## TRIP SUITABILITY

---

Our Discovery holidays give you the opportunity to immerse yourself in the culture of the local area through **active sightseeing**.

On each Discovery day, you will be walking roughly 3-5 miles (5-8km) throughout the course of the day as you explore the venues and locations we visit. You'll also be hopping on and off the coach throughout - you should expect to spend the majority of the day on your feet. Most of this walking will be at attractions but some may be across country tracks or footpaths so be sure to **bring sturdy shoes**. There will also be stairs to climb in the majority of the venues you visit, though other more accessible options may be available. At some venues, there may also be uneven surfaces, such as cobbles or rocky paths.

## ITINERARY

---

### Day 1: Arrival Day

You're welcome to check in from 4pm onwards.

Enjoy a complimentary Afternoon Tea on arrival.

### Day 2: Petworth & Midhurst

Start with a gentle walk through Petworth Park, hopefully seeing some of the large herd of fallow deer which live here, before paying a visit to Petworth House (National Trust). After lunch we drive through pretty villages to Midhurst, forever associated with HG Wells; he attended Midhurst Grammar School firstly as a pupil and latterly as a teacher. He also briefly worked in the town's chemist shop and lived above a sweet shop in the town. The town featured under the name of 'Wimblehurst' in *The Invisible Man*. We shall walk through the historic centre to see some of its most characterful old buildings. Look out for ones whose woodwork is painted dark yellow, a shade known locally as 'Gold Cup'. This colour denotes properties which belong to the Cowdray Estate; the 1st Viscount Cowdray was connected with the Liberal Party - the party's colour is yellow. We'll also visit the atmospheric ruins of Cowdray House - a large Tudor mansion which was all but destroyed by fire in 1793. The kitchen tower is the only part of the mansion which stayed intact. Both Henry VIII and Elizabeth I stayed at Cowdray House during its heyday.

### Day 3: Sussex Villages

This morning we stroll around one of the most beautiful villages in Sussex - Amberley. This sleepy village has many picturesque thatched cottages complete with classic cottage gardens growing a selection of traditional cottage garden flowers. In summer, many of the streets are lined with blooming hollyhocks which add to the village's charm. There is a small pottery, a 900 year old Grade 1 listed church and an equally ancient castle, now a luxury hotel. There's time for a coffee at the village tea rooms before the short journey to Bignor Roman Villa, which has some of the finest mosaics in Britain. We spend the afternoon at the fascinating Elizabethan Parham House, exploring the house and extensive gardens. The surrounding deer park is home to around 350 fallow deer which have been bred to have dark coats rather than the more usual pale ones.

## Day 4: Free Day - South Downs

Discover more about [Abingworth Hall and the local area](#) for ideas on how to make the most of your free day.

## Day 5: Brighton

This morning we'll be heading off for a day in Brighton. We'll begin with a visit to the Royal Pavilion, remodelled in Indian style as a seaside palace for King George IV when he was Prince Regent, and then you'll have plenty of free time to explore. You might want to wander along the promenade of Brighton Beach, soak up some history at the Brighton Museum, or pop your head into the city's more unusual boutiques in North Laine.

## Day 6: Amberley & Arundel

Enjoy a morning spent exploring the Amberley Museum & Heritage Centre, which is dedicated to the industrial heritage of the south east. The afternoon will be spent in Arundel, with time to visit spectacular Arundel Castle and The Collector Earl's garden.

## Day 7: Around Chichester

Our day starts with a visit to the pretty village of Bosham which overlooks one of the small inlets of Chichester harbour. A short distance away is the city of Chichester which was founded by the Romans. Its most obvious feature is the 12th century gothic-style cathedral which we'll visit for a tour; its 61-foot spire can be seen for miles around. There are many historic buildings in the city and the remains of the city walls which were built in Roman times. The city's Roman heritage is one of the many features of the Novium Museum whose 500,000 exhibits include the remains of some Roman baths and the burial possessions of the 'Mystery Warrior' - an Iron Age man who was buried in Chichester. From Chichester we will travel to the nearby West Dean Gardens. These wonderful gardens date back to 1622 but much of what we see today was created in the 1800s. The gardens come complete with Victorian glasshouses, a 300-foot Edwardian pergola, a walled kitchen garden and a sunken garden.

## Day 8: Departure Day

Enjoy a leisurely breakfast before making your way home.

## ACCOMMODATION

### Abingworth Hall

Tucked away in the village of Thakeham at the foot of the South Downs, Abingworth Hall has stood in one form or another since the 13th century. Gutted by fire, it was rebuilt in 1910 in its current distinctive style. As well as 27 en-suite rooms the house has all the ingredients you need for the perfect country house stay: three comfortable lounges with squishy sofas to kick back in, the largest of which opens onto an attractive conservatory and bar in which to dally, great food and super-comfy rooms to retire to. You're spoilt for choice when it comes to walking here; go for a lazy amble around the wildlife rich chalk Downlands to discover a colourful tapestry of historic villages, thatched cottages, pastoral landscapes and vibrant market towns. Highlights of your stay might include the Seven Sisters, the Glorious Goodwood estate, the Devil's Dyke and Chanctonbury Ring, as well as Arundel and the National Trust property at Petworth. Take your pick.

## Country House Accommodation

### Accommodation Info

### Need To Know

We appreciate that COVID-19 continues to impact the nations. The English, Scottish and Welsh governments are not always in sync, so measures in our country houses may vary between the nations. We thank all guests for adhering to the measures we have introduced to keep our guests, leaders and team members safe.

You can see our latest FAQs and guarantees at <https://www.hfholidays.co.uk/coronavirus-travel-advice>

### Ventilation, Physical Distancing Measures and Group Sizes around the Houses

We will keep our public areas well ventilated; for your comfort you might want to pack an extra layer to keep you comfortable.

With the relaxation of physical distancing, we will be allowing larger groups to dine and relax in the bar together.

Hand sanitiser stations will be made available in frequently used public areas for guests and staff use. It is advisable to bring additional hand sanitiser for whilst you are out walking.

We always follow the latest regional government advice, but our one recommendation is don't forget your face mask! There is no requirement to wear a face covering in communal areas, but you may of course choose to. Some places throughout the UK may still require you to wear a mask even if the government legislation does not. With this in mind we suggest you bring a personal supply of face coverings for the duration of your stay.

### Servicing Bedrooms:

At this stage we are not reintroducing our daily room servicing. Extra tea, coffee, milk, towels and toiletries will be available on request from our team. Bins can be left outside your door for emptying.

### COVID-19 Symptoms or Cases

If a guest has symptoms of COVID-19 then they should inform the house team and immediately self-isolate to minimise any risk of transmission and make arrangements to request a COVID test. If a guest receives a positive test result, they should return home if they reasonably can. They should where possible use private transport but only drive themselves if they can do so safely. If a guest cannot reasonably return home, they should discuss their circumstances with the House Manager. Additional charges may be levied if a guest needs to self-isolate for longer than their planned holiday.

### What can you do to help keep everyone safe?

- Wear a face mask/covering where required and please bring plenty of face coverings for the duration of your stay
- Carry/use hand sanitiser
- Wash your hands frequently with soap and water when possible
- Cover your mouth and nose with a tissue or your sleeve when you cough or sneeze
- Avoid passing round objects such as cameras & phones
- If you are displaying symptoms of Coronavirus, please do not travel to an HF Holidays House

After a day strolling on the South Downs, come back to the house and its specially tailored walkers' facilities. Relax in the large gardens and sit by the pretty pond, turn your hand to croquet or practice on the putting green. Ease through a couple of lengths of the heated outdoor pool if you've still got energy to burn. Hole up in the light-filled conservatory with pretty views of the gardens or retire to the Drawing Room with its wood-panelled walls, log burner, library of books to browse and comfy seats to sink in to; there's a telescope for you to scour the night sky too. In the evening, take your seat in the bar or join fellow guests in the large ballroom for the evening activity.

### **Welcome Information**

A Welcome Information Pack providing details about the Country House and your holiday will be available in each bedroom. This personal pack of information will detail what to expect during your stay in the house, the menu for the duration of your stay, dinner & picnic lunch order forms and the guest registration form for completion.

Our houses are locked at night-time and accessible with a door code which is available in the Welcome Pack. However, we also recommend making a note of the Duty Manager number on arrival, in case of an emergency or getting locked out.

### **Evenings**

Join our team after dinner on Wednesday evenings to see if you've got the knowledge to triumph in the HF Big Pub Quiz! There will also be another evening of entertainment at the beginning of the week which will vary depending on the house you are visiting.

If there are leaders resident, they will be available to chat to guests about self-guided walks. You can borrow walking route notes and maps from our Discovery Point.

### **Walks Talks – Guided Walking Information Briefings**

Self-Guided guests are always welcome to join our Guided Walking briefings to hear about the local conditions.

Our leaders will deliver a Guided Walking Information Briefing on each arrival day before and after dinner followed by a group Walks Talk to let guests know about the following day's walks. Walks Talks are usually before and after dinner prior to each walking day. The information is repeated so you can join whichever time suits you.

If you are undecided which walk to do, our leaders will be available in the bar or lounge to answer any questions you might have. Our website contains up-to-date information about the walks for each holiday.

Before you leave for your walk your leader will run through a short safety briefing for the day.

Each day, the latest weather forecast will be displayed for all guests to check to ensure appropriate clothing is worn for the walks.

Please note, if you decide to do your own walks, or you are on a self-guided walking holiday, you must complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.

## Food & Drink

As at all our country houses, holidays are full board, from afternoon tea served as a welcome treat through that evening's meal to a hearty breakfast on the day of departure. Food at Abingworth Hall is varied with a strong emphasis on the use of seasonal British produce. Our experienced chefs create each dish using only the freshest ingredients and, when in season, use home grown herbs and vegetables taken from our own gardens to give a true taste of the local area.

Along with many hospitality business across the UK we are presently experiencing disruption to our food and drink supply chain. Covid continues to limit the ability of suppliers to deliver and the war in Ukraine (along with several other global challenges) is impacting availability of many basic products. We are working hard to ensure that these challenges do not negatively impact your holiday but ask for your understanding should we need to make last minute changes to dishes or menus.
