visiting the following places of interest, either in your free time, on your journey to and from Selworthy or if you are on a self-guided holiday:

Selworthy Village

Less than a mile from Holnicote House is [Selworthy village](#). At first glance the thatched cottages seem typical of many ancient settlements in this area. However, Selworthy is not as old as it looks, having been rebuilt in 1828 by Sir Thomas Acland. Sir Thomas was a philanthropist and designed the 'model' village himself to provide housing for the aged and infirm of the estate. He used traditional designs and materials to create a deliberately old-fashioned village.

West Somerset Railway

The [West Somerset Railway](#) is Britain's longest steam railway with a line which goes from Minehead to Bishops Lydyard. Now lovingly restored by volunteers, the line recreates a classic Great Western Railway branch line with steam trains operating daily from April to October. Minehead station is 10 minutes' drive from Selworthy, or can be reached on the number 300 bus.

Dunster Castle

An historic castle transformed into a comfortable stately home for the Luttrell family. Some highlights include the 'modern' 1950s kitchen and the snooker room. [Dunster Castle](#) sits in extensive gardens, complete with its working watermill. The adjacent town of Dunster is full of character and also well worth a visit.

Lynton & Lynmouth

The quaint Victorian town of [Lynton](#) sits high on a hill, overlooking the coast and Lynmouth harbour. The two settlements are connected by the historic cliff railway. The short walk from Lynton to the [Valley of Rocks](#) is highly recommended.

Coleridge Cottage

The poet Samuel Taylor Coleridge (1772-1834) and his wife Sara lived in the village of Nether Stowey, about 45 minutes' drive from Selworthy, from 1796 to 1799. In 1909 [Coleridge Cottage](#) was acquired by the National Trust, and later restored and opened to the public.

Hestercombe Gardens

[Hestercombe Gardens](#), around an hour's drive away near Taunton, were constructed in three periods - a landscape garden from the 1750s, a Victorian terrace and shrubbery from the 1870s, and Edwardian gardens of 1904-1908 designed by Sir Edwin Lutyens and Gertrude Jekyll.

Arlington Court

[Arlington Court](#), about an hour's drive away near Barnstaple, is a fine Regency house set in an extensive

estate. The grounds include a formal Victorian garden whilst the stables house the National Trust's carriage collection of over fifty horse-drawn vehicles.
