There will also be stairs to climb in the majority of the venues you visit, though other more accessible options may be available.

ITINERARY

Day 1: Arrival Day

You're welcome to check in from 4pm onwards.

Day 2: Arun Valley

First stop, Littlehampton, where you can choose to take a walk alongside the River Arun on a smart new promenade to the sea. We then visit an unusual church, with a painted reproduction of the Sistine Chapel. In the afternoon, we visit the Worthing Museum & Art Gallery, before heading to Lancing College which contains a magnificent chapel.

Day 3: Over The Downs

Enjoy a morning spent exploring the Amberley Museum & Heritage Centre, which is dedicated to the industrial heritage of the south east. The afternoon will be spent in Arundel, with time to visit spectacular Arundel Castle and The Collector Earl's garden.

Day 4: Around Chichester

Our final day starts with a visit to the pretty village of Bosham which overlooks one of the small inlets of Chichester harbour. A short distance away is the city of Chichester which was founded by the Romans. Its most obvious feature is the 12th century gothic-style cathedral; its 61 foot spire can be seen for miles around. There are many historic buildings in the city and the remains of the city walls which were built in Roman times. The city's Roman heritage is one of the many features of the Novium Museum whose 500,000 exhibits include the remains of some Roman baths and the burial possessions of the 'Mystery Warrior' - an Iron Age man who was buried in Chichester. From Chichester we will travel to the nearby West Dean Gardens. These wonderful gardens date back to 1622 but much of what we see today was created in the 1800s. The gardens come complete with Victorian glasshouses, a 300 foot Edwardian pergola, a walled kitchen garden and a sunken garden.

Day 5: Departure Day

Enjoy a leisurely breakfast before making your way home.

Important Covid-19 Steps We Have Taken For Guest Safety: Please Read

As we slowly reopen in the wake of the Coronavirus lockdown, our country house stays are set to be organised a little differently; extra steps have been taken to keep our guests, house teams and leaders safe while we return to action. We ask all our guests to respect the measures put in place.

Initially the overall capacity of the houses has been reduced. Guests must wear face coverings in public spaces. To adhere to social distancing guidelines, we have taken the necessary steps to space out furniture and seating in public areas. In addition, a one-way system will be in place around the house. Adequate signage will be displayed to support the direction of travel to be followed by guests and house teams.

As a temporary measure, we will not be servicing rooms during a stay. Extra tea, coffee, milk, and toiletries will be made available on request for all guests. It is recommended that guests bring their own toiletries for the duration of their stay. We have removed all non-essential and reusable items from our rooms for the meantime including cushions, hairdryers, bathrobes, bed throws, and printed materials to reduce the number of items that need to be disinfected. Hairdryers will be available on request. Clean towels will be available on request. We will though be increasing the frequency of cleaning in our public areas providing particular attention to frequently touched items including door handles and handrails.

For now, there is no cream tea on arrival day. We have also adapted our food offering to remove all buffets and open food items. Different sittings may be required for breakfast and dinner due to the occupancy and size of the house. Picnic lunches will now be pre-ordered the night before from an order form in the room. The bar in each country house will be open, and we will be offering a table service for drinks. At this time there is no, or only a very limited, evening social programme available. Outdoor swimming pools at those houses that have them will re-open throughout August, except at Freshwater Bay House, where the pool will remain closed for 2020. Indoor swimming pools will remain closed.

For more information and to see all the steps taken, [visit our page on how house stays will be adapted](#).

Stay in one of the Hall's smartly presented rooms, which make use of every nook-and-cranny in the interesting architecture of this characterful house. With 27 bedrooms, Abingworth Hall has plenty of space and there's a range of Good and Better Rooms to choose from. Clean and bright, with accent colours to offset the simple palette, the rooms are airy and light. Better Rooms might have a feature wall or strong print wallpaper as well as pretty tiles in the ensuite bathroom.

All 'Good' rooms are ensuite and furnished to a high standard. There are also several 'Better' Rooms that are either larger or have a desirable view, a more luxurious mattress and larger television – upgrade your stay for just an extra £15-25 per person per night. You can choose a specific room for an extra £30 per room, subject to availability. Upgrade supplements still apply.

Facilities

Free Wi-Fi, boot room and drying room, extensive garden, outdoor swimming pool, multi-purpose activity room, three lounges, library and board games to borrow

After a day strolling on the South Downs, come back to the house and its specially tailored walkers' facilities. Relax in the large gardens and sit by the pretty pond, turn your hand to croquet or practice on the putting green. Ease through a couple of lengths of the heated outdoor pool if you've still got energy to burn. Hole up in the light-filled conservatory with pretty views of the gardens or retire to the Drawing Room with its wood-panelled walls, log burner, library of books to browse and comfy seats to sink in to; there's a telescope for you to scour the night sky too. In the evening, take your seat in the bar or join fellow guests in the large ballroom for the evening activity.

Food & Drink

As at all our country houses, holidays are full board, from afternoon tea served as a welcome treat through that evening's meal to a hearty breakfast on the day of departure. Lunch is a chance to stock up on our famous picnic snacks. Food at Abingworth Hall is varied and tasty and has a strong emphasis on ingredients from the area and seasonal produce. Once a week the dining room, which has a giant brick fireplace at its heart, hosts a Local Food Night, when, over a sociable evening, you might try a five-course feast of local Sussex flavours. Look out for the Sussex Churdle, a traditional, meaty ploughboy lunch, local Chiddingly beef cooked with black olives and Sussex smokies, smoked haddock served in a prawn sauce. Cap it all with a Sussex Pond Pudding, a pud that's part of the honourable tradition of British dishes with names to pique the interest more than the appetite, which is actually bright and zingy, suety and syrupy all at the same time
