WALKING GRADES AND OPTIONS

This Guided Walking/Hiking Trail is graded 3 which involves walks/hikes on generally good paths, but with some long walking days. There may be some sections over rough or steep terrain and will require a good level of fitness as you will be walking every day. It is your responsibility to ensure you have the relevant fitness required to join this holiday.

Your fitness

We want you to be confident that you can meet the demands of each walking day and get the most out of your holiday. Please be sure you can manage the mileage and ascent detailed in the daily itineraries. It is important for your own enjoyment, and that of your fellow guests that you can maintain the pace.

It makes a lot of sense to spend time getting some additional exercise before your holiday. We suggest that you try to fit in a number of longer walks, including some on hilly terrain. Other exercises such as cycling, jogging and swimming are also excellent for developing increased stamina.

ITINERARY – ITINERARY

Day 1 Arrival Day

Check-in at the hotel is available from 16:00. If you are a member you can arrive at the house from 14:00. Enjoy a complimentary cream tea at 16:30 and meet other guests.

Day 2 Freshwater Bay to Blackgang

From Freshwater Bay we face an ascent over the chalk cliffs of Compton Down, passing Hanover Point with its fossil forest. Along these cliffs you will see evidence of the battle against the sea. We reach the Blackgang Chine theme park where we ascend to the Gore Down viewpoint for a spectacular view back along the coast.

Distance: 13 miles (21km)

Ascent: 1,650 feet (500m)

Day 3 Blackgang to Sandown

This section of coast has been prone to erosion and for much of the day we'll walk through the 'Undercliff' or on the escarpment cliffs above. Blackgang is on one of the most dramatic sections of this inland cliff and we pass

St Catherine's Point, the southern-most tip of the island. We continue on the cliffs above the village of St Lawrence before descending to the coast, passing the Botanic Gardens, into the Victorian seaside town of Ventnor. We follow the promenade to Bonchurch with its ancient little church, then on to Shanklin with its Victorian elegance. We finish the day by following the promenade to the resort of Sandown.

Distance: 13 miles (20.6 km)

Ascent: 1,500 feet (460m)

Please note that there was a large landslide at Bonchurch in December 2023 and we are no longer able to walk through most of the Bonchurch Landslip area. We will divert to the main road for a short distance, then rejoin the Coastal path from the Landslip carpark.

Day 4 Sandown to Ryde

From Sandown we ascend the chalk clifftops of Culver Down, before passing the cliffs of Whitecliff Bay as we walk to Bembridge at the eastern tip of the island. Around the harbour we pass the tidemill and cross a causeway to the beach at St Helens Duver. As we follow the coast to Ryde, you'll see the Solent Forts, built in the early 19th-century to guard the approaches to Portsmouth against French invasions.

Distance: 11 miles (17.5km)

Ascent: 800 feet (250m)

Day 5 Ryde to Gurnard Bay

Around the northern tip of the island from Ryde we head west past the ruins of Quarr Abbey, a once-flourishing Cistercian Monastery, and on past Fishbourne with its ferry boats to Portsmouth and to Wootton Bridge. The path heads inland around Queen Victoria's Osborne House estate. To avoid road walking, we take a bus to East Cowes and cross the chain-ferry to Cowes. We pass the Royal Yacht Squadron Club House, with its 22 bronze cannons, to Egypt Point and Gurnard Bay.

Distance: 9½ miles (15.5km)

Ascent: 900 feet (270m)

Day 6 Gurnard Bay to Cranmore

We ascend the cliffs above Gurnard Bay, with magnificent views across the Solent and Southampton Water. After Thorness Bay the coastal path heads inland around the tidal creeks of the Newtown River. We pass the villages of Porchfield and Newtown. Newtown was the Island's capital in the Middle Ages and once a thriving port and commercial centre. Continuing over the causeway to Shalfleet we head back to the coast at Hamstead Point and on to Cranmore.

Distance: 11½ miles (18.5km)

Ascent: 800 feet (240m)

Day 7 Cranmore to Freshwater Bay

We pass Yarmouth with its historic castle and busy harbour and continue along the coast past Fort Victoria with views over the Solent to Hurst Castle. After Totland Bay, we ascend onto Headen Warren with its Bronze Age camp; a delightfully peaceful spot before the bright lights and music of the Alum Bay theme park. The most dramatic section of the coast path is the Needles; the chalk stacks that mark the western tip of the island before the outstanding final section along the chalk cliffs of Tennyson Down back to Freshwater Bay.

Distance: 12 miles (19km)

Ascent: 1,350 feet (410m)

Day 8 Departure Day

Enjoy a leisurely breakfast before making your way home.

Daily Walk Options

Medium Walks

Walks follow well-defined paths, though often in hilly or upland areas, or along rugged coastal footpaths. These may be rough or steep in sections and will require reasonable fitness.

About your stay

A warm welcome

We want you to feel comfortable from the moment you arrive. You'll find a welcome pack in your room with guest registration forms, menus, order forms for dinners and picnic lunches, the Wi-Fi password, and the front door code. Our houses are locked at night, so we recommend noting the Duty Manager's number on arrival in case of an emergency (or getting locked out).

Evening entertainment

While evening entertainment varies from house to house, HF Holidays Inter-House Quiz night held after dinner on Wednesdays is a weekly staple. Your HF Holidays leader may be around for tips on guided and self-guided walking routes as well as visit-worthy local attractions.

Walks talks

Our HF Holidays walk leaders host guided walking information briefings before dinner on guided walking holiday arrival days. This is followed by a group Walks Talk for information on the following day's guided walks (held before dinner every evening). Self-guided walking guests are, of course, welcome.

The walking day

Prior to setting off on guided walks, your HF Holidays Leader will run you through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure you have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.

Freshwater Bay

Just a skip away from Freshwater Bay House, this semi-circular namesake bay surrounded by gleaming white cliffs is a magical spot for rock pooling, watersports, swimming, boating, walking, and more. While mostly pebbles, there are some sandy parts on its eastern side.

The Needles

Named for their pointy shape, this iconic trio of brilliant white chalk rocks are located on the island's western tip. They lead out to what is easily Britain's most photographed lighthouse – a red-and-white-striped tower built in 1859 on the outermost of the chalk rocks.

Yarmouth

An hour's walk away, this historic seaside town is set at the mouth of the River Yar. The highlight is the 16th century Yarmouth Castle – one of Henry VIII's most sophisticated coastal fortresses built to guard the western entrance to the Solent.

Osborne House

Just a 40-minute drive away, this former royal retreat was purchased by Queen Victoria and Prince Albert in 1845 and used to escape court life. Now managed by English Heritage, it charms with glorious gardens and rooms filled with original furniture and works of art.

Carisbrooke Castle

What was once an artillery fortress, king's prison, and royal summer residence is located near Newport in the heart of the island. Not-to-be-missed attractions at this medieval stunner include King Charles I's bowling green and the lovely Princess Beatrice Garden.

Cherished for its multi-coloured sands and stunning views across the Solent, Alum Bay delights with crystal-clear waters that are perfect for swimming and paddling. Don't leave without buying a souvenir filled with this world-famous sand that comes in 21 shades.

Isle of Wight Steam Railway

Following a five-mile countryside route Smallbrook Junction to Wootton, this lovingly restored vintage steam train is an award-winning attraction. Hop off at the rural stations and learn about 150 years of railways history at the Train Story Discovery Centre.

Blackgang Chine

Perfect for those with children in tow, this family-run fantasy theme park dating back to 1843 is the oldest in the UK. Highlights include life-sized pirate ships, fairy castles, an underwater kingdom, and a cowboy town where kids can choose to be chose to be an outlaw or sheriff.

Ventnor Botanic Gardens

A 30-minute drive away, this botanical wonderland is home to around 6000 species of rare and exotic plants and trees in 22 acres. The warm climate attracts some amazing wildlife, including wall lizards, slow worms, and even Iberian ants.

Bembridge Windmill

Built in the early 1700s and closed in 1913, the last surviving windmill on the island was famously featured in a 1795 watercolour by JMW Turner. This much-loved local landmark was donated to the National Trust in 1961 still has most of its original machinery intact.
